FOOTBALL STRUGGLES ON
Western Maryland Makes A Game Fight Against Dickinson.

FINAL SCORE IS 5 POINTS TO 0
Home Team Wins on a Sultry Day and Both Elevens Were Southeners' Defeats.
[Special Dispatch to the Baltimore Sun.]
Carlisle, Pa., Sept. 28.—Dickinson's football season was opened here today with a game against Western Maryland's strong grid. Western Maryland's strong grid. The score of 5 to 0, the first half closing 0 to 0, is hardly a fair indication of the comparative work of the two teams. The pigskin was for the greater part of the time in Western Maryland's territory, although the Southeners blocked many Dickinson gains.

Dickinson won the toss and their opponents kicked off to nonstart. The feature of the first half was Langstaff's two end runs. Western Maryland had difficulty in holding the local team's punts throughout the game. In the first half Spencer missed a goal from the field.

Both sides were penalized several times. For Dickinson the work of Richmond, Mann, Peers, McWhirter, Halstead, and Hess was exceptionally good. Hess making fine line changes to move.

The warm weather seriously inconvenienced the players, who dragged their plays noticeably. For Western Maryland Will Todd, Thomas, Gibson and Turner did great work. The visitors had made up their minds to win a victory, and deserved credit for their stubborn struggle against a superior team.

Coach Paul Davis was much pleased by Dickinson's work and has acquired a good lineup on his material. Visiting Coach Ashmore expressed himself as being satisfied with his team's efforts. The lineup and summary:

Dickinson: Quarterback.—Langstaff.

Fullbacks.—Richmond, Garret.

Wingbacks.—Peters, Todd.

Ends.—Hargis, Gilliam, Turner, Peers.

Halfbacks.—Hess, Gibson, Lawrence, Halstead.

Western Maryland: Quarterback.—Spencer.

Fullbacks.—Richards, Come.

Wingbacks.—Good, Todd, Hargis.

Ends.—Hargis, Gilliam, Turner, Peers.

Halfbacks.—Gibson, Lawrence, Halstead.

WINTER WEATHER FOR FALL TRACK TRYOUTS

The annual fall track tryout for other than "v" men was held last Saturday on Lambeau Field at 3 o'clock. A high, cutting wind was blowing across the field and made even the most warmly clad shiver. Owing to this unfavorable condition, the results in the time for the events were not merely the same as would have been expected had the weather been warmer. Most of the events were exciting and hotly contested; and showed that the new men have plenty of fighting spirit in them.

The hundred was the feature of the afternoon. Ward and Gill had won their respective heats with comparative ease. In the finals they came across the tape, Gill leading by only a few feet.

In the 220-yards, Gill won the event with somewhat more comfortable margin than in the hundred.

Wallerstein in the quarter showed surprising form. He runs a strong race with a long, steady stride. Blackford pushed him hard in the first of the race but he slowly drew away with his steady gait. He finished well ahead of his nearest opponent, and although not with any burst of speed showed that he had plenty of energy left to make a strong finish if necessary. He should prove a strong candidate for the relay team.

Cooke Ran Good Half Mile.

In the half mile Wiley Cooke and Sloan had pulled around the track one and a half times keeping well together. Then Cooke, with a strong sprint, lengthened out his stride and drew slowly but consistently away, finishing well ahead of his opponent.

Brigham won both distance events, the mile and two mile, without over-exertion. In the mile he finished ahead of Willcox, who ran a plucky race. He won handily the two mile, with Carr second. Brigham also placed in two other events, winning first in the high hurdles and second in the high jump.

"Harry" Spratt, of baseball and basketball fame, made his initial appearance on the local field in the shot put, with a throw of 34 feet, 3 inches.

Ward, besides winning handily the high and broad jump, won a close second in the hundred.
Basketball Review.

Virginia Quint Won Eleven and Lost Five Games.

On taking a retrospective of the basketball season which closed last Wednesday night, it will be seen that the Orange and Blue have a very creditable record behind her. Of the total of 16 games played, 11 were won. After an even break with Georgetown and Washington and Lee, the season closed with a victorious southern trip, and a victory over North Carolina on the return game Wednesday night. The following is Virginia’s record:

Virginia, 11; Pennsylvania, 22.
Virginia, 14; Randolph-Macon, 8.
Virginia, 13; Hampden-Sidney, 13.
Virginia, 25; E. H. & T.
Virginia, 28; Georgetown, 19.
Virginia, 29; Washington and Lee, 19.
Virginia, 35; V. M. I., 9.
Virginia, 41; Georgetown, 35.
Virginia, 19; Navy, 30.
Virginia, 22; Wase. Forest, 12.
Virginia, 24; Trinity, 14.
Virginia, 18; North Carolina, 15.
Virginia, 19; Guilford, 20.
Virginia, 25; North Carolina, 17.
Total—Virginia, 382; Opponents, 309.
It is with pleasure we announce the fact that Mr. Robert Gill, son of Dr. J. M. Gill, won the gold medal in Junior year at Western Maryland College and Mr. Roberts Kent Greenfield, son of Dr. D. L. Greenfield, won the gold medal in Sophomore class.
Faculty and Seniors Tri.
Westminster, Md. June 2.—(Special)—
The most interesting and amusing game played at Western Maryland College this season took place yesterday afternoon between the Senior and Faculty and Seniors. The score at the end of the third inning was 13 to 9. The President of the college, Dr. H. L. Lewis, officiating as umpire.

Overwhelms Mt. St. Mary's Eleven
By Score of 47 to 0.

Westminster, Md., November 6. —[Spe- cial].—Western Maryland College defeated Mount St. Mary's here this afternoon by a score of 47 to 0. In a game that was noticeably free from unnecessaryroughness. The two teams were evenly matched in weight, but Western Maryland played finer and was in better training. The forward pass and the tackle plays were used frequently for big gains.

Captain Gill, Thomas, Turner, Hinsdale, Meyers and Bridges starred for Western Maryland while Barrett paced the Mount St. Mary's team. Other players included: Professor Cottrell, of Cumberland, umpire; Smith, of Western Maryland; and O'Brien, Young, Sr., Mary's assistant instructor.

Touchdowns.—Turner, 5; Thomas, 2; Hindsdale, 1; Guard from touchdown.—Note.
I hope we will have a fine team for the good of the college, but also for the sake of the captain, whose interest and work merit it.

Very truly yours,

King Rene's Daughter.

SYNOPSIS

Iolanthe, the blind daughter of King Rene, is in care of Ebn Jahia, a Moorish physician, who promises to restore her sight when she reaches her sixteenth year. Count Tristan, when nine years old, is betrothed by his father to Iolanthe. But through force of circumstances they have never met before. Ignorant of each other's real identity, they fall in love. Iolanthe's sight is restored and they are married.

AWARDING CERTIFICATES
REV. J. M. GILL WILL TALK AT Y. M. C. A.

Proposes to Tell Meeting Why Men Are Indifferent to Religion.

Rev. J. M. Gill, pastor of the Methodist Protestant church, will be the speaker at the meeting for men only which will be held in the lobby of the Y. M. C. A. tomorrow afternoon at 3:30 o'clock. Mr. Gill will speak on "Why Men Are Indifferent to Religion." There will be music. After the address in the lobby, A. S. Allen, general secretary of the T. M. C. A., will conduct a new group in Bible study which will take up the subject "Conversations of Jesus."
Clash With Western Maryland College Tomorrow Afternoon.

The Western Maryland College eleven will again be seen in action tomorrow when it clashes with the Mount Washington team tomorrow afternoon at the Mount Washington grounds. Western Maryland has one of the best teams that ever represented the Carroll county institution, its playing being both fast and aggressive. In guiding his team against the Westminster lads, Manager "Fred" Patterson has stacked his proteges against the odds proposed. The Mountaineers, however, feel that they are well qualified to solve the play of the visitors and beat them at their own game.

The Mountaineers have improved a thousand per cent over their last showing, and they are "coming strong" for the Waukesha section. The absence of a Quarterback from the team to tomorrow's play will be keenly felt, but downs not of the end positions, has been played up well in the quarter job and dispaly rare judgment in running the team. He will make Hopkins' place in tomorrow's game. Although Western Maryland is written down to lose, the track Jeanie Hopkins of Mount Washington is undecided and is going into the contest determined to give out a victory.

The lineup of the two teams:

Frederick, Md., Oct. 4—Miss Georgia Donaldson, daughter of Mr. and Mrs. Frank Donaldson of Frederick, and Miss F. D. Bowman of Howard county, were married last evening. The ceremony took place in the Hereford Methodist Church.
Athletics

The football season is well under way and a few words regarding the team of 1909 may be very fitting at this time.

At the opening of the season many difficulties confronted those most interested in the team’s welfare. Among those was the lack of strong and experienced men to fill the places made vacant by graduation of the class of 1909. About eight men returned early for preliminary practice and at the opening of college the squad was minus Gibson, Dudley, Turner, Birdsall, Hummel, Cee, Longfield and Carver of last year’s varsity team. Later Turner, Dudley and Birdsall returned to college and have been a vast help.

The one thing necessary in turning out a winning team is spirit. This has been evidenced by the large number of men who have turned out for practice. As many as forty men in uniform have reported for practice and done all in their power to develop a team of which every student of Western Maryland may justly be proud. The first game was with the Waverly A.C. of Baltimore. In many ways this game was a disappointment but it showed the faults and weak places as nothing else could have done. Captain Gill had his shoulder broken and will be out of the game till October 23. Mr. Gill has done all in his power, both on the field and off, to bring out a strong team. He was putting up a splendid exhibition of football and his injury was a great misfortune. Waverly was defeated 11 to 0. Lineup was as follows:—

The particular stars of the game were Thomas, Turner, Sprague and Stultz. On September 25 the team journeyed to Carlisle to meet the strong Dickinson Eleven and were defeated by the score of 5 to 0. The score does in no way show the respective playing merits of the two teams. Western Maryland put up a class of foot-ball which should have won the game, but costly fumbles at critical moments prevented scoring. W. M. gained two or three times as much ground as did Dickinson, but Mt. Pleasant’s fine kicking and running back of punts kept the ball from crossing the Dickinson line. Western Maryland’s work on end runs and forward passes was far superior to that of their heavier opponents but their line was too heavy for our backs to make any great gains there. Dickinson scored their only touchdown early in the first half when a recovered block kick put the ball close to Western Maryland line and Mann was shoved over for the touchdown. After this the Gold and Green line was never in danger. The lineup follows:

On Saturday October 2, the ‘Varsity defeated Mercersburg on the latter’s field by the score of five to nothing. The game was fast and hard fought throughout. Mercersburg won the toss and chose to receive. Thomas kicked off and the ball was downed on Mercersburg 20 yard line. Mercersburg could not gain and was forced to punt. W. M. made first down twice and were held but an outside kick was recovered by Dooley and carried to Mer. 12 yard line. In two plays Turner carried the ball through the line for the touchdown. Twigg failed at goal. Again in the first half W. M. had a chance to score but a dropped ball on the five yard line prevented. The forward pass was used but twice in the entire game. Once for a ten yard gain and the other time a 15 yard penalty was the result. Mercersburg put in substitute after substitute in the effort to stop Turner going through the line but the star full back could not be stopped. The team played a hard, steady game throughout. Line up follows:

Mercersburg

Since the last issue of the monthly football games have been
played and but one resulted in defeat. Hopkins heavy team winning by the
close score of 18-16.

Western Maryland 0. George Wash. Univ. 0.

On October 9, the "Varsity" team met the strong George Washington
team at American League Park, Washington, and after two halves of
twenty minutes each, neither team had been able to cross the goal line.
Geo. Washington remembering the easy time they had in defeating
W. M. last year by the score of 18-0 came out on the field in the first half
full of confidence which was soon to be dispelled. The W. M. team though
outweighed twenty pounds to the man from end to end in the line started
in with a rush which carried the ball the entire length of the field in the
first four minutes of play. G. W. kicked off to Birdsall behind W. M.'s goal
line, Birdsall running the ball out ten yards. A forward pass, Twigg to
Stultz advanced the ball seventy yards to G. W. U's. thirty yard line. A
few line plays and end runs followed by an outside kick advanced the ball
to G. W. two yard line on first down. A touchdown seemed assured but
here the Washington line braced and three tries failed to gain the much
desired two yards. G. W. kicked out of danger and during the remainder
of the half the ball changed hands frequently but with the play entirely in
Geo. Wash. territory. The second half started with the Wash. boys making
a rapid rush toward the West. Md. goal. The ball was on the one yard line
in Geo. Wash. possession and first down. At this critical moment the team
from Carroll County braced in grand style and held for three downs. In
the last down the ball was within a few inches of the last chalk mark.
West. Md. kicked out of danger and the game was saved. The work of the
ends and of Twigg, Thomas and Dudley was especially noticeable. The
lineup was as follows:

Referee—Mr. Gass of Lehigh. Umpire—Mr. Houston, of Dickinson.
Head linesman, Mr. McManus of G. W. U., assistant linesman, Greer of West.
Md. and Leslie of G. W. U. Time of halves, 20 min. each.
On October 15, the Varsity met the team of Davis and Elkins Univ. of Elkins, W. Va., at Cumberland, Md., and had a very easy time in scoring forty points to their opponents nothing. West. Md. averaged about ten pounds heavier than D. and E. and gained ground at will. They started the game with a rush that carried the lighter team off their feet and scored three touchdowns in the first eight minutes. One of these came on a forward pass in which Stultz carried the ball the length of the field for a touchdown. After scoring 34 points in the first half the team slowed down and contented themselves with six in the last half. Turner's line bucking was the particular feature of the game. Lineup:

West. Md.          D. and E. Univ.
Sprague            L. E.       V. Parmesano
Wheaton            L. T.       Doyle

Stultz             R. E.       F. Parmesano
Thomas             Q. B.       Rohrbach
Birdsall           L. H.       Scott

Western Maryland, 12—Washington College, 5.

On October 23 Washington College came to Westminster expecting to take back a twenty to nothing victory but when the smoke had cleared away and the whistle had blown for the last time they were beaten and very fortunate to escape with nothing worse than a 12 to 5 defeat. An eighteen or twenty-four to nothing score would better show the respective playing abilities of the two teams. The game was fast and hard fought from start to finish, but entirely devoid of unnecessary roughness. The Eastern Shore boys played a fast, clean art of ball throughout the game but were outclassed at every point. Their end runs and forward passes failed to gain consistently and they could do nothing with the Western Maryland line. Their only touchdown was the result of an illegal forward pass which crosses the scrimmage line directly over center which the referee failed to detect. Captain Gill got into the game for the first time since the first game when he was injured in the shoulder, and played a good game. Stultz played his first game at quarter and with a little more experience should make a good general. The line showed up the best form of the year. Turner, Thomas and Birdsall each played a star game. Lineup:

(Gehr) Gill, capt. L. E. Crouch
Dudley              L. T.       Porter
Wheaton            L. G.        Bacchus
Twigg              C.          Cross
Leary (White)      R. G.        Maddox
Graefe             R. T.        Gibson
Sprague            R. E.        Jump
Stultz             Q.           Meegan
Birdsall           L. H.        Noonan
Thomas             H. H.        Turner
Turner             F. B.        Johnson

October 30, Western Maryland played Hopkins on Homewood Field, Baltimore. At the end of the first half the score stood W. M. C., 10—J. H. U.—nothing. Hopkins braced in the second half and nosed out a victory. Two of Hopkins touchdowns were the result of flukes: one from a fumble and the last from a blocked punt close to the West. Md. goal. Hopkins line was exceedingly strong and averaged over two hundred pounds to the man, outweighing the Varsity line by some thirty odd pounds to the man.

