The Library

The annual college catalogue of 1908-1909 describes the college library, in part, as follows: "In a large and well lighted room the College has placed about six thousand carefully selected volumes." The room referred to subsequently became known as "social parlor." At present it is used by the Art Department.

Under the heading "Library and Administration Building" the catalogue of the following year states with pride, "This structure, begun in 1908, and completed a year later, is the most ornate of all the College group. . . . The main floor provides offices for the President and Treasurer, a Faculty and Board Room, and a Museum. On the ground floor are excellent halls for the Browning and Philomathean Literary Societies."

The increased enrollment of the institution, beginning in 1920, necessitated a change in the facilities of this building. The museum and board rooms were abandoned and provision made for the registrar's office and for the bookstore. Later the discontinuance of the literary societies made available additional space devoted to storage and to the office of the Gold Bug.

So cramped were the facilities of the library, the offices of administration were moved in 1938 to the property previously operated as an inn. This made it possible for the library staff to take over all three floors of the Library and Administration Building. In the two-year interim since the change was effected, the structure has been completely renovated throughout. It has also been necessary to rearrange the floor plan by changing the partitions between rooms. The main floor now contains the librarian's office, the librarian's workshop, the current periodical room, the bound periodical room, and the reference room. New bookcases, tables, and chairs add to the attractiveness of these quarters. The upper floor contains the main reading room and, together with the mezzanine, the stack space. The lower floor contains the stack room for government publications, an auxiliary room, and a large confer-

ence room. New floor covering throughout the entire building has added to both the appearance and quiet of the rooms. The installation of a book-lift has greatly facilitated the transfer of volumes from floor to floor.

Three staff members comprise the group in charge of the library. They are assisted by twelve students who spend from one to two hours daily helping in the library routine. The third member of the staff is the newly appointed Professor of Library Science. The College has added this work to its regular curriculum beginning 1940-1941.

During the past three years a completely new lighting system has been installed. Specially designed table lamps have been placed on the upper floor while the main and the lower floors have new indirect lights that give more than the required foot-candles of light.

The importance of the library is apparent to all and certainly needs no defense. Western Maryland's library has improved over the years in every way; viz., in housing and equipment, in size of the book collection, and in administration. While this is true, the needs have increased and the importance of securing special funds is apparent. At their June meeting, the Board of Trustees unanimously approved the recommendation authorizing "the establishment of a special library fund, granting permission to secure such funds and expressing a willingness to cooperate in attaining such funds wherever possible." It was also voted that the name of the donor will be inserted in the books purchased under this plan, and to the extent of the individual's gift.

Substantial support to the library is secured in this manner in a number of institutions. This "Friends of the Library" appeal is made in this informal way with the sincere hope that an appreciable response will make possible the material increase of the serviceability of the library.

The attached form may be used if desired, or just mail your check, payable to W. R. McDaniel, Treasurer, to the President of the College.

Largest Freshman Class

September 23 saw the beginning of a new class at Western Maryland, a truly coeducational class with eighty-seven men and eighty-seven women, making the largest freshman class in the history of the College. Geographically, these students range from Fred Holloway, Jr., whose home is on the campus, to En Tao Chi, who travelled from Peking, China, to enroll.

Sixty of the one hundred seventy-four freshmen are related to present or former Western Marylanders.

Two of the girls represent the third generation of Western Maryland students in their families: Jeanne Dieffenbach's mother was Madeleine Gilbert, '06, whose mother was Ida Louise Bowers, '78. Mary Josephine Davis is the daughter of

Mary Griffith, '15, and the granddaughter of Josephine Staats, '75.

The following students have enrolled at their parents' alma mater:

Elizabeth, daughter of Annette Whitmore Smith, '03; Elizabeth, daughter of C. M. Wright, '06; Phyllis, daughter of Olive Pennell Hess, '11; Frances, daughter of Lester Hall, '13; Kathryn, daughter of Barbara Willis Voss, '16; Cynthia, daughter of C. H. Wentz, '30; Edward, son of D. C. Nygren, '95, and Lillian Lindsay Nygren, '03; Charles, son of Mayfield Wright Irwin, '05; Fred, Jr., son of Mabel Durham Kullmar, '14; Fred, Jr., son of Fred G. Holloway, '18; Kenneth, son of Hubert Burdette, '20, and Louise Harned Burdette, '20; Donald, son of Clarence Sullivan, '31.

Eleven freshmen have sisters now in school and eight have brothers here. Twenty-four have older brothers and sisters who have attended Western Maryland College previously. Still others have aunts, uncles, and cousins, who are alumni of the College.