Line up as follows:

Western Md.  
Gill, capt. (Gehr)  L. E.  
Dudley  L. T.  
Wheaton  L. G.  
Twigg (Wright)  C.  
Leary (Pritchett)  R. G.  
Graefe  R. T.  
Sprague  R. E.  
Stultz  Q. B.  
Birdsall  L. H.  
Thomas  R. H.

Three games of foot-ball have been played since the last issue of the Monthly and three victories have been scored by the green and the gold.

Western Maryland 47—Mt. St. Mary’s 0

On November 6 the Mt. St. Mary’s team was played on the home ground and was completely outplayed and defeated by the score of 47-0. West. Md. started in with a rush that carried the opponents off their feet and never slackened the pace until the last whistle had blown. The particular feature of the game was the brilliant long forward pass from Twigg to Gill and Sprague. This was used many times and netted gains of from thirty to seventy yards. Every man on the team was in the game every minute. Thomas, Turner and Birdsall all made long and steady gains through the line and outside tackle. Stultz displayed fine headwork in running the team and kept them continually on the jump. This is the largest score made by a West. Md. team in the last five years and after the game the Mt. St. Mary’s constituents said that West. Md. was in the same class as Villanova.

West. Md. Positions Mt. St. Mary’s

Dudley L. T. Chastey
Wheaton L. Guard Girons

Turner Fullback Barrett

W. M. C. Defeats Delaware 11 to 6.

On November 13 the team went to Newark to play the Delaware College team and in one of the hardest games of the season, nosed out a victory in the last five minutes by forward passes. Delaware put up the snappiest exhibition of the game of football which West. Md. has met with this season. The first half ended 6 to 0 in Delaware’s favor with the ball in their possession on W. M. C. 2 yd. line. In the second half Western Maryland took a brace and displayed their fighting ability by scoring two touchdowns in the last five minutes by real football. The team and the coach wish to express their appreciation of the courteous and gentlemanly treatment received. Line up:

West Md. Delaware
Sprague Left End Rothrock (Capt)
Dudley Left Tackle Franklin
Wheaton (White) Left Guard Cochran
Twigg (Wright) Center Attix
Prichett Right Guard Millington
Graefe Right Tackle Todd
Gill (Capt.) Right End Kidd
Stultz (Thomas) Quarterback Healy
Birdsall Left Halfback Connis
Thomas (Twigg) Right End Gehr
Price Fullback Carwell

For the first time Western Maryland defeated the Mt. Washington Athletic Club of Baltimore. Mt. Washington were a few pounds lighter than W. M. C. but put up a game fight and succeeded in scoring. The game was slow and uninteresting, and the varsity had an easy time in making three touchdowns. Several of the regulars were out of the game but their places were well filled by the substitutes. Thomas, our star halfback, went into the game the last two minutes and scored a touchdown after a run of 45 yds. through the line on the first play. Lamotte of Mt. Washington made a pretty run of 70 yds for their touchdown. Turner hit the line in Coy fashion and Dudley carried the ball for good gains.

### Review of the Season

The season just closed has been one of the most successful Western Maryland ever played. While two teams defeated them the eleven men who made up the team never knew what it was to be against a better team and both of the defeats deserved to be victories. Opposite to this are seven victories and one tie. Mercersburg and Mt. Washington were defeated for the first time. The team scored 160 points to their opponents 40 and this record is one which not only the men on the team but every student and alumnus of Western Maryland may justly be proud. Next year's team should be better and we have every reason to believe that such will be the case. The team will lose the services of Capt. Gill and Wheaton. Gill, though having his shoulder badly broken at the beginning of the season, played the last five games and very few were the gains any team made around his end. He has made an excellent captain and his loss will be greatly regretted both by the members of the team and Coach Cotrell.

Wheaton, at left guard, is an old and experienced player and has played a strong and steady game throughout the season. Never spectacular but always in the game, the team will lose a valuable player in Clarence. With the other men back in College and the substitutes of this year and new men who may be expected to enter college next fall, Western Maryland's prospects for a championship team are most bright.

THE CELEBRATION

On the evening of Friday, November 26, a very enjoyable celebration of the successful season was held in the gymnasium. The whole building was decorated with the college colors and pennants and the trophies of the season’s victories—even the dummy was absent. A large and enthusiastic crowd was present and college spirit ran higher than for years. A number of excellent speeches were made and were liberally applauded. Among the speakers may be mentioned Vice-President McDaniel, Dr. Tiffany, Judge Forsythe, Mr. Clemson, ex-Capt. Gibson, Coe and Carver of the class of 1909, Capt. Gill and the newly elected captain. The general opinion of all who spoke was that the team was the best that ever represented Western Maryland on the gridiron, and with the loss of only two regulars, next year’s team gives promise of being even better. To Coach Cotrell the most of the credit must be given. His hard work and unfailing interest have been appreciated by all. He is the best foot ball coach Western Maryland ever had. Manager Smith also deserves much credit for his work and his excellent arrangement of trips. Capt Gill’s enthusiasm and spirit in playing with an unhealed broken shoulder was mentioned.

The feature of the evening was the announcement of the newly-elected captain, Carl C. Twigg, of Twiggtown, Md. Twigg has played center for three years, and is one of the mainstays of the team. He is easily the best center in Maryland. Good luck to him and his team.

Fall Track Meet Beginning at 3 O’Clock Will Give “Pop” Lannigan Posters on New Material—No Admission Price.

The annual Fall Track Meet will be begun on Lambeth Field at 3 o’clock this afternoon. For over six weeks the track men have been training faithfully and from the present outlook good time is likely to be made. Trials were held Monday afternoon and although the time was not extremely fast on account of the cool track, it is expected that it will be much faster in the meet this afternoon.

The cross country men stopped their runs preparatory to the coming meet and they have been working out lightly during the last few days. Ribbons will be given to the winners of the various events, a blue ribbon going to the winner, a red one to second place, and a white one to third.

When seen by a Topics reporter, Trainer Lannigan said that the track would be in first-class condition. The present meet would be the first and last contest for the track men during the Fall, except the cross country run, which will be held the Saturday before Thanksgiving.

Order of Events.

No "V" men will be entered in any of the events, as the main object of the meet will be to show up the new material in college. The track events will be run in the following order:

100 yard dashes—Richardson, Church, Ward, Pike, Cooke, Durr, Picknett, Gill, Hamner, Gross, Nelson, Anderson and Crockett.

120 yard hurdles—Cason and Lane.

Mile run—Wilcox, Amanette, Birmingham, Toutmin, Bennett, Runbragg, Host, Grover and Hart.

440 yard run—Hamner, Blackford, Carr, Wallerstein and Pratt.

220 yard hurdles—Lane, Porter, Cason, Worthington and Grover.

220 yard dash—E. McMorries, Durr, Church, Gill, Cooke, Richardson and Anderson.

In the field events the following order will be adopted:

Putting shot—L. A. Johnson, Spratt, Robertst, Campbell and W. A. Jones.

Pole vault—Worthington.

Running high jump—Ward, McMorries and Bruns.

Running broad jump—Ward and Blackford.

Any further entries can be made to Assistant Manager W. N. Neff or given to Trainer Lannigan on the field the day of the meet. No admission fee will be charged and it is hoped that there will be a large crowd out to encourage the men. The meet starts promptly at 3 o’clock.
HOLLADAY TO CAPTAIN
A PROMISING TEAM

Star Hurdler and High Jumper
Elected by "V" Track Men.
New Material Includes
Fast Candidates.

"Ed" Holladay, fourth year medical
student and for the last three years a
member of the track team, was elected
to captain the team this year at a meet-
ing of the "V" men Thursday after-
noon.

Although Holladay does the high
jump, his specialty is the low and high
hurdles. Last year in the spring meets
he showed us especially well, and in the
meet with Pennsylvania he ran a beau-
tiful race in the hurdles, losing to Hay-
dock, the Pennsylvania star, by a close
margin.

In the two-twenty hurdles in the in-
tercollegiate last year, Holladay won
easily from a large field. He does
five-eleven in the high jump and he is ex-
pected to go even higher this year.

At present Captain Holladay is out
for the football team, where he is play-
ing a steady game at tackle. Not only
is he a good athlete, but he is a hard
worker and has the knack of being
able also to make his men work as
well.

Practice on the track Thursday af-
ternoon continued to follow out the
regular preliminary work. A large
squad was out, numbering about thirty.
Practicing starts took up the greater
part of the afternoon and during the
latter part each new man was put in
charge of an old man to be coached.

Hurdle practice has been started and
it is understood that Larry Martin
will be out in a few days. Trainer Lann
igan, when interviewed yesterday after-
noon, seemed very optimistic about
the new material. Gill, captain of the
Western Maryland University football
team, is out for the half mile. Gill had
intended going out for the football
team but unfortunately broke his col-
lar bone shortly before the end of the
last season. McMorris, a fast man
from Mississippi College, is out for
both the baseball and the track team.

Trainor Lannigan says that he regards
him as one of the fastest outfielders
ever on Lambeth Field. He is out for
both the hundred and the quarter mile.

The following men also seem promis-
ing: Grandy of Tome, Hildreth of
Shenandoah Valley Military Academy;
Payne of Washington Tech. High;
Stabler of New York Military Acad-
emy; Ramsboth of Leesburg High.

Cross country starts Monday, Octo-
ber 3d. The races will start from the
Gymnasium at 3:15 p.m. on Monday,
Wednesday and Friday. All men in
the distances will report to Lucan
Carr at that time.

Fast Runners Reporting.

Among the men for the short dis-
tances are: Boyle of Western Military
Academy, Gravalt of Shenandoah Mil-
tary Academy, Cason of Richmond
College, Kearn of Richmond Col-
lege, and Gill of Western Maryland
University.
FALL TRACK TRYOUT
NEXT SATURDAY

Everything in track circles is being prepared for the fall tryout which will take place next Saturday. The track candidates, already in the pink of condition with many weeks of hard practice behind them, are now at work puting on the finishing touches.

Monday afternoon “Pop” Lannigan put every one of the candidates through his time trials. The afternoon was crisp and invigorating and the track fast. No time results were given out by “Pop” but fast time was made.

The distance men, those out for the half, mile and two-mile, have discontinued the cross country work and at present are doing speed work on the track. Among the distance men who have been out for cross country are Carr, Sloan, Biene, Funkett, Toumin, Hart, Wilcox and Wheeler.

The new men are showing in much better form at each practice. They are slowly mastering the fine points of the start, and are getting down to the easy swing and stride which comes only with careful coaching and constant practice. Among these new men who are showing up well are Gill, Hamsen, Hibble, Boyle, Lane, and Groner.

W. W. Douglas has been doing some sprouting lately to increase his speed in the quarter and half. He ran a first-rate hundred in the trial on Monday. In the field events, Worthington is plugging away at the pole vault. W. R. Ward has been doing good work at the high and broad jump and is also showing good form in the hurdles. It has been learned with much regret that Bob Burke has withdrawn from the University on the advice of his physician. His loss will be sorely felt as he was one of the best sprinters in college. In the sprints the work of Ashby, Gill and Fike will be depended upon to win points.
KEARNS ELECTED CAPTAIN.

E. W. Kearns, left forward on the Varsity basketball team, has been elected to captain the basketball quint of next year. Kearns has played a hard and consistent game for the last two years, winning his monogram both seasons. During the first part of the last season he played right guard but on account of his accurate goal shooting, was shifted to right forward.

Gill, H. E. Jones, Bettram, Neff, Campbell, Rixey and Churchman will constitute the squad of old men back, and with these as a nucleus, Captain Kearns should lead a winning team.

Basketball Monograms

The General Athletic Association of the University of Virginia has awarded basketball monograms to the following players: Herbert E. Jones, of Oak Hill, W. Va.; William H. Barram, of Monticello, Ky.; H. Russell Codd, of Kansas City, Mo.; W. N. Neff, of Chilhowie; James J. Driver, Jr., of Beaver Dam; J. Isle Campbell, of Charlottesville; Robert J. Gill, of Seattle, Wash.; Edgar Rixey, Jr., of Charlottesville; Charles J. Churchman, of Staunton; Edward W. Kearns, of Taunton, Mass. The monogram remains a large V with a smaller N on both sides.
RANDOLPH-MACON LOSES
BY LARGE SCORE

In defeating the quartet from Randolph-Macon Saturday night by the score of 34 to 8, the Virginia five has started out to equal if not surpass the high scores made during last season. The team has settled down to working together and their fast team work swept the visitors off their feet.

During the first half Virginia had everything her own way and was enabled by quick passing to push the ball under the basket for numerous shots. Neff started the scoring for Virginia after two minutes of play by a neat toss from the side and from then on it was Virginia's game. Beville and Jordan for the visitors did some fine passing and succeeded in getting a couple of baskets, but the Virginia guards were too fast for them and prevented them from getting many tries for goal.

Substitutes Play Well.

Virginia entered an entirely new team in the second half and, though Randolph-Macon played them hard, they rolled up four goals to the Ashlanders' one. At all times the playing was a little ragged but the team is beginning to pass the ball with greater accuracy and to work together with far better results.

Captain Cecil, the star guard, was not in the line-up, as he is ill with grip and the team felt his loss very much.

The line-up:

Hedley McNeer Bowen, of Freeman, W. Va., captain of this year’s football team, eloped with Miss Mary Irvine Blanton, of Lexington, Va., on Wednesday afternoon. They were married on the same afternoon in Washington by the Rev. Wallace Radcliff at the New York Avenue Presbyterian Church.

In Listless Game, Virginia Never Found It Necessary to Expert Herself—Attendance Poor.

In a poor exhibition of basketball, witnessed by several dozen people, Virginia defeated Hampden-Sidney 33 to 5 Saturday night. Although the home team nearly equaled the score by which Washington and Lee was defeated last year, there were not the same encouraging prospects shown, and failures of the Virginia players to throw easy goals that would have swelled the score were frequent throughout the game. The explanation lies in the poor attendance given the team, and the inequality of the teams, the quest for having its ardor aroused further than the wish to maintain a safe lead over the collegians. Hampden-Sidney was tired out from her defeat of Jefferson School in the afternoon, and Captain Blanton was the only player to make points.

Improvement in Team Work.

"Pep" Linnigian put in to start the game the string of players that started things with Pennsylvania, and this five did not find it necessary to exert itself at all. Gill was the most accurate in throwing goals, but considering the fact that the ball was always at the Virginia end of the floor, the score should have been much larger, many unhampered throws going wide of their mark. An improvement in team work was seen, and Cecil cut a wide swath through the opposition when it temporarily got its hands on the ball. The first quint rolled up 28 points to 3 in the first half.

In the second half an entirely new team put up a better article of ball, Neff, Campbell, and Churchman never letting up in their work, although Hampden-Sidney was already hopelessly beaten.