For several years, the freshman class has contained at least one pair of twins. This year, there is one set, Paula and Virginia Weinberg. Although not twins, Marilyn and Mildred Hoag are sisters and both are freshmen. Other relatives within the class are Reece Scott and Eleanor Scott, cousins; Donald Marsh and Katherine Kolb, cousins; and William Ackley and Dorothy Armacost, cousins.

Faculty Changes

Along with the new students have come eight new members to the faculty group; namely, Edna Harley, Kathryn Hildebran, Richard P. Metcalf, Edwin C. Mirise, Rufus C. Puryear, Lawrence S. Reynolds, Jackson P. Sicksels, and Jane Veasey.

Miss Harley comes for the year to fill the vacancy brought about by the resignation of Mr. Carlos C. Crawford. Dr. Hildebran has been appointed as the head of the Department of Modern Languages.

Two vacancies occurred in the Department of Chemistry during the summer. Dr. Jackson Sicksels has taken the place on the Chemistry faculty of Dr. William Gilbert. The place made vacant by Mr. Latimer Elderdice, who is on a year's leave of absence to serve with the National Guard, has been filled by Dr. Metcalf.

The new music hall with the additional studios and the increased enrollment in the music courses has made it possible to add to the music staff a new member, Miss Veasey, who will teach piano and elementary theory.

With the creation of a new Department of Library Science, work along the following lines will be offered; classification and cataloguing, school library administration, history of books and printing, and the use of

books and libraries. Mr. Mirise has been added to the staff to inaugurate this new work.

Changes have taken place in the Military Department. The War Department has announced the promotion of Percy L. Sadler, Professor of Military Science and Tactics, from the rank of Major to Lieutenant-Colonel. To fill the vacancy left by the transfer of Major Connor to Alexandria, Virginia, Lieutenant Reynolds has been appointed Assistant Professor of the Department.

Thomas Joseph Lavin, Master Sergeant, Infantry, has begun a four-month retirement furlough after thirty years of honorable service. At the end of the four months he returns for one more month of service before beginning his permanent retirement. Sergeant Rufus Puryear has been ordered to replace Sergeant Lavin. Western Maryland bids farewell to Sergeant Lavin who has been a loyal friend of the College and a true representative of the army.

WESTMINSTER, MD., Nov., 1940

Entered as second class matter, May 19, 1921, at the Postoffice at Westminster, Md., under the act of August 24, 1912. Accepted for mailing at special rate of postage provided for in section 1103, act of October 3, 1917.

Campus Changes

Most important among the changes made in the campus during the summer is the transferring of the management house to the house which is known to all alumni as the McDaniel home.

The first group of senior girls of the Department of Home Economics moved into their new home Monday, October 14, to carry on the many duties of homemaking. These girls are experiencing the problems which confront the homemaker who has moved into new surroundings. Adjustments are being made and the group is quite enthusiastic about the new home.

The spirit of friendliness and hospitality that has always emanated from this familiar landmark will remain a part of the home as the girls assume the role of gracious hostesses.

To alter slightly the external appearance of the campus, the shrubbery outside of McDaniel Lounge has given way to small evergreens, as has the shrubbery around Dr. Holloway's home. The campus has also become larger by approximately three acres. A plot of land located on the northeast side of the Harvey Stone Park has been deeded to the College.

In the women's dormitories, wall paper in pastel shades has replaced the painted walls in Blanche Ward Hall, and those rooms in McDaniel Hall that needed repairs have been reperaped. All the furniture in the men's dormitories has been renovated and refinished.

Work on the second floor of Levine Hall has been progressing steadily. The studios are being soundproofed and painted in attractive shades. The music staff hopes to begin teaching in these new quarters in the very near future.

Concert Series

An interesting series of events is being planned for this school year. The appearance of the famed Curtis String Quartet on November 7 will afford to the music lovers an opportunity to hear an American ensemble present masterpieces of Haydn, Mozart, and Beethoven. The Quartet plays on one of the finest collections of rare old Cremona instruments ever assembled. The Curtis ensemble has recently rounded off ten years of touring, including appearances in more than two hundred American cities and all the leading music capitals in Europe.

Another event for those who appreciate good music is scheduled for February 27 when the Siberian Singers will come to the College. They represent the highest achievement in male choir singing. The program of the Siberian Singers represents the finest in liturgical music, folk and gypsy songs, and is presented in the authentic cathedral robes and national costumes.