VIRGINIA QUINT BADLY BEATEN

Midshipmen Claim Southern Basketball Championship—Last Of Season.

[Special Dispatch to the Baltimore Sun.]
Annapolis, Md., Feb. 18.—To make their season as even more glorious one the midshipmen basketball team smothered the University of Virginia, 50 to 10, on the armory court this afternoon.

It was the closing game of the season for the middles. They met some of the strongest teams in the East. The only one that satisfied was at the hands of the New York University, and that by the score of ten points. That was several weeks ago. The sailors have improved since then and the knowing ones believe that if these teams could come together again the middles would soon the game under their wing by a safe score.

Among the teams that fell before the best sailor boys were the University of Pennsylvania, Baltimore Medical College and Georgetown, and all by decisive scores.

Though the Navy belongs to no intercollegiate association, by virtue of government regulations, the middles are undoubtedly entitled to the Southern championship this year. Today's meet and the victory over Georgetown last week clothed this title for them.

In today's setto the middles had things all their way from the opening until the final whistle. When the first half was over the middles had rolled up the big score of 33 to 0 for Virginia, and in the second half the Midshipmen managed to score only a single point, which was the result of a goal thrown from the foul line by Gill.

Virginia presented an almost entirely new team at the opening of the second period, and the freshmen succeeded in building their opponents in check to some extent, particularly during the first few minutes, which developed a scrappy engagement, before the middles managed to get their scoring machine in working. Towards the end of the game Navy sent in a substitute team and in the five minutes of play there was only one tally, a free throw goal by McClure.

Wenzell, at 3231 forward, who is decidedly the crack of the Navy quint, but who has been somewhat of a color in the last few games, came back strong in the final appearance and chanced up to make goals and added 3 more points by as many goals from the foul line.

Douglas played his usual strong game at centre. There was just a bit of roughing at the start of hostilities, when Jones, centre of Virginia, mixed things up in lively style with Douglas, his opponent. For committing four personal fouls Jones was disqualified and Bateman took his place.

The line-up:

Virginia:
Douglas, McPherson (Captain); Jones; Wenzell, Glade, Whipple (guards); Bateman, Gill (centre); Douglas, McClure (forwards).

University of Virginia:
Jones, Wenzell, Douglas, Glade, Whipple (forwards); McPherson, Bateman (guards); Bateman (centre).
WHEN THE CHURCH CHOIR SINGS THEN THE ROBBER ROBS

First Methodist Protestant Pastor Says Police Have Been Apathetic While Houses in the Neighborhood Are Loded Almost Nightly

Operating whenever the goal of the open and the singing of the choir in the First Methodist Protestant church, Sixteenth avenue and John street, ensure him that the people are safely engaged, a robber supposed to be alien, has been looking house in the vicinity. The police have been notified, but are判处 as far as he has done nothing. The neighborhood is almost a void of committee now as a result, but still the housebreakers go on.

The robber has shown no partiality of fear, some places he has visited twice. He has seen his attack on the Rev. Dr. J. M. Gill pastor of the church. On Sunday night, July 22, he smiled Dr. Gill numerous jews valued at $150.

Detective Makes Raunds.

Among the articles taken was a valuable gold watch that the Gill had given to his son, who had just been graduated from college. The watch, Gill told the police, was swallowed by the burglar. The gentleman was snapped and turned a blind eye. The silver was wrapped up, but for some reason was not taken away. After several hours Dr. Gill complained again to the police. On July 25 a detective called at his office, and with a smile said:

"Well, we've done pretty good work, I guess. Here's the watch you gave your son.

"What, that isn't the watch," said Dr. Gill. "That watch is engraved, T. G. McGee.

"Ain't that your name?" asked the detective, in great surprise.

DAYLY LOOT
OF ROBBERS
IS GROWING

Thieves Are Having an Easy Time Tearing the Town Wide Open Without Danger of Arrest.

Daylight robbers who for weeks past have been holding houses and getting away with large quantities of jewelry and silverware without the police being able to get any clue as to their identity or where they were disposing of their loot, entered the home of J. M. Gill, 128 16th av. N., between 6:30 and 9 o'clock yesterday evening, and secured more than a thousand dollars' worth of jewelry.

No one was at home at the time of the robbery, and the thieves gained entrance to the house through a rear window. After getting inside they "tumbled" the house from cellar to garret, but took only the valuable pieces of jewelry that they found. Among the articles stolen was a solid gold, 16-jewel watch, worth $100, two lady's gold watches worth $60 each, a diamond stud worth $200, a stickpin set with a diamond and 13 pearls, worth $750, two stickpines, two medals, a pair of solid gold cuff buttons worth $50, and several other small pieces of jewelry.

And Then Some.

In addition to this robbery several other daylight thefts are reported at police headquarters this morning.

W. P. Smallin, 1512 Barrett st., reports that a solid gold ring, set with an amethyst, and other jewelry was stolen from his home while the family was away.

OUTLOOK GOOD FOR NAVAL ACADEMY MEET

[Special to The Times-Dispatch]

Charlottesville, Va., March 31.—Prospects are now bright for the track meet between Virginia and the Naval Academy on May 6 at Annapolis. The Intercollegiate and Johns Hopkins meets are assured. The former will be held on April 11 on Lambeth Field and the latter on the same track on May 11. Already entries have been received from North Carolina, Clemson, Johns Hopkins, Georgetown, Washing ton, and Lee and William and Mary for the Intercollegiate, thus insuring a larger meet than ever before for this annual affair.

The Southern Intercollegiate meet, that has been formerly held at the same time as the Intercollegiates, will this year be held on Saturday of Easter week, April 13. Entries are already coming in for this meet, but have not yet been listed.

Hard work every day is the order of the second week of outdoor track training. With the first meet little more than two weeks distant, "Pop" Lannigan realizes the necessity of pushing the men this week, and there will be no let up in the amount of hard work. It is too soon to speak definitely. A number of men are out for every event, and very few of the places are yet assured by any one man. The team promises to be a well-balanced one, indeed, individual stars will not be greatly in evidence. Among the men showing up well, in the various events are:

100-yard dash—Todd, Watters, Roddy, Thornhill, Harris, Ricketts, Hargraves, Ra rles, Eft, Kline, Stacy.

Johns Hopkins, Georgetown, Washington, and Lee and William and Mary for combats. The former will be a large meet than ever before for this annual affair.

Polo—Ward—Cochran and Silvey.

Orange and Blue Center Plays a
Brilliant Game—Use Two
Teams.

Special Dispatch to The Star.

CHARLOTTESVILLE, Va., January 16.—Virginia faced no trouble in defeating Randolph-Macon at basketball this evening, winning 55 to 12. Kicking off in a rather slow fashion, permitting its opponents to score the first point, the Virginia team struck its stride by the beginning of the second half, and had not "Pop" Lanning sent in an entire quarter the score would have been much larger. The Virginia passing was much improved, as was the work of the two forwards, Rixey and Gill, who had been slow in coming. Gill played a steady game throughout, and Rixey failed to respond when the opportunity offered.

Rixey the Star.

Rixey was the bright star of the game, as in the previous contests this season. He shot four successive goals in as many minutes in the second half, distinguishing himself with a pretty shot over his shoulder from the edge of the floor. Campbell and Churchman played their usual strong game at guards. Campbell shot five goals, which is out of the ordinary for a guard, and at the same time kept his men from scoring. Brown and Millican played well for Randolph-Macon. The former followed the ball well throughout, and with a stronger team would have shown to advantage. Their whole team passed the ball well, but were very erratic in shooting goals, trying too many long chance shots.

Virginia the best work was done by kappa Etyr, who scored in each period, and was the leader, finishing with 12 points in the second.

Virginia meets in basketball, a match which the players hope to win and which will be a fitting finale to the season.

Orange and Blue Quint Rolls Up
Fifty-Five Points, Holding

Team Plays Well.

Virginia will play Maryland Agricultural College Friday night in Fayerweather Gym.

Virginia's basketball team came back strong Saturday night and signally defeated Randolph-Macon College by the score of 35 to 12. The Aggies are reported to have a strong team and have made a good record this season. Game will begin promptly at 8 o'clock. Boxing and wrestling between the halves.

Virginia's heretofore undecated basketball team went down before the Washington and Lee quint Saturday night at the Auditorium Lynchburg by the score of 43 to 28. The game was witnessed by the largest crowd that has ever attended a basketball game in the state, over eleven hundred people being present. A large number of Washington and Lee students attended the game and enlivened the scene with their songs and yells. Virginia sent a delegation of about eighty students.

The Orange and Blue five fought desperately from start to finish but were smothered by the powerful Blue and White team. The Virginians looked like puggies beside their opponents, and were unable to make effective headway against them. The teamwork of the Lexingtonians was of the highest order, their passing and goal shooting being especially fine. Miles, the big center, proved to be the star of the game and scored seventeen points for his team. He was ably assisted by the Washington and Lee forwards, Bear McCarn, this trio scoring thirty-seven of their team's points.

Gil and Stickley did the best work on the offensive for Virginia in each man scoring four field goals. Campbell and Churchman played their usual reliable games at the guard positions and prevented many possible scores by their fine defensive playing. Campbell scored one of the feature shots of the contest in the second half on a long toss from the sideline. Lyman, who relieved Gill at right forward, played well and added a field goal and two free tosses to Virginia's total. The work of Rixey was not up to the usual standard, the tall center failing to tally from the field. He showed great accuracy in getting field goals, scoring six times in nine tries.

The first point was scored by Washington and Lee in the first minute of play on a foul goal by Miles. Rixey duplicated this a minute later, and Virginia forged to the front when Gill scored a pretty shot over his shoulder. After this the teams fought along evenly until a spurt by Washington and Lee toward the end of the first quarter gave them the lead, this period ending 22 to 18. The work of the Orange and Blue quint during the next period was not so good, ten points being scored to twenty-one for the Lexingtonians.

Toward the close of the game Lyman and Captain Burke of Washington and Lee had a slight mixup, but were separated before any damage occurred.

Methodist Protestant Pastor Declines
Two Calls, Saying He Prefers Seattle.

Rev. Dr. John M. Gill, pastor of the Methodist Protestant church on Capitol Hill, three weeks ago received a call from a prominent church in the East to become its pastor.

This week he received a telegram asking him to take the presidency of the Conference of Maryland.

Both of these offers Dr. Gill has declined, giving as among his principal reasons the fact that he is in love with Seattle and its opportunities.

GRADUATES WITH HONOR.

Robert J. Gill Receives Law Degree
From University of Virginia.

Robert J. Gill, son of Rev. J. M. Gill, pastor of the First Methodist church, Seattle, has just graduated with high honors from the law department of the University of Virginia. For the summer he is engaged as tutor on the coach farm in Maine and at the conclusion of this work will take up the practice of law in Baltimore. He is very well known in Seattle, especially in college and athletic circles.
VIRGINIA BRACED IN SECOND HALF

In First Division Penn. Rushed Matters but a New Team Caused a Standstill.

RESULT PLEASED LANNIGAN

In her first game of the season Virginia made a creditable showing against Pennsylvania last night by holding the fast Northern quiet to a score of 32 to 11. Penn. started off with a rush by scoring ten points in the first few minutes of play and although the first half closed with the points 21 to 5, Virginia had an entirely new team in during the second half and played the Red and Blue to a standstill. Virginia had only a few days of practice, while the North- erners were in fine trim from a month's work, and Trainer Lannigan was much pleased with the result. Penn. has this year debarred Princeton, who had the intercollegiate championship team last year.

The game started off mildly but when Virginia braced in the second half, each side began to rough things and good interference and interception of passes awoke the spectators to a lively struggle. Virginia lacked team work because of lack of practice, but Kearns and Rixey in the first half covered much territory, and "Bill" Neff, who was substituted for Cecil in the second half, threw two pretty goals. Pennsylvania was adept in keeping the ball in her territory, and Pearce threw several goals from difficult angles. Turner was skillful in throwing goals from foul.

The next game is with Woodberry Forest next Wednesday night.

The line-up:

W. AND L. BEATS VIRGINIA QUINT

Takes State Title by Playing Better All-Round Game—Score Is 43 to 28

Lyonsburg, Va., Feb. 8.—Virginia basketball team fell before Washington and Lee here tonight in a hard-fought game in which the State collegiate championship was settled by the Lexingtonians winning by better all-round work, 43 to 28. The game was witnessed by 1,500 persons, this being the largest crowd that has ever watched a basketball game in Virginia.

When, the tall center for Washington and Lee, outplayed Elkes, who started in the same position for Virginia, Elkes retired when half the second half was played, giving way to his back, who held Miles far better than Rixey was able to do.

The game was rough, but not as rough as might have been expected, considering the keen rivalry of the two teams.

Washington and Lee was easily the better on goal-shooting, the Virginia band being somewhat off with the exception of Biddle, who played the best game for the Orange and Blue. Still did good work in the half, but he was replaced in the second by Leman, who was very speedy.

Virginia's great handicap was the weight of the Washington and Lee guards against the small men at forwards.

Leman, of Virginia, and Burke, of Washington and Lee, became involved in a scuffle in the second half, and the former was restored to his place.
HOPKINS PLAYS TIE

Western Maryland Outweighs The Local Collegians.

SCORING DONE BY FIELD GOALS

Both Teams Play Hard Football
And Brace Up When Occasion Requires.

The annual contest between the football eleven of the Johns Hopkins University and Western Maryland College at the Homewood field yesterday afternoon resulted in a 4-4 tie, both teams being the result of goals from the field. The first was in the first period of the three quarter game when Hopkins took the football from the 25-yard line, had a gain of 8 yards, and then from the 17-yard line, had a gain of 1 yard. The second goal was on a penalty kick from the 30-yard line.

Both teams scored four times each, the first half being in favor of the home team, 2-0. The second half was played without any scoring.

The Hopkins team played hard on both ends of the field and did their best to prevent the Western Maryland team from scoring.

Rumor That There May Be No Race Not Well Founded.

By H. C. Byrd.

Second honors in basketball will not be decided in the south Atlantic section this season. The championship will undoubtedly go to the quiet representative in the Virginia University and the next place will be disputed by Washington and Lee, Catholic University and Georgetown, there being no way to settle the supremacy between these three institutions.

The Navy has won the first two games in Catholic University and St. John's, and has shown an all-round form that has surprised the work of the other teams. It is one of the strongest five teams ever represented a school in the south, and, perhaps, is the strongest. Its consistent work gives it a head start over all the others.

Rumor that there may be no race not well founded. Other Gossip.

WETZELL AND FOLEY STAR

Blue and Gray Guards Play Important Part in Victory of Locals at the Arcade.

Virginia maintained her unbroken string of victories Monday night by overwhelming the North Carolina Aggies by the score of 53 to 10. In view of the decisive defeat administered to the Carolinians by V. M. I. and Washington and Lee, a larger score was hoped for and the showing of the team was somewhat of a disappointment to its followers. The Tarheels displayed great aggressiveness at all times and excelled on defensive work. This fact, coupled with unusually poor goal shooting by the Orange Blue team, prevented a much larger score.

Virginia lost many easy chances to score through poor goal shooting, Gill alone displaying his usual efficiency in this department. The big forward played his best game of the season, being strong on defense and caging eleven baskets. Many of his shots were extremely difficult ones and were scored from all angles of the floor.

Carolyn took the lead in the first two minutes of play by scoring on a foul. Gill followed this a minute later with a pretty shot from the sidelines, putting Virginia all the time. Gill would have shot for the victory against the Hilloo guards but he was called for the foul. Nevertheless the lead held. Wiltser and Wilder, who were all score makers at the time, notched up twenty-five points for the Blue and Gray.

Hilloo are Smart Enough to Shoot

The Hilloo, however, are not as smart as the cadets in goal shooting. They easily could have scored many more goals but were not able to. The one goal made by the Hilloo was in the second half, scored by a substitute, and was the only point Hilloo tallied.

Hilloo coach in his disappointment, called in his reserve players, among whom was a very good player.

The cadets now are in a position to do anything in the basketball league and are the declared favorites to win the championship. The cadets are strong on defense and are prepared to meet any challenge that may come their way.
VIRGINIA QUINT
IN TRUE FORM

Southerners Dispose of Franklin and Marshall Five in Spirited Contest, 44 to 28.

Charlottesville, Va., Feb. 31.—Virginia's basketball team displayed excellent form in its return to court tonight, defeating Franklin and Marshall, the representatives of Pennsylvania State, 44 to 28, exactly the same margin by which Georgetown defeated the Pennsylvanians last night.

The game was the cleanest and perhaps the best seen on the Cavalier home floor this season, both teams showing fast, deadly offense. Victories of both schools can be attributed to their superior defensive play. In all other departments the two quintets battled to a dead even draw.

The spectacular playing of Hickey, Virginia's all-round forward, was mostly responsible for the Southerners' decisive victory. Within the first three minutes after start, the younger was on way to a total of 6 goals in rapid succession, which gave Virginia a lead that meant ultimate victory. Not to be outdone, Gill proceeded to get in some of his own work and the score stood 22 to 6. The half ended with the score 27 to 12 for Virginia.

The Franklin and Marshall coach went to Porterfield and H. L. Jones to stem the tide, but the fresh men availed little, and the period ended with Virginia 15 points to the good.

Hickey was easily the star of his team, at least three of his shots being from near the center of the floor. Heavily marked and often isolated, Hickey and Jones also did some spectacular playing.

VIRGINIA WON EASILY, 53-10

Charlottesville, Va., Jan. 27.—Virginia defeated A. M. of New York, charging itself with the task of two goals by the score of 10 to 8. Scoring three goals in the first five minutes, the Southern team was able to sustain the momentum and put its opponents in more than a few difficulties. The final score was 53 to 10. Hickey, Virginia's all-round forward, was the showman of the meeting, scoring 21 points while his own playing was a model of efficient form. In addition to Hickey, the other high scorers for the South were: Blythe, 13 points; Marshall, 10, and Pennock, 9. On the other side, the New Yorkers were well represented by Blaisdell, 12 points; Bixby, 10; and Milner, 8. The South's defensive line was composed of: Hickey, Marshall, Pennock, Blythe and Bixby; and the New Yorkers' line: Milner, Bixby, Blaisdell, Bixby and Milner.

Contest Is Fastest and Roughest Ever Played on Home Team's Floor.

[Special to The Times-Dispatch.]
Durham, N.C., February 17.—In the fastest game basketball has ever been seen on the home floor, Trinity was to-night defeated by the University of Virginia by the close score of 11 to 14. From the first tip, the Methodists surprised their Virginian hosts at the end of the first half, the score standing 11 to 0 in favor of the latter team, but by a combination of shooting, passing, and driving, the Virginians made the score 14 to 11, leading the final score 14 to 12, victory going to the winning team.

MANAGER DULANEY PRESENTS SCHEDULE.

[Continued from page 1]

A. Christian and Meredith; the Blues, Kearns, Jones, Campbell, Rixey and Gill. They were evenly matched and the game was hard fought. Goal shooting and teamwork, however, were rare, there being a strong tendency for every man to play the whole game. The fine points are worth more than weight, and the material must be developed along this line, if a list of victories is to follow through the schedule. Spratt, as usual, played well at forward, and it looks as if he will hold his old position.

Accurate Shooting Needed.

Goal shooters seem to be much in demand, the men now on hand being rather more heavy than quick and accurate in putting the ball through the net. Ex-Captain Ashby has not yet put in his appearance, but his presence will remedy this difficulty greatly.

To sum up the prospects, it seems certain that the basketball team will this year be heavy and well proportioned. Whether it will develop skill and knowledge of the game is a question that will be answered later.

Schedule Nearly Completed.

Manager Dulaney has nearly completed the schedule, and though some of the arrangements are still uncertain, owing to the difficulty of securing proper guarantees, he has done exceedingly well, and the Northen trip, to be taken after the home games have been played, is the best possible, considering the jumps to be made from day to day.

Penn. Game Arranged.

The star-at-home attraction will be University of Pennsylvania, which comes here on January 6th. Another good game will be Emory and Henry, which is strong in basketball, for a small college.

Old students will remember the overwhelming of Washington and Lee last year, and will look forward to the game here on January 26th.

On February 6th Georgetown will battle with the varsity and they will put up their customary scrap. The following is the schedule as arranged by Manager Dulaney, and while it is still uncertain and subject to possible changes, it will give a good idea of what can be looked forward to in this branch of winter sports:

**At Home.**

December 12—Jefferson School.
January 4—University of Pennsylvania.
January 11—Woodberry Forest.
January 14—Hampden-Sidney (Uncert.).
January 21—Randolph-Macon (Uncert.).
January 25—Emory and Henry.
February 4—Georgetown.

**Abroad.**

February 10—Washington and Lee at Lexington.
February 11—Virginia Military Institute at Lexington.
February 17—Georgetown at Washington.
February 18—Navy at Annapolis.
February 20—Maryland Agricultural College or Mt. St. Mary's.
February 21—Delaware College at Newark.
February 22—Pennsylvania Military College at Chester Pa.
February 23—Swarthmore (probably).

Orange and Blue Quint Leads All the Way and Holds College Team Safe—Rixey Plays in Great Form.

Virginia will play Randolph-Macon College tonight in Fayerweather Gymnasium Game and will begin promptly at 8 o'clock.

In a fast and interesting game of basketball in Fayerweather Gymnasium last night, Virginia downed Hampden-Sidney by the score of 35 to 4. During the first half, the Orange and Blue quint swept their opponents off their feet and scored almost at will, ringing up 27 points to Hampden-Sidney's one. Rixey, at center, showed up especially well and proved a tower of strength both on offense and defense. He did great work in breaking up the collegians' plays and in addition scored twelve points on goals from the field, making his shots being difficult. Hampden-Sidney appeared to be lamentably weak in passing and goal shooting and was unable to get the ball within striking distance of the Virginia goal. Their only score during this period came on a goal from foul by McClung.

The work of the Orange and Blue guards, Campbell and Churchman, was of the highest order and these men give promise of being the best pair of defensive players developed at the University in years. Hampden-Sidney was unable to break down their defense and get within shooting distance of the Virginia basket, play being almost entirely in the Colonials' territory. In addition to his defensive work, Campbell scored two field goals.

Soon after the opening of the second half Pop Lamming withdrew the regulars and put the second team on the floor. The substitutes failed to hold the pace set by the Varsity and scored only two goals, Hampden-Sidney making their remaining points on a field goal and goal from foul by Corke.

Gill and Stickley started at the forwards and both men played their positions well, Gill scoring nine points and Stickley six. For the visitors Corke and McClung played well.

FAST QUINTET IS CERTAIN

Many New Men Strengthen Last Year’s Squad, Which Remains Intact—Lively Scrimmages.

With football now but a memory, the student body will naturally look to the indoor sports as a source of recreation for the coming winter months. Each year has seen the University teams in basketball growing stronger and stronger until the G. A. A. has decided that this sport is to be recognized as an important factor in the upholding of Virginia’s excellent record for athletic as well as scholastic ability.

Fast Quintet Promised.

For the past few weeks Coach Lannigan has been devoting his spare time to the preliminary work of the basketball men and he predicts that the team of this year will be a crack one.

Kearns, who did some stellar work last season at guard, is out again and he is doing even better than last year. Andy Christian is showing up well and the new men attracting attention are Gill from Alabama, and Beta, who was the star of the Hampton Y. M. C. A.

Monday’s Practice.

The basketball practice Monday afternoon brought out only fifteen candidates although Trainer Lannigan has the names of thirty-six more who intend to try for the team. This is probably the result of the Thanksgiving holiday, and a larger number will be on the floor within the next few days.

Football men as a rule have not yet put in their appearance and the addition from this source will make the squad look better. Among these men are Cecil of last year’s team, Dulaney, and Driver. The last named comes with quite a reputation, having captained the William and Mary quint last year. During the football season he showed enough headwork and speed to assure his being an asset to the basketball team. Cecil last year played an excellent game and was the main star of the team. His additional experience will make him very valuable.

Two teams of Varsity caliber were lined up against each other for a twenty-minute term Monday. The Whites were Spratt, Keating, Towles,

Orange and Blue Quint Lose in the Last Few Minutes of Play.

Ten points separated the Catholic University and Virginia basket-ball teams last night when the whistle announcing the close of the best basket-ball game that has been witnessed on any of the local courts this season-for a matter of fact the best that has been seen for many years. Fueled to the extreme by frenzied rooters, a more fitting contest could not have been found than that presented at the National Guard gymnasium last night. While not the closest played game that may have been witnessed on local courts, the teams made up for this respect in the matter of speed and excitement. Spectacular shots for the basket from almost impossible positions and the closeness of the game kept the spectators on their feet throughout the contest. The final score was 41 to 31 and only in the last few minutes of play did the Red and Black team forge to the front with a lead of over three points. 

Catholic won for the Brooklanders. Although "Pop" Lamie injected fresh men in the game, the Virginia team could not stop the boys from Brookland. Horan and Gill were the men in the limelight, the former caging the ball eight times from the floor, while the latter led his team in the scoring department of the game, making three goals from the floor and sending the ball through the basket five times from the foul line.

Gill, of Virginia, was the first to start the ball rolling, caging one from the side lines soon after the start of the game. Not until the Orange and Blue team had a total of seven points did the Brooklanders register a point. McDonnell scoring on an easy shot. After that it was a matter of time as to which would be leading when the first half closed. The second half proved the Waterloo for the Virginia quiet, Catholic University going after the boys wearing the Orange and Blue with hammer and tong, overloading and passing them in the last few minutes of play. Teamwork played a brilliant part in last night's contest, both quints showing that they were very adept in the passing game. Line-up and summary:

University of North Carolina was unable to stand before the Orange and Blue basketball team Monday night and lost to Captain Churchman's men by the score of 30 to 19. The game was played in Raleigh, N.C., and was witnessed by a crowd of over eight hundred people, including many students from Chapel Hill. Virginia went into the game minus the services of Campbell, whose work has been a feature of all the season's contests, his place at right guard being taken by Lyman. Pop Lamigan was also unable to accompany the team, as he could not leave the track squad, the absence of player and coach making Virginia's victory all the more notable.

Carolina made a fine showing during the first half, this period being closely contested. Carolina scored first on a foul goal but the Orange and Blue soon toppled the lead and held it nearly to the end of the first period, when a brief rally put the teams on even terms. The first half ended 13 to 13. Virginia came back strong after the intermission and goals by Rixey, Gill and Stickley put the quint in the lead, Gill aiding materially with six foul tosses.

The team work of the Orange and Blue was greatly superior to that of the Carolinians and only the good work of the Tarheel guards prevented a much larger score. Tillett, last year's football captain, played well at forward, as did Long. Toward the end of the game Redmond was disqualified for slugging Gill, his place at right guard being taken by Homewood.

Virginia will not play another game on the home floor until Feb. 21, when the team meets Franklin and Marshall College. St. John's will end the season here on March 8. The men will leave Friday on the northern trip, playing Catholic University, Georgetown, George Washington and St. John's. Three of the games will be played in Washington and the fourth at Annapolis.

Indoor track has taken its usual prominent place in Virginia's winter athletics. So far Virginia has captured two meets and has one more to try for. In the George Washington meet at Washington, D. C., Virginia led by a large margin and at Richmond she won out by one point. The third meet is with Georgetown University at Washington. Spring baseball practice has started under the captaincy of T. C. Carter. The outlook for a winning team is most promising. McMorries is shoveling a place for himself in the outfield by his fast work. The Washington nationals arrive here March 3d for a work-out. They will play the local team a series of games.

So far the organizations that have announced their spring goals have honored the following brothers: T. I. L. K. A. (Tilks), T. C. Carter and E. McMorries; P. E. Society, E. McMorries, R. J. Cadets’ Close Guarding Keeps Down Score.

Virginia Military Institute went down before the fast-going Orange and Blue quint Thursday night in Fayerweather Gym, by the score of 39 to 15, this making six straight victories for the Virginia team. The Cadets presented a fast, well-balanced quint, and fought desperately to overcome the early lead taken by the Virginians, but were held to five field goals and five goals from foul, while Captain Churchman’s men scored twenty points in the first half and nineteen in the second.

The work of Stickley at left forward was distinctly the feature of the game. The speedy little forward played all over the floor and did great work on defense. In addition he proved to be Virginia’s most consistent scorer and added the ball for seven field goals in addition to a free toss. Stickley was ably assisted by Gill and Rixey, the former scoring four goals from the field and twice on foul shots, while Rixey added eight points. Lyman relieved Gill toward the end of the game and made a fine showing, being strong on defense and scoring three times from the field.

V. M. I. appeared to be especially strong on defense and by close guarding gave few opportunities to score. They advanced the ball well but were unable to break through the almost impenetrable defense put up by Campbell and Churchman. Leech, at left forward, played the best game for the Cadets, guarding well and scoring two goals. Stroud, who relieved Hardaway at center, also played well and added to V. M. I’s score with two pretty shots, while Ewing featured with five successive foul goals.

[SPECIAL DISPATCH TO THE BaltimorE Sun]

Westminster, Md., Sept. 16.—With the arrival of the squad from the training camp at Batterson Monday hard practice will begin on college gold. In preparation for the opening of the Western Maryland Football season Saturday. Besides the members of the training squad a large number of candidates are expected to report in Westminster on that date; and the fight for positions on the team will begin in earnest.

The following men will arrive from Boston: Captain Sprague, Zweig, Leary, Grace, Taylor, Pages, Telander, Hughes, Adams, Duke, Blackney, Milligan, and Murray.

All these men are in first-class condition, and the daily bath in the Chesaapeake has hardened them into almost mid-season form. Several players were on hand to assist in the coaching, among whom were G. H. E. captain of the 1902 team, and Wiler, also of 1900.

During the preliminary practice special attention was paid to the development of the forward men, in which Western Maryland excelled last season. The official rule book contained a list of all the men who were to play in the game with the Johns Hopkins in the final. No polish are to be spared to the squad in the preparation for the season. A fresh start from the commencement and of that all the year in that respect. The incoming football material has thus far been very encouraging. In Taylor, a new man from heating in, the Western Maryland coaches believe they have a half-back of considerable promise. Taylor has had several years' experience in preparatory school and handles himself both on offense and defense in a manner which seems to prove him a fitting running mate for Hirdall, the star halfback of the past three years.

The latter was unable to get to the camp, but is expected to report in Western Maryland Monday. Other promising candidates are Blackney, a substitute on last year's eleven; Howard, a senior from Batterson's eleven; and Blair, another line man from Hagerstown High School.

It was expected that Captain Sprague might have to play quarterback during the season, but the star showing made by Hirdall in the annual game and last year's end-quarter at the commencement forced the selection. Taylor may be expected to be at fullback, the position left for his old position at end.

The season starts this year with a pacesetter game at home with Frederick Y. M. C. A. All the new plays will be tried out in this game and all logical candidates will be given a thorough workout. On the following Saturday the season begins in earnest with the annual Lehigh game, and after the game the schedule will run from there on the hardest and best schedule ever from the teams on the hardest and best schedule ever. The game will be played by the smaller Maryland team, and after a number of games the season will come with true content with Johns Hopkins University Thanksgiving Day.

This game will be played at Homewood, and it is expected to be one of the largest crowds which has always attended a game between the institutions.
Catholic defeated Virginia 41 to 32 in what was easily the best game ever played by a Virginia team. "Gill" played a phenomenal game as did "Lyman" also at guard, but missed Campbell badly—

Kendall Green Team No Match for Charlottesville Collegians, Who Win by 40 to 12.

Charlottesville, Va., Jan. 11—Outplaying their opponents at every stage of the game, Virginia’s basketball five swamped Gallaudet in the Pavyweather gymnasium tonight, before a well-attended score of 40 to 12. Gallaudet came to town with the advantage of having played several games, and credited with a victory over Loyola College, the conquerors of Georgetown, while the locals were taking part in their first collegiate match game of the season. Virginia, however, showed marked superiority right from the opening, and it was not long before the ladies began to come with remarkable frequency.

Gallaudet resorted to defensive style of play, and showed some proficiency in blocking the ball, but their attack was rather weak. Short, messy passing enabled them to gain possession of the ball at intervals, but this did not avail anything in account of the stiff guarding of Churchman and Campbell.

Virginia Players Pass Well.

The long passing executed by the Orange and Blue players was a noteworthy feature, and the ability of the giants, Hixey and Malden, to intercept the ball on the side and pass it to the visitors, impaired the few chances which they had to get the sphere sufficiently near the basket to register an occasional two points. Malden, the front-court star, missed several long shots, but proved himself an adept in making close rushes. He exhibited judgment and coolness at all times. He has clinched his place on the team, and bids fair to be one of the most powerful players seen here for some time. He was succeeded in the second period by Gill, who tossed in a total of five goals, using his teammate, Walton, as a powerful assistant.

Campbell gave a precocious indication of able playing. The failure of the Gallaudet players to register a single field goal in the first period was due to the fact that they seemed to prefer to take long shots at the basket. In the second half, litigation was not in condition, covered much territory, shooting a difficult goal near the middle of the period. He finally gave way to Hixey. Hixey was hardly applauded when he tossed a goal from near mid-court. He and Durland were a shade the better players, though Clasen was in the number of small massed. After Virginia had run up 34 points Coach Lanman took a bench of second-string men, who did well, especially Todd and Christian.

The bout attracted the spectators who witnessed a wrestling match, catch-a-catch-um, between Hixey, a track star, and Jones, a Washington boy. The bout resulted in a draw, each securing a fall. Line-up:

**GAMES TUESDAY**

Let me, on passing, refer once more to the accidental use of chairs and benches instead of sitting on one's legs.

The Japanese had been accustomed to sit, whether on a veranda in the open air or in their houses and other out-door places, but the word "suwa" was applied only to the sitting in a la loge. In the convivial quarters that I visited, and in my mind's eye I have made a composite picture of the whole nation in that way of resting, and the most interesting one of them. I imagined, and so it was, that the Japanese were sitting on the floor, facing the wall, and on some sort of a cushion or pillow.

Georgetown stands an excellent chance to win the point trophy in the Johns Hopkins University-Big Ten meet tonight. In fact, if a prediction were to be made, it might be safely ventured that the Blue and Gray has a better opportunity to finish first than any other institution, and if it does not do so, it will be the occasion of much surprise. There is only one factor that may stand in the way of Georgetown winning, and that is that the men on whom it depends for the greater number of its points may be handicapped so heavily that it will be impossible for them to finish in front. If only fair handicap are given the men who are not in a class with the Blue and Gray stars, there is hardly any doubt that several of them will win in their events.

In the 180-yard dash Georgetown has an aggregation that is more capable than any that has ever been placed by any one institution in this meet by a southern school. The Blue and Gray eligibles in the race are an equal to any performance that it would not be at all surprising to have them win, and they may be counted on to win, and it is safe to predict that one of them will get away with the victory.

Johnny Gallacher, if he is not handcuffed too heavily, will probably win the half, but will have to run his customary fast to win. At the same time, he will start from scratch with one of the fastest mile runners in the world, who has a record of 1 minute 32 seconds on an indoor track.

Ebell should, at least, not place in the hurdle events, and he may figure in the dashes also. The Blue and Gray should also score heavily in the field events, as Weidemann and Low are both very capable performance to the pole vault and high jump, respectively.

Georgetown will not run its first collision in the race against Richmond College. The men who compose the first floor will be sent in to run the dash in about a yard in front of the pole vault and high jump, and the second quartet will be fitted for the Richmond College. The second quartet will be fitted for St. John's, and the third quartet for Georgetown. It being certain that Mahoney, Davis, Thornall and Chapman will be used.

If Georgetown men have anywhere a chance to win, there will be a certainty that the Blue and Gray will not win with them under any circumstances.

**WASHTON STAR**

**REVIEW OF VIRGINIA BASKETBALL SEASON**

**All-South Atlantic**

Gill, Virginia, right forward, Horan, Catholic, left forward, Campbell, Georgetown, center, Campbell, Virginia, right guard, Wetzel, Georgetown, left guard.

In a recent issue of the Washington Star, the above line is presented as the best in the South-Atlantic division. Virginia is given two men, Gill at right forward and Campbell at right guard. The remainder of the team is selected from De Paul, Saint John's and Catholic University. In speaking of the Washington and Lee team, the Star critic declared that, although Gill is one of the best centers in the South, his effectiveness is materially decreased by his rough work, this coating his team many penalties. Bear, the big Washington and Lee forward, was also said to rank among the best but was considered too slow to be given a place.

**Virginia's Record.**

In spite of the fact that the most important game played by the Orange and Blue team, that with Washington and Lee, was lost, the season can justly be considered a most successful one. A total of fifteen games were played, eleven being returned as victories and four as defeats. All four contests lost were played on foreign floors, the defeats by St. John's and Georgetown occurring after the men were worn out from hard battles on previous days.

While Washington and Lee is clearly entitled to the championship of the South-Atlantic Division, Virginia deserves next ranking together with Georgetown, Catholic and Saint John's. The Blue and Gray team was beaten in the game played at the University, but it is extremely probable that the other teams would have shared likewise had return games been scheduled here.

**Individual Records.**

During the season, Virginia exactly doubled the scores made by her opponents, getting 360 points to 184 for her adversaries. Gill led the team in field goals, having 78 to his credit. He was closely followed by Stickley with 68. Rixey was third with 40, while Lyman topped Campbell 17 to 12. Captain Churchman scored six times. The greatest number of baskets tossed in one game during the season was made by Stickley, the speedy little Gill forward scoring nine times. Gill certainly qualified this record in the game with A. and M., when he shot eleven baskets. Gill also takes the third place with nine goals against Catholic University.

The floor record for Fairwether Gymnasium was placed several nightie contests.
Easily Bests George Washington, Taking Early Lead and Never Being in Danger.

Virginia's basketball team had little trouble in defeating George Washington last night at the Arena, with the score of 39 to 14, in a contest that was more too fast or interesting.

Going into the lead almost at the first jump off, Virginia kept gradually drawing away to the finish, and was never forced to extend itself to gain the first victory it has scored in a trip that included four games.

In all departments of the sport the visitors executed. and until enjoying a safe margin of points they showed an aggressiveness that would have made their total much larger had they felt disposed to keep up the pace.

Virginia's Passing Is Good.

Virginia's passing in particular was brilliant. Lyons and Churchman, working the ball down the floor, then shooting it to Stickley, who in turn would feed to Gill for the basket toss. This gave the latter many opportunities to score, and he made good on most of his tries, leading in the scoring for the night.

Now and then the George Washington players would take a spurt, but Virginia would let up, as the case might be, but at no time did they show anything that could be called out of the ordinary.

Virginia placed six points to its credit before the locals got under way. Then Rahn made the only goal from the floor that was registered by the Hachettes. The first half ended, 14 to 4, all of the other points of the Capitalites coming from free throws, the invaders also profiting in this line.

Both Teams Offend Often.

The second half was practically a repetition of the opening period, although somewhat slower, if anything. Virginia had a safe lead to work on, and the home baske tryers played like they knew they didn't have a chance.

There was a wholesale infringement of the rules, the Hachettes offending more frequently than the Virginians. Gill of the visitors, tossed twelve out of fifteen attempts from the foul line, while Noonan got a half dozen out of about double this number of chances.

The shooting by Gill, the defensive work of Lyons, and the clean handling of the ball by the entire Virginia outfit were the pleasing features of the game. Noonan and Rahn did the bulk of work for the natives. The line-up:

Virginia: Lyons, Gill, Churchman, Stickley, Noone.

had a good team and had she not played under intercollegiate rules, to which she was accustomed, the score might have been different. Virginia was weak on easy baskets, and missed any number of easy shots. Both sides played a hard, rough game. Rixey suffered an injury to his nose. The treatment at the hands of Wake Forest was the best that any one could wish, as everything was done that could make the stay enjoyable. A reception was given after the game, at which the fair ones of the Carolina college were present in numbers.

From Wake Forest the team went to Durham, and beat Trinity, the strongest quint in Carolina, by the score of 24 to 18. The collegians surprised Virginia by their accuracy in shooting goals, and at the end of the first half the score was 13 to 6 in favor of Trinity. This first half was furiously fought and at the end both sides were pretty well exhausted. Kearns was slightly hurt in the Wake Forest game and did not start against Trinity, but, in the second half, he and Gill were substitutes for Churchman and Driver. Good dribbling by Jones, Cecil, and Bertram turned the tide in the second half, and in the last ten minutes, Virginia took a comfortable lead that was steadily maintained. Driver was injured in this half, and the team left for Chapel Hill in a rather crippled condition.

"Pop" Lannigan said yesterday that he was pleasantly surprised at the showing of the Virginia team in spite of difficulties, and that if the men were not badly hurt, they would win the next two games with ease. After the Carolina game last night, Guilford is on the schedule tonight, after which the last basketball trip is over.

The line-up was:

Wake Forest—Holding center; Dowd and Bean, left guard; Utley, right guard; R. Holding, left forward; H. Bean, right forward.

Virginia—Bertram, center; Neff, left guard; Cecil, right guard; Rixey, left forward; Kearns, right forward.

In the Trinity game, the line-up was as follows:

Trinity—Moore, right forward; Jones, left forward; Kiker, center; Brian,

GRINGOIRE

Part I

Synopsis:—Louis XI., King of France, is visiting his old friend, Simon, a wealthy draper of Paris. The King informs Simon of his intention to make him ambassador, but the latter replies that his daughter must be married before he can accept the post. They are discussing the chances of the marriage when a voice in the street calls their attention to Gringoire, a poor but gifted poet of the people.

Gringoire is brought before the King, and not knowing in whose presence he stands, recites a treasonable ballad entitled “The Rhyme of the Rope.” He is cunningly led into this by Oliver, the King’s lieutenant, who hates Gringoire. The King at first forgives Gringoire but later becomes angry, on hearing of treason in his army, and commands Gringoire to win the love of Jeanette, Simon’s daughter, in an hour on pain of death. Gringoire succeeds in doing this and is forgiven by the King, who then gains the consent of Simon to the marriage of his daughter and the poet.

DEATH ANNIVERSARY OF SYSTEMS' VICTIM

The first victim of the police system's, which has grown up in New York city, was James McAllister, a policeman, who brought death on himself by precipitating a police garret. Eleven years ago today McAllister, who was sober and uncorrupted, left his home to visit a sick friend. The following morning he was found horribly beaten, in a grave, and died in a hospital soon afterward. His shaming aroused almost as much excitement as the murder of Herman Rosenthal to the agents of Becker.

A short time before his death, McAllister had been the principal witness against E. C. Glensha, a leader in the police graft system, and his testimony resulted in Glennson's conviction. Thus he was marked.

The police records show that McAllister had been arrested on a charge of drunkenness on February 13, 1895. This charge near the city in which McAllister had been thrown off to having been a sound of blows, groans, and cries. Newspapers declared the unfortunate had been beaten almost to death in his cell and thrown into the street to die. The lessees of McAllister were never punished.

"About three times a week somebody tries to drag me out of bed for a license, but I have not yet failed.

Incidentally, the marriage license business was rather poor until today; only one license having been issued.

G. W. Quint Falls Before Virginia

Charlottesville Five Takes the
Fourth Game of its Disastrous Trip North.

After three successive defeats on its present trip, Virginia’s basketball quintet was last night from George Washington, 19 to 14. The Hoosiers really were the weakest contenders which the Charlies have met for some weeks. Had Virginia shown the same tenacity and aggressiveness which characterized her play last night then it seems only probable that her present invasion would have been more successful.

Virginia, off to a quick start, assumed the lead and never relinquished it, making the difference in its favor as the play progressed. In every department of the game, Virginia was superior, but the final score was the only indication of her superiority. Only toward the end of the game, however, did the score reflect the true measure of the teams. Of all the good work done by the attack and defense, the taking stood out as the most brilliant part of the play.

There were other bright features about the game. Lerman, Churchman, Gill and others formed a combination with such perfected team work as completely baffled the George Washington defense. Gill was particularly accurate in shooting baskets from the floor and from the free throw line. He caged twelve out of the possible fifteen

HAYES STARTS TO GRILL MRS. SNYDER

Says She Took Dinner With Doctor Kieffer At Towson On Two Occasions.

REFER TO DEERING GIRLS

Asserts Husband Left Her With Doctor While He Went To Play Tennis At Carroll Park.

The direct examination of Mrs. Ada L. Snyder was concluded and her cross-examination began today in the trial before Judge Dobler, in the Circuit Court, of the cross-suits of her and her husband, the Rev. J. Edward Snyder, each of whom asks an absolute divorce on statutory grounds.

The conclusion of her direct testimony was rambling, being directed to supplying omissions in what she had said during the four days she has been on the witness stand.

She said that her husband often left her and Dr. Kieffer at the parsonage while he went home with the Deering girls. She denied that she ever said that she did not care for public opinion.

What had been misconstrued into that statement, she said, was her remark that many couples who were unhappily married continued to live together because of public opinion.

Thus the Rev. Mr. Snyder was very untruthful was another declaration of his wife. She believed little of what he said out of his mouth, she said.

Had Dinner At Towson.

Mrs. Snyder admitted that she took dinner twice with Dr. Kieffer in the public dining room of the Sundeleaf House at Towson. Her husband was at both times, she said. Once her husband accompanied her and the Doctor to Carroll Park, where he stopped to play tennis with the Deering girls.

Mrs. Snyder also said that she had seen her husband cry and sob as he did in court. They were the occasions when he made confessions and went on his knees in asking Dr. Kieffer to stay away from their home at Ellicott City.

That the Rev. Mr. Snyder was very untruthful was another declaration of his wife. She believed little of what he said out of his mouth, she said.

Snyder to End Testimony

Minister's Side of Divorce Hearing May Close Today.

It is expected that the testimony for the Rev. J. Edward Snyder will be concluded today in the trial of the suits of him and his wife, Ada L. Snyder, each of whom asks an absolute divorce on statutory grounds. After having been suspended since Friday, the trial will be resumed on Monday before Judge Dobler, in the Circuit Court, in chambers.

Miss Anna May Carter, Miss Grace Deering and Miss Helen Dif- fendorf, and were called as witnesses by the clergymen as to his wife's relations with Dr. George S. M. Kieffer. They were Miss Anna May Carter, Miss Grace Deering and Miss Helen Diffendorf, and were called in the order named by Thomas G. Hayes and Robert J. Gill, attorneys for Mrs. Snyder.

Saw Their Faces Come Together.

Miss Carter said she was sitting on the porch in front of the house of Mr. Snyder at Morrell Park one evening in the spring of 1915 watching girls dancing on the sidewalk, when her attention was attracted by the shadows of two persons on the curtain of the front door. The door was half glass, when the persons came out the witness recognized them as Dr. Kieffer and Mrs. Snyder. The witness said she saw the Doctor slip his arm around Mrs. Snyder, she put her head on his shoulder and their faces came together.

A vigorous cross-examination by Attorney Thomas J. Lindsay, of counsel for Mrs. Snyder, did not shake the witness' story.

Letters From Dr. Kieffer.

Miss Deering testified that she went to Atlantic City with Mrs. Snyder for a few days in July, 1912. She saw Mr. Snyder while there, wrote letters to Dr. Kieffer, and she saw Mrs. Snyder receive letters, which she said were from the Doctor.
SAYS PASTOR SEEKS MONEY FROM DOCTOR

Lawyer Asserts Rev. J. E. Snyder Would "Shake Down" Dr. Kieffer.

Demonstrating Rev. J. Edward Snyder, the Methodist Episcopal minister of Ellicott City, as promoting his divorce suit against his wife with the desire of extorting money from Dr. George S. M. Kieffer, when the clergyman named as respondent, Attorney James J. Lindsey, for the defense, argued on the testimony in the case before Judge Dobler in the Circuit Court today.

Mr. Lindsey referred to the testimony of Rev. Mr. Snyder, where the latter said he was anxious to get a photograph of the physician and his wife together and also to the statement that the minister had caused his lawyer to write a letter to Dr. Kieffer threatening him for alienating the affection of Mrs. Snyder, said Mr. Lindsey said that Rev. Mr. Snyder's main thought was to "shake down" Dr. Kieffer and get his money.

Mr. Lindsey also spoke on the activities of William Harrison, a trustee of Morrell Park Church, and referred to him as the "general" who collected evidence. He also said the plaintiff must have been desperately in need of evidence if, as was shown in the testimony, a roll book was stolen from the church to be later used in the trial, when the book could have been obtained through other means.

There was a ripple of excitement among the spectators when Rev. Joseph C. Sinclair, who went to the parishioneers to watch Mr. Snyder walk over to Attorney Eugene J. Crummett, named as respondent, Attorney James J. Lindsey, for the defense, argued on the testimony in the case before Judge Dobler in the Circuit Court today.

Mr. Snyder stood his ground and then present looked for a physical shock, but at this point the passage out of the room, as it was after the recess had been declared, and there was no further trouble.

Mr. Snyder had objected to the witness standing in front of him, whom he claimed was "a liar," and the minister had raised the issue on his own.

Rev. Joseph C. Sinclair, we were told, had been Dr. Kieffer's automobile standing in front of the church on the north side. Dr. William E. Buswell, of Ellicott City, said he had seen the pastor in front of the church on many occasions. Mr. Sinclair said he did not believe in cruelty to anyone.

Mr. Snyder had been then riding in a buggy.

MINISTER VIEWED WIFE THROUGH PEEPHOLE
Rev. J. Edward Snyder Says He Saw Her Sitting On Dr. George S. M. Kieffer's Lap.

HE WEBS AS HE TESTIFIES

Wife Names Mrs. Lillian M. Koons, Of Union Bridge, As A Woman With Whom He Had Been Intimate And Aims To Heal The Case Is Disappointed.

With more forceful and action than might have been expected from one of his position, the Rev. J. Edward Snyder, a Methodist Episcopal clergyman, began his testimony yesterday in the Circuit Court in his suit for a divorce of his wife, Mrs. Ada L. Snyder, each of whom has applied in the Circuit Court for an absolute divorce from the other on statutory grounds. These details were added during the cross-examination of Mr. Snyder, which lasted all day without being concluded and it is probable that Mr. Snyder will be on the witness stand all today.

Although histrionically weeping and sobbing while giving his direct testimony, Mr. Snyder was cool and collected under the prodding and grilling on cross-examination of Attorney James J. Lindsay, counsel for Mr. Snyder. Much of his testimony relates to the alleged intimacy of his wife, Mrs. George S. M. Kieffer.

HAD NO RIGHT TO REFUSE

Notwithstanding what he knew of Dr. Kieffer, the witness continued to serve him here Thursday. Promised to explain why he should do so to a man so unworthy, succeed, his testimony, Mr. Snyder said he had no right to refuse Dr. Kieffer when the latter came forward.

There was a Valentine party at his house in Morrell Park in 1913, Mr. Snyder said, and Dr. Kieffer was there, having been invited by Mrs. Snyder. At her suggestion, Mr. Snyder said, he escorted some ladies home, while Dr. Kieffer remained at his house with Mrs. Snyder.

What he saw of the conduct of his wife and Dr. Kieffer, the witness explained, prompted him to search for letters from the Doctor, and he found the love verses in the Doctor's handwriting, which were offered in evidence Tuesday.

He discovered an intimacy between his wife and Dr. Kieffer, the witness said, he kept striking the blow himself. He told nobody who had discovered the letter, nor had Mrs. Snyder.

Told Him She Loved The Doctor

Mr. Snyder said he told his wife that if she would give up the ministry, dearly as he loved it, he would give her more fullness of impression on her, so she said called him to her room and said to him: "Mr. Hoppin, I pray you to come to me one day, saying when he got home that all I was to call him by, she had loved the Doctor better than any other man. She then gave him the letter."

When he moved to Ellicott City, Mr. Snyder went on, Dr. Kieffer was at his house. Once he caught his wife and the Doctor together, but he asked that the Doctor took supper at his house the following evening.

Mr. Snyder said she had not finished his direct testimony when court adjourned, and the view of the charges made against his wife, he is expected the examination will be especially vigorous.

DIARY IN DIVORCE CASE

Little Book Tells Of Gay Parties
And Men Who Attend

A little red diary filed with a chronology of notes by "parties and the impresarios of the men, as well as of the gay parties," was proved in the case of woman against man, figuratively and literally, by the defendant. The diaries were kept by Mrs. Grace D. Egan, now Mrs. John O'Neill, who was a member of the chorus, which went on to make the Circuit Court No. 42, 14th and 23rd streets, on February 3rd.

The defendant in the case, Thomas, who was alleged to have had an affair with the woman, was found guilty of an assault and battery.

The woman who was in court,

The defendant's counsel, counsel for the plaintiff.

The case was tried by attorneys Barber, Roll and Gill for the plaintiff, and William and Williams for the defendants.

TAXICAB RUNS AWAY

And Driver William O. France Has To Pay Fine For Leaving Car Unattended.

Because he left his taxicab unattended, with the engine running, the consequences that the vehicle made a wild dash down Cathedral hill, from Mulberry street to Saratoga, William O. France, a driver in the employ of the Auto Service Company, was fined $23.60 by Justice Golden in the Central Police Court this morning. According to the statements of witnesses of the cab's dash, it was a wonder that no one was injured. As it was, the driverless car turned its course to the pavement at the Slott entrance to the Odd Fellow's Temple, Cathedral and Saratoga streets. One front wheel touched the curb, and with a bounce the vehicle dashed across the pavement and fairly into the side door of the Temple. The front of the motor vehicle was smashed, but the building was not damaged. France admitted that he had taken passengers to the Wentworth Apartments, but had left the engine running and the car unattended while he went to a telephone and made a call.

FOUR IN TRAP FOR SPEEDERS

Pined For Exceeding The Limit

Four of the motor cars were fined last night by Justice William S. Holman, presiding officer, for speeding through the village on Sunday, the charges having been made by W. G. Roppelt, of the motor vehicle force, who is the successor of a trap he established in the half-mile stretch between Southwood and Wynnewood avenues. These fines were:

Robert Gill, who has an office in the Keystone Building, $10 and costs.
Stanley Parker, who was driving a car belonging to the Reed Motor Car Company, $5 and costs.
Robert L. Warrick, 213 West Madison street, 83 and costs.
John Scott, colored, driver for Miss A. M. Hall, of Coonmere, $5 and costs.
Roppelt testified that they were going at a rate of from 20 to 25 miles an hour, while the speed limit at that point is 15 miles.

Mr. Robert J. Gill, a son of Rev. J. M. Gill, has settled in Baltimore and begun the practice of law. The following complimentary letter will be read with interest by all his friends:

It gives me pleasure to introduce to my brethren of the bar, and especially to the alumni of the Law School of the University of Virginia, the bearer of this letter, Mr. Robert J. Gill, of Baltimore.

Mr. Gill was for three years a student of the Law School of the University of Virginia and was graduated with the degree of Bachelor of Laws in June, 1913. His work as a student was of the highest order, indicating a marked aptitude for faithful and intelligent application and unusual powers of comprehending legal principles.

Mr. Gill is a young gentleman of the highest character and ideals, and of most agreeable personality. His capacity for work, combined with his general culture and exceptional professional equipment warrants me predicting for him an honorable and successful career at the bar. I commend him unreservedly to the confidence of the Baltimore bar.

W. M. Lill, Dean.
University of Virginia, Jan. 26, 1914.

Among the changes in Baltimore churches was the appointment of the Rev. J. M. Gill to the pastorate of the West Baltimore church to replace the Rev. G. I. Humphreys, who will go to the Rhode Island Avenue Church in Washington, D. C. The Rev. Mr. Gill was pastor of the Rhode Island Avenue Church several years ago, but he came to Baltimore from First Church, of Balti more, Wash. The Rev. Mr. Humphreys will replace the Rev. Louis Randolph, who goes to Taylor Memorial Church, Philadelphia.

SUES FOR BLASTING DAMAGES

For alleged damage done by swelling, 281 East Wilde street by blasting operations near by, Richard T. Franck sued Jason Fisher and Antonio Carozza, trustees as Fisher & Carozza, for $1,500 in the Superior Court yesterday through Harrell & Gill, attorneys. It is alleged that the blasting caused constant vibrations of the house in 1912 and 1914 and that on June 3 last year damage was done by a large stone thrown upon the premises.

J. 7. M. Gill.

THERE were few dry eyes in the congregation two weeks ago when Rev. J. M. Gill, of the First Methodist Protestant church, Eighteenth avenue and East John street, announced his resignation from the pulpit. He has been in charge for six years and the church as shown a wonderful material and spiritual growth in that time. A membership meeting was called and the following resolutions were adopted: Mr. Gill was presented with a beautiful watch, and he was requested to consider his decision, and remain. Although he believes that his time in Baltimore has been accepted and family affairs have been accomplished and his home and family in Washington, D. C. are calling him strongly, yet Dr. Gill is undecided. His resignation was to take effect on April 1.
Another deputation is coming on the Curb this morning—the stock of the International Wood & Paper Products Corporation. Ten thousand shares of this stock were offered for subscription at par, and the issue was oversubscribed to the extent of 2,500 shares. The par value of the stock is $10. What it will start at in stock is hard to tell, but a bid for 500 shares at 95.50 in the market already, and another bid for 1,000 shares at 97.50. No offerings have yet been made.

CROWDS ATTEND FAREWELL TALKS

Rev. John M. Gill Leaves for Baltimore After Six Years With First Methodist Protestant Church.

Crowds both morning and evening yesterday heard the farewell addresses of the Rev. John M. Gill to First Methodist Protestant Church, the services being remarkable in this affection shown for the two pastor and his wife. Present at the service were a number of city pastors, a few of the church's former pastors and a number of the church's members.

Mr. and Mrs. Gill were present, and in their addresses expressed the gratitude of the church for the services the Gill have rendered it.

Against Wills of L. J. Bothe, A. A. Howard and Mrs. Schroedl.

Three cautions were filed yesterday in the Orphans' Court. The wills which will be contested are those of the late Louis J. Bothe, the late Allan A. Howard and the late Mrs. Anna T. Schroedl.

The contest against the will of Mr. Bothe was instituted by his widow, Mrs. Sally J. Bothe. In her suit, filed by Attorneys Barroll, and Gill, Mrs. Bothe sets forth that her husband, the late Louis J. Bothe, died an accident of an act of suicide on his part, that the resulting blood intoxication of the deceased's blood being less than Christmas Hill's, an agent of the insurance company, who claims the insurance, the policy of the will was to be set aside and the letters testamentary revoked.

EMBEZZLEMENT CHARGED.

William N. Fowler, 27 years old, 1211 Presbury street, a bookkeeper in the office of the Willman J. Burns International Detective Agency, 725 Market street, was held yesterday for the action of the Grand Jury by Magistrate McFaul, in the Central District Police Court, on a charge of embezzling $800 from the agency.

The charge against him was brought by E. X. O'Leary, manager of the Newmarket office of the agency, who named as his executors, Mr. and Mrs. Schroedl, who are relatives of the wills of the late Louis J. Bothe, the late Allan A. Howard and the late Mrs. Anna T. Schroedl.

BOSLEY IS STATE'S STAR

Lucky Halfback Tears Western Maryland To Pieces.

CURENVICH SHARES SPOTLIGHT

Makes All Three Touchdowns And Keys Goal In Championship Game.

Homerwood.

With a new star, a brand new coach to Maryland, State not only defended its football championship yesterday by beating Western Maryland, 12 to 0, but proved to all who assembled at Homerwood to see the last half of the first double-header staged on the gridiron, that it will be a real task for any aggregation to lift the laurels from the College Park school.

The new Heisman is Wesley Bosley, the signing light of the Terps. In the second game of the afternoon, he was the most valuable player on the field. When Bosley came over the goal-line for the first time he was fouled on the play. The ball was spotted on the ten and Bosley finally rumbled over to give the Terps a 6 to 0 lead.

CROWDS INCREASED.

The football game between Homerwood and Western Maryland yesterday set a record for attendance. The grand stands were all filled and long lines were formed to get seats in the terraces and on the field. The total attendance was estimated at 15,000.

EMBEZZLEMENT CHARGED.

Mr. Fowler, in speaking of the new association, said the main object of the owners in getting together is to give the public better service and to provide means of dealing with those having jitney buses who have not the welfare of the public at heart. The association, according to its counsel, will aid in the prosecution of the reckless drivers, will do everything within its power to improve the service of the jitney buses for the benefit of the traveling public.

JITNEY OWNERS COMBINE

Farm Association and Incorporate Protective Association.

The Southern Protective Association, an organization composed of about 500 owners of jitney buses, has been formed and incorporation papers were filed yesterday afternoon. That the owners of the jitneys had decided to combine for their mutual benefit as well as to generally improve the service was stated yesterday by Attorney L. Whitner Barroll, of the law firm of Barroll & Gill, who has been engaged as counsel for the new association.

The principal reason for incorporating is found in the following paragraphs that are included in the petition:

To promote, protect and devise the interest and welfare of the jitney automobile businesl in the State of Maryland from the standpoint of the owner, operator and patron of the jitney bus.

To regulate the operating of the said business within the limit laid down by the law, to secure higher efficiency, better service, greater safety for the general public.

To make contract to buy, sell, hold, dispose of property, real, personal or mixed; and to conduct on any business in the State of Maryland, or do any other acts which in the opinion of the executive committee of this corporation shall tend to further and carry out any of the objects or purposes above mentioned.

No capital stock is provided in the incorporation, and the conditions provide for both active and associate members of the association. An executive committee, composed of three members, each of whom constitutes a quorum, is in existence with the power to increase from time to time, will handle the affairs of the association.

Mr. Barroll, in speaking of the new association, said the main object of the owners in getting together is to give the public better service and to provide means of dealing with those having jitney buses who have not the welfare of the public at heart. The association, according to its counsel, will aid in the prosecution of the reckless drivers, will do everything within its power to improve the service of the jitney buses for the benefit of the traveling public.

$35,000 Suit in U. S. Court.

S.Welsh, Printer

Robt. J. Gill, 609 Keyser Building, Baltimore, represents interests which are considering the construction of a shipbuilding plant near Baltimore for building wooden vessels. No announcement of plans has been made.
A young man whose fortune will be watched with a great deal of interest by his neighbors in Kent county is Mr. Edward O. Thomas, the son of Obie Thomas of Sudlersville. Mr. Thomas has opened offices in Baltimore for the practice of law associated with Darroll & Gill in the Keyser building. His education and training as well as his natural capacity give great promise for his success in his profession and we unite with many others in wishing him good luck and congratulating him on the connection that he has made in Baltimore.

REV. DR. GILL TO RETURN
Will Leave Seattle to Take Another Charge in M. P. Conference.
Rev. Dr. J. M. Gill, for the last six years pastor of First Methodist Protestant Church, Seattle, Wash., and a member of the Maryland Conference, has resigned that responsibility, and returned on furlough to take effect on May 1, and will likely come East to report on appointment at the next session of the conference. Dr. Gill has been pastor of the Maryland Avenue Church, in Washington, and is well known in Baltimore.

Mrs. Schwartka Sues For Divorce.
A limited divorce from William H. Schwartka, a well-to-do resident of Rock Hall, Kent county, with the custody of the three youngest of their five children and alimony, was applied for by Mrs. Rose F. Schwartka in the Circuit Court yesterday through Darroll & Gill, attorneys. They were married October 25, 1866, and have had seven children. Of the survivors, two are sons, aged 18, 11 and 12 years, and two are daughters, aged 3 and 2 years.

Mrs. Schwartka charges her husband with ill treating her for some years, at times striking and beating her.

Conference to the Seattle church, and during his pastorate there has been instrumental in reviving new life into the church and largely increasing the church membership. At a recent meeting of the church an earnest appeal was made to have him remain in their parish, but it is believed he will carry out his original plans some day with his wife, whom he married while pastor of the Washington church. In a recent communication Dr. Gill said he did not hesitate to say that the Seattle church was the most spiritual he had ever served or had ever seen. The Seattle church is classed as an independent one, and for years has applied to the Maryland Conference for a supply. Georgetown Beats Virginia at Basketball by 26 to 19

Georgetown defeated Virginia, 26 to 19, at the Arena last night in a basketball game somewhat below the standard of the former contests. Neither of the teams seemed to be possessed of much life, team work and accurate passing lacking. Gillingham, the Virginia forward, who has starred for the Charlottesville quint during their recent trips, did not possess the speed and ability to shoot that has brought him praise in other games. Georgetown got under way several times during the contest, and displayed splendid passing, working the ball well up under the net before shooting, but missed the work on the final five most of the time.

Gillingham, getting the ball from Churchill on a pass from the feet line, passed to the first basket of the contest, and Bisley from the rear followed with a goal from free throw on Wadsworth’s foul. C. Campbell scored the first tally for the local team, catching the goal from free toss, and Wadsworth scored a goal from free toss, and Wadsworth scored the second goal from the middle of the floor. From then on Georgetown forged steadily ahead and was never threatened, the first half ending 2 to 1 in their favor.

Both teams started the second half with a rush, but once settled down to a low pace, the players covering exceptionally well and passing being amazingly quick. Campbell opened the scoring by a splendid shot from the feet line, and Kelly, who replaced Martin, scored two field goals in succession. Georgetown having such a commanding lead, the best that Virginia could do was to hang doggedly on, making futile attempts to narrow the gap, but never coming dangerously near.

Several times during the final half the teams spurred and brought the spectators to their feet with their fast work, notably especially adding much of the needed pep, but the Virginia lads were seemingly fired from their hard contact with Catholic University, could not hold the pace, and wasted many chances to score by long and difficult shots.

Gillingham and Stidman did most of the scoring for the visiting squad getting three field goals each. Bisley was the only other Virginian to score a goal on the floor, getting two.

Every man on the Georgetown five played a basket. Campbell getting the largest number, three. The line-up: Georgetown, Martin, Gill, Martin, Stidman, Martin, Churchman, Wadsworth, C. Campbell, Bisley; Virginia, Gillingham, Wadsworth, Gillingham, L. Martin, Wadsworth, Martin, Gillingham, Bisley, Wadsworth, Wadsworth, Wadsworth, Wadsworth.

Virginia wins, 55 to 12.

Shows to Good Advantage in Beating Randolph-Macon, Which Has Fast Five.

Special to The Washington Post.
Charlottesville, Va., Jan. 13.—By deciding Randolph-Macon College Tuesday night, displaying real basketball caliber, Virginia's basketball team confidently captured the largest score ever made in the history of the Virginia basketball team. Randolph-Macon's basketball team, which has been a劲 for over 20 years, has never been equaled in the history of the Virginia basketball team. Randolph-Macon's basketball team, which has been a劲 for over 20 years, has never been equaled in the history of the Virginia basketball team. Randolph-Macon's basketball team, which has been a劲 for over 20 years, has never been equaled in the history of the Virginia basketball team.

The visitors presented a fast, well-drilled quint, and played well during the initial half, holding the hosts to 21 points and scoring 15. The Orange and Blue opened the second period with a spirited attack, which fairly swept off their feet. Goals were thrown from all angles. Virginia's greens played in this half proving the plashing feature of the contest. Rightwards and Gill, forwards, were ever tireless in advancing the ball to the direction of the ring, and their fellow guards, Churchman and Campbell, backed them up happily. Goals were played off by the tail manager.

The little athletes from Virginia Christian College also scored 11 goals. They were in the thick of the fray at all times. River, at center, was the mainspring of many of a goal, which the Methodists could not follow with essential force. He was up from his usual form in the opening period, but gave a clever exhibition at the start of the second half, exciting the ball five times in rapid succession.

Campbell covered wide territory and was credited with 11 points. The only goal made by Randolph-Macon in the first ten minutes of play was thrown by Walker on a cross-court shot, and was much applause. Virginia's remarkable effort in the second half resulted in seven goals before Coach Lanning sent in a string of substitutes.

Of the men, Strickland, who succeeded Riley, landed three goals, while the other two were credited to Loyd, and the two were credited to Loyd, and the two were credited to Loyd, who was credited with 12 points.

COMMENCEMENT
COURT OF APPEALS OF MARYLAND

(April Term, 1935—Filed June 22d, 1935.)

ANNIE SCHIEFFLER

V.

LILY M. LEE

Guardian and Alien of Howard Lee.

Appeal from the Superior Court of Baltimore City.

L. Wetherell Barrell (Barrell and Gill on the brief for appellant).

W. P. Troyer and Henry W. Williams for appellee.

Argued before BOYD, C. J., BRISHE,W. B., VERNON, STOCK, BRIDGE AND CONSTABLE, JJ.

Personal Injuries—Assault—Trial Court has the Right to Order a Physical Examination by a Physician of His Own Selection of a Party Seeking to Recover Damages for Personal Injuries Alleged to Have been Inflicted by the Defendant. Judgment of the Non-Party—Such an Examination Cannot Be Demanded as a Matter of Right by a Defendant, But Should Be Left to the Sound Discretion of the Court and It Will Not Be Interfered With by the appellate Court if That Discretion Is Manifestly Abuse.

CONSTABLE, J.—The only question involved in this appeal is the right of the trial court to order a physical examination, by a physician of its own selection, to be made of the party seeking to recover damages for personal injuries alleged to have been inflicted by the defendant to the action.

The appellant brought an action to recover damages for personal injuries, the result of an alleged assault by the appellee, a minor. The appellee filed a cross-petition, alleging that he had requested the appellant to submit herself to an examination so that the nature, extent and permanency of the injuries for which she sought recovery might be ascertained, yet the appellant had refused to comply; and prayed the court to order such examination made under its control and direction. The court passed an order n.o.b. on the petition; and, after the objection of the appellant was heard, passed an order directing the appellant to submit herself to the examination of a physician selected by it, and provided therein that the defendant should make the statement setting out the necessity for the examination.

The constitutionality of the order in this case will be considered.

The cases on this subject are very numerous, especially those involving the question of the right of a court to order a physical examination of a party before the trial of his action.

Among The Other Speakers.

The other speakers were Dr. Charles H. Billingsley, president of the board of trustees; J. W. Smith, president of the alumni association; William Gilpin, master-in-charge; George W. Davies, president of the board of regents; Henry F. Smith, representative from the State house; and Senator L. Atwood for Baltimore City, and State Senator W. W. Berman of Harford county.

The Proceedings and the events of the day were reported by the Register.

ALEXANDER GOES HOME

His Tangled Experiences in Brooklyn and Other Places.

Mr. Alexander, who was put out of Louis Griscom's store, in Brooklyn, Annapolis county, yesterday by a clerk, who said that the man was drunk and interfering with the business of the store; who was refused passage on the ferry running to his home because the driver thought he wasn't in condition to travel; and who was driven from the home where he was staying by the landlord because he had been drinking, also had a mixed-up affair this morning and got started back to his home at Lakeside, Annapolis county.

Alexander, who is a well-known political figure in Annapolis county, has caused much excitement this morning by his appearance at Lakeside, Annapolis county, where he is likely to meet some of his old friends. He was put out of Griscom's store yesterday afternoon by a clerk, who said that the man was drunk and interfering with the business of the store; who was refused passage on the ferry running to his home because the driver thought he wasn't in condition to travel; and who was driven from the home where he was staying by the landlord because he had been drinking.

CAROLINA AGGIES GO DOWN BY 53-10 SCORE
Quint Falls to Show Usual Form but Wins Easily from Tar-heels—Gill Does Great Goal Shooting.

Virginia will play V. M. I. tomorrow night in Fayerweather Gym. The Tar-heels have a strong team and recently downed the Carolina Aggies by a large score. Game will begin promptly at 8 o’clock. Georgetown will play here Friday night. The game will begin at 8 o’clock. Boxing and wrestling between the halves.

Virginia maintained her unbroken string of victories Monday night by overwhelming the North Carolina Aggies by the score of 53 to 10. In view of the declared Adair administration of the Carolinians by W. M. I. and Washington and Lee, a larger score was hoped for and the showing of the team was somewhat of a disappointment to its followers. The Tar-heels displayed great aggressiveness at all times and excelled on defensive work. This fact, coupled with unusually poor goal shooting by the Orange and Blue team, prevented a much larger score. Virginia lost many easy chances to score through poor goal shooting. Gill alone displayed his usual efficiency in this department. The big forward played his best game of the season, being strong on defense and caging eleven baskets. Many of his shots were extremely difficult ones and were scored from all angles of the floor.

Carolina took the lead in the first two minutes of play by scoring on a foul. Gill followed this a minute later with a pretty shot from the sidelines, putting Virginia in the lead. After this the team was never headed, the first half ending at 10. The Tar-heels.

INTERNATIONAL WOOD & PAPER PRODUCTS CORPORATION

We recently had the pleasure of a personal visit from Mr. Dorsey of the INTERNATIONAL WOOD & PAPER PRODUCTS CORPORATION and he stated that they were now running at nearly full capacity. During the War they suffered from a loss of labor supply as munition plants in their near vicinity took their help away and cut their production without reducing expenses proportionately.

The company has not declared a dividend this year, but the last letter from them was to the effect that they expected to have a pleasurable surprise for Stockholders in July. Some of the Stock which has been held by one of the former promoters came on the market a few months ago and was taken at a low price.

We are now in the market to buy any of this issue or will sell a few small lots at an attractive figure.

There is a $100,000 share of the Stock outstanding all sold and it is very closely held. The Stock was listed on the New York Curb Market and has sold as high as $100 there before the War.

The goods manufactured may be seen in all of the leading department stores and a full sample line is on exhibition at the three leading jobbing houses in New York City, namely: Baker & Bennett, 837 Broadway, New York City; E. I. Horsman & Co., 11-15 Union Square, New York City and Strobel & Wilken Co., 61 West 23rd Street, New York City.

Prospective Investors would do well to visit these Jobbers and look at the line of goods manufactured by this company which are the finest in the world, consisting of paper maché toy horses, cats, truck wagons, and teams which can be re-assembled into different toys making them a leader in their line and practically alone as their processes are covered by patents and the field of manufacturing they are in subject to large expansion and development.

That the Baltimore and Ohio Railroad Company is acquiring land in the Marley Neck section for offering to the government for use as a shipbuilding plant and possible naval station is believed to have been mentioned by real estate brokers who have watched the negotiations for land that section within the past several weeks. Several days ago Robert W. Moses, an attorney of Annapolis, and representatives of the Baltimore and Ohio in Anne Arundel county took under option the 197 acres owned by the Haggart family. A check of $10,000 is said, was placed down at the time of the signing of the option, the purchase price of the property being about $35,000. At the time of closing for this option it is understood that George Dobbin, Attorney General of the legal department of the Baltimore and Ohio Railroad, was present.

Another land in the same vicinity has also been tied up by interests said to be the Baltimore and Ohio Railroad and the latter company, through its industrial department, has been busy engaged for several months past in quietly tying up the properties in the Newton section for possible manufacturing sites. Just what connections the recent Newton option in Marley Neck section have to the proposed government purchase is not known, although it is supposed to be that they are connected in some way. It is known that at the time of the taking of these options by the Newton interests the Baltimore and Ohio Railroad and its industrial agent, Mr. Mann, had knowledge of the transactions, and at that time it was stated that a $35,000,000 plant would be built on the site.
ALLEGED SWINDLER IS ARRESTED HERE

Government Also Wants Him
On "White Slavery" Charge

Nabbed by the local police on the charge of swindling, Frank Shirman, said to be a kahvened American, is locked up at the police station under orders of United States authorities who will turn him over to custom on "white slavery" charges.

Government men have been "trailing" Shirman for several days and although he was under surveillance here they did not anticipate arresting him at this time. Shirman, alias Fisher, is held by the authorities for transporting Murtha Forer, a woman from Conn., to Hemp, N. C. The authorities believe this woman under arrest and they will probably be brought here as witnesses on the charge of Swindling.

A letter was the signal. They wanted and was turned back to jail, unless he could talk "until the special officers ordered him to blend that his name was known to a local music house and rented a phonograph and was going about in country towns giving entertainments yesterday afternoon. He was understood to have been in the neighborhood of his family long enough to have made good money if he is not arrested.

AFRAID WIFE MIGHT SEEK TO KILL HIM

J. W. Thomas Tells Of Assaults in His Suit for Absolute Divorce.

Her Diary Is Presented

To bear out the allegations in his bill for an absolute divorce, John W. Thomas, a traveling salesman, introduced an evidence of a diary alleged to have been kept by his wife, Mary E. Thomas, in which she entered notes on "parties" and her impressions of them. In his testimony yesterday afternoon before Judge Duffy, in the circuit Court, No. 2, Mr. Thomas alleged he was afraid of his wife and that she had beat him on numerous occasions.

Mrs. Thomas is an actress and is playing with a stock company in New York, according to the testimony of the plaintiff. She was not present yesterday at the hearing, but a report to be in court Monday morning, when the case will be continued. Mr. Thomas admitted that he had weighed about 90 pounds and that he tipped the beard at 178.

"I left my wife on December 26 last," said Thomas, "and was afraid she would kill me. While I was asleep she attempted to stab me by turning on the gas, and it was only the fact that I was awakened by a noise down stairs that I am here in court today."

Mr. Thomas also told how his wife had attacked him in the Postoffice Building, and how she was on a piece of crockery over his head in a downstairs bathroom. Mr. Thomas denied the circumstances of an attack upon him with a club in the hands of his wife.

The most amusing feature of the trial, however, was the introduction of the diary, in which there were recorded a number of names of men. Alongside of each of the names is written what is alleged to be Mr. Thomas's comment on them. After several of the names is recorded, "dead ones" and "live ones," Thomas, who has just been tried for a divorce suit for absolute divorce, said he got into a fight shortly before he left his wife. HOTEL FOR HAYRE DE GRACE

The Suquannah Inn Company to
Build Big House.

Special Dispatch To The American.

Baltimore, Feb. 12—Articles
Incorporating the Suquannah Inn
Company, which, it is understood, has
in view the erection of a handsome
hotel in Havre de Grace, were filed
in the office of the Circuit Court here
yesterday. The incorporators are Charles
C. Lovett, Jr., 241 Maryland Trust
Building; Rudolph Reinecke, 2414
Linden avenue, and Clarence W.
Wheaton, 608 Keyser Building, all of
Baltimore. These men will also act
as the board of directors of the com
pany. The purpose of the corpora
tion includes the carrying on of a
general hotel and apartment house
and to manufacture and sell wines
and liquors of all kinds, both alcoholic
and non-alcoholic.

The principal office in Maryland
will be located at Havre de Grace, and
the resident agent will be Rudolph Reinecke, of Baltimore. Work
will be started within the next two weeks so that the opening of the
hotel may take place next summer. The hotel will contain about $100,000,
will be of English design, built of brick and stucco, with the upper
story in half timber. The dimensions will be 63 by 128 feet.

WILL BUY ACCOUNTS

City To Have New Financial Ins
stitution With $500,000 Capital.

DIRECTORS ARE LOCAL MEN

Capital Service Corporation Ready
To Begin Business At Once.

Baltimore is to have a new financial
institution, with a capital of $500,000, which will make a specialty of pur
chasing the accounts of mercantile houses
in this and other cities.

The concern, which was incorporated today by Attorney Robert J. Gill,
will operate as the Capital Service Cor
poration, and all the directors of the pres
entation. All the directors of the pres
sion will be members of the corporation, with the capital to be divided into $500,000 of 7 per
cent. preferred stock and a like amount of common stock, making 10,000
shares of each, with a par value of $25.

The directors chosen today are W. F. Stetson, John Knaus, John Spooner,
W. H. Dudley and Clyde C. Roos.

Our board will meet this afternoon for organization and for the

dividends.

The field which the new firm will
enter up to three or four years has
never been a comparatively new one for Baltimore.

A matter of fact, the city is looked
upon as the home of companies that specialize in purchasing accounts of
mercantile houses. The companies
that have been organized here for that
purpose have enjoyed unusual suc
cess.

The new company will make arrange
ments to begin business as soon as the
necessary details are completed.

RESPESCITY LOTOWNERS WIN

Government to Take Their Land for Substantial Considerations.

The 685 holders of titles to lots in Respess City have won out at last for substantial consideration. The government will take over their land as a part of the great army training camp, Respess Wins, too. His holdings today are worth a considerable sum. Three years or more from now, he probably will be worth much more.

The life of Respess City has been eventful. Its founder was involved in five recent murders and several criminal prosecutions. He came out of those cases unharmed, however, and appears to be a considerable distance away from the next well-wishing rapidly toward a place in the sun. Several proposals for outright purchase, tenancy, or lease of the land are under consideration. In any event, the owners of Respess land will make money.

SEESKS GARAGE PERMIT

Smallwood Street Concern Goes To Court To Fight Byrne.

Judge Dobler signed an order in the Superior Court today, requiring Build- ing Inspector James E. Byrne to show cause by March 28 why a permit to erect a garage in the 1800 block of North Smallwood street should not be granted to the Smallwood Garage Company. His action was on a petition for a mandate filed by Robert G. Gill, attorney for the garage company.

Mr. Byrne, acting under an ordinance adopted in 1911, had refused to grant the permit on the ground that permits would not be granted for the erection of garages in mostly residential neighborhoods. Mr. Gill says that his clients had built several garages on property in the rear of 1821 to 1823, before this ordinance went into effect. It is feared to tear these small buildings down and erect one large building.

SUES FOR GARAGE PERMIT.

Upon the petition of the Smallwood Garage Company an order was signed yesterday by Judge Dobler in the Superior Court requiring Inspector of Buildings James E. Byrne to show cause by March 26 why a permit should not be issued requiring him to grant the company a permit to erect a public garage on the lots 1821, 1823 and 1825 North Smallwood street and the rear of the adjoining lots 1815, 1817 and 1819. Mr. Byrne, acting under an ordinance adopted in 1911, had refused to grant the permit on the ground that permits would not be granted for the erection of garages in mostly residential neighborhoods. $50,000,000 PLANT FOR MARLEY NECK

Mammoth Steel and Shipbuilding Corporation Organized.

READY TO OPERATE AT ONCE

1,500 ACRES OF LAND BOUGHT THROUGH E. & O.

Property on Which Huge Plant Will Be Established Cost Nearly $700,000 — E. M. Newton, President of Herr Corporation, Represents Backers, Huges New Plant at Marley Neck.

Project of Baltimore Interests—Raw Materials for Immediate Operation Already on Hand.

Industrial Baltimore will take another giant stride forward within the next two weeks—probably within a couple of days—when the establishment of a mammoth shipbuilding and steel plant at Marley Neck, 12 miles from the city, will be begun. The mammoth steel and iron furnaces and the building of the huge plant will be under way, and the land on which the new plant will be built will be cleared for the beginning of the work. Steel will be on the ground in a few days, and the erection of the huge structure will be begun at once.

The land on which the plant is to be built is being surveyed by experts, and the plans for the plant will be completed within the next few weeks. The plant will be one of the largest in the world, and will be capable of turning out steel and iron products on a scale never before attempted in this country.

The plant will be built on a site that has been selected for its proximity to the Chesapeake and Delaware Canal, which will provide easy access to the city. The plant will be equipped with the latest machinery, and will be capable of producing steel and iron products on a scale never before attempted in this country.

The backer of the project is E. M. Newton, who is well known in the business world. He is the president of the Herr Corporation, and is one of the most successful business men in the country.

STEEL MAN TO VISIT BALTIMORE FRIDAY
Plans for Great Shipbuilding Plant On Patapsco River May Be Made Public

Further details concerning plans for establishing a huge steel mill and related works at the Patapsco River are expected to be announced today by Mr. W. J. Gray, who is expected to arrive in Baltimore at 2:30 o'clock.

Mr. Gray, who is prominent in the steel industry and is himself a steel manufacturer, is reported to have visited several steel mills and is believed to have talked with officials of the Bethlehem Steel Company.

It is expected that Mr. Gray will announce definite plans for a steel mill at the Patapsco River as soon as he arrives in Baltimore.

Plans for the steel mill have been under consideration for some time, and it is believed that Mr. Gray will announce definite plans for the mill.

The steel mill is expected to be a large one, and it is believed that Mr. Gray will announce definite plans for the mill.

MRS. SNYDER DENIES HUSBAND'S CHARGES

She says she did not consent to divorce and that Snyder's attorneys would continue to handle case.

Mrs. Snyder, who has been living in New York, where she has been engaged in her business for some time, said yesterday that she had not consented to a divorce and that she would continue to handle her case in New York.

She said that she did not know what Snyder was doing in New York, and that she did not know whether he had any money.

Mrs. Snyder said that she did not want to be divorced and that she did not want to have anything to do with Snyder.

Dr. J. M. Gill This Week

The fifteenth visit to the Seattle churches was made last Sunday morning. We commenced visiting churches in the downtown district and some in the suburbs. We had gained the impression that singing would be a prominent feature in the services. This was true in most churches, but in this we and we are among the best churches in the city. We were among the best churches in the city, and we believe that the choir, the organ, and the singing are as good as anywhere in the country. We have visited many churches in the downtown district and were pleased with the results. We also visited the churches in the suburbs, and we were pleased with the results. We have visited many churches in the suburbs, and we were pleased with the results.

Dr. Gill is about six feet tall, athletic build, smooth shaven, a gentleman of the first rank. He wears a black suit, blue shirt, and white necktie. He is a steady and hard worker, and we are pleased with the results. We have visited many churches in the downtown district and were pleased with the results. We also visited the churches in the suburbs, and we were pleased with the results.

First Witness for Mrs. Snyder

Mrs. Catherine Seddon, formerly living in Seattle, was the first witness called for the plaintiff. She was born in 1861 in Ireland, and lived at Morrall Park from April to July, 1906. She was a great admirer of Dr. Snyder at both Morrall Park and Hilltop,

Dr. Snyder was described by Mrs. Seddon as follows: He is a man of the house all the time. He is always ready to do anything that he can do to help the people who come to see him. His manner is very gentle, and he always tries to make people feel at home. He is a very kind and considerate person, and he always tries to do his best for everyone who comes to see him.

Minister's Wife Says Mr. Koons Threatened To Shoot Him.

DECLARES HE LATER CONFESSED

Also Says He Admitted Guilt At Revival—Will Continue Testimony Tuesday.

An account of a visit made by her and her children to the home of James A. Koons at Good Inlet Bridge, in the latter part of August, 1913, when she, the witness, stood in the Circuit Court yesterday by Mr. W. W. Snyder, is the标的 of the cross suits of both her and her husband, who were in the case. Mrs. Snyder, each of whom asks an absolute divorce, 111.

The witness, Mrs. Snyder, who was the second witness called for the prosecution, said she was called to the stand during the greater part of the trial, which had not been concluded when the trial was suspended until Tuesday. Mrs. Snyder said that everybody had been eating at Mr. Koons' in the kitchen house and her sister's home, the Misses Walter, who were planning to go to the church service at the church. Returning she said that she and Mrs. Snyder had gone to the police station and made a complaint against Mr. Koons.

Finally, at Mrs. Snyder's solicitation, Gold, Mrs. Snyder put the pistol away and went to the police station. The witness, Mrs. Snyder, also said that she and her husband had made a complaint against Mr. Koons, which has been filed with the District Attorney.

Note Much More Than Reported.

The witness, Mrs. Snyder, who had been called to the stand of the Circuit Court yesterday by Mr. W. W. Snyder, and Mr. Koons both sat in the Circuit Court and answered questions through a notary who said he looked over her husband's shoulder and heard her say.

After Mrs. Snyder had left Union Island and returned to Good Inlet, she was invited back there at the house of Mr. Snyder, who said the two couples went to the theatre at Glyndon, she said, that they both knew that Mr. Koons' house, the Snyder house had been hired by Mr. Koons.

Subsequently, while they were living at Mr. Snyder's, Mrs. Snyder said she was called to the stand of the Circuit Court yesterday by Mr. W. W. Snyder, and Mrs. Snyder both sat in the Circuit Court and answered questions through a notary who said he looked over her husband's shoulder and heard her say.

She further said that the Snyder family had been in the church and that she and Mrs. Snyder were conversing about the whole family of Mr. Snyder and Mr. Koons. At times, she said, she would hold her husband's hand in church and that they would sit in the church and lead a service of a hymn and a prayer and she would sing and pray and say the words and sing and pray and say the words to the Lord and she would sing and pray and say the words to the Lord.

She further said that she and Mrs. Snyder had been in the church and that they would sing and pray and say the words to the Lord and she would sing and pray and say the words to the Lord.

A number of other witnesses went on to show that the evidence of Mr. Snyder and Mrs. Snyder was not as strong as the evidence of the church and that the church was the only church that could be heard.

She further said that the evidence of the church was not as strong as the evidence of the police and that the police were the only ones that could be heard.

Mrs. Charles C. Rittenhouse, sister of Dr. Kieffer, said that she had never seen anything that the actions of Dr. Kieffer and Mrs. Snyder that would give ground for suspicion of wrongdoing.

She was即t that she had been to the church and that she had never been to the church and that she had never been to the church.

MRS. KIEFFER'S ALIBI SUSTAINED BY WOMAN

**S.MRS. SUEYS AGAIN**

**NO PROOF ON EITHER SIDE**

Judge Dobler, in Oral Opinion, Says Neither Preacher Nor His Wife Present at Their Charges.

Despite the strength of the evidence given by the witnesses, the case still hangs in the balance. Mr. S. M. Kieffer, of the Snyder and Kieffer case, has called forth a fresh présage of attacks. He has asked that the case be tried anew by the jury, and that the jury be ordered to render a verdict. The lawyers, however, are not in agreement.

Mr. Kieffer, in his statement, said that the jury had made a mistake in their decision. He said that the jury did not understand the facts of the case, and that they had been misled by the witnesses. He said that the jury had not considered all the evidence, and that they had not given due weight to the testimony of the witnesses. He said that the jury had not taken into account the fact that the witnesses had been biased, and that they had not considered the fact that the witnesses had been paid off by the defense. He said that the jury had not considered the fact that the witnesses had been perjured, and that they had not considered the fact that the witnesses had been perjured. He said that the jury had not considered the fact that the witnesses had been perjured, and that they had not considered the fact that the witnesses had been perjured.