For the fifth time the National Symphony Orchestra will return to the Hill under the baton of Dr. Hans Kindler. This concert is scheduled for the evening of March 7. For those who have heard one of these delightful concerts, no further word of commendation need be given.

FORMER MANAGEMENT HOUSE

Professor Arlan R. Coolidge of Brown University, violinist, will come to the College for a two and one-half day visit to meet informally with the faculty, to discuss music as it relates to their subjects and interests, to talk with the student groups, to hear some of them play, and to give a violin recital for the college community.

Arrangements have been completed to have Dr. Theodore Maynard give a series of eight lectures on Dante's "Divine Comedy," beginning Monday, October 21. The lectures will be given in Room 31, Science Building, at 7:30 p. m., and will continue each succeeding Monday evening through December 9.

Dr. Maynard's lectures will consist of a study of the "Divine Comedy" and not a retelling of it. These lectures are open to the public without any admission. It is hoped that all interested will avail themselves of this opportunity.

PRESENT MANAGEMENT HOUSE

Men's Sports

This fall Western Marylanders entered into athletics, from competitive and spectator viewpoints, with a new hope—and the thought of an undefeated football team.

Charlie Havens has moulded from his squad of thirty-two a smooth-working machine which is composed of dependable regulars and able reserves. On the line, newcomers blend with veterans to present a fast-charging forward wall, adept on the defense.

At the ends, Bernie Gusgesky and Frank Suffern, both sophomores, hold forth, and are backed up by seniors, Roy Impeciato and Bill Sturm, while Vencie Gibson is improving as a flankman.

Two veterans, Bob Faw and Jim Thomas, get the call at the tackle posts with Fred Bohn and Bill Walls as second-stringers. In the interior of the line, John Pirie and Harry Baker, both juniors, are in the guard slots, backed by Al Cohen and Hank Holljes. Sophomore Mike Phillips handles the pivot post, with Ed Lewis in the secondary role.

The backfield is a picture of speed and power, and Havens is fortunate in having two complete units to send into action at any time. Of the pair, the starting quartet carries more weight and is composed of Irv Biasi, who handles the tailback; Lester Knapp, the blocker; Manny Kaplan, a triple threat; and dependable Mack McPike, who is the buckler. As reserves, Bob Sorensen, Bob Bricker, Fran Smith, and Kenny Bills, four of the speed merchants of the squad, are seeing plenty of action.

Of course, the seven-game schedule is a hard one, but such a group—well-conditioned, well-drilled, and in fine condition—will be sure to give a good account of itself.

For the fourth year, the Preachers club is completely dominating the fraternity football wheel. Recently, they captured their nineteenth consecutive victory and are well on the way to the flag. Don Honeman, Jack Ryan, and Ted Bowen are the seniors of the team; with sophomores, Joe Workman, Lee Lodge, Jack Robinson, Bill Dumler, Frazier Scott, and Randy Scholl playing important roles.

The schedule will be completed and the victor will engage the winner of the interclass competition.

Homecoming Day on Hoffa Field will mean an important game—Western Maryland vs. Washington College. The date—November 9. And by that time the Terrors hope to be still in the ranks of the undefeated. Charlie Havens has full intentions of taking up where he left off against the Indians from Dickinson last year and plans to shoot the works to the Sho' men.

Dr. Walter Nathan is again tutoring the Green and Gold soccer team and has a fine veteran eleven on hand. Of his regulars, eight have already won letters.

Co-captains Tim Lewis and John Tomlinson are leading the booters as they attempt to regain the state title lost a couple of years ago. Defensively, the squad is strong; and John Hancock is back as goalie, with Bud Blair and Francis Cook holding down the fullback posts. At the halfback position, Lewis, Duke Windsor, and Mac McWilliams present a capable trio.

The forward wall, however, is giving Nathan a lot to think about, and drills are being held to develop a fast-passing offensive. With five veterans on hand, the Terror mentor considered the problem solved, but the line still needs polish. Frank Tarbutton and Tomlinson have carried the load thus far on the strong, right side. At the center forward, Bill Robinson acts as play builder; with Tom Elias and Bob Shockley handling the left side.

Coming opponents include Loyola, Delaware, Maryland, Towson, and Hopkins, and all these are very important state league contests.

Women's Sports

The Women's Athletic Association is headed this year by the following officers: president, Betty Brown; vice-president, Ellene Edmond; secretary, Alice Vollmer; treasurer, Muriel Harding. Managers of the various sports are: Ruth MacVean, hiking; Jeannette Wigley, hockey; Mary Louise Sehr, basketball; Emily Linton, volleyball; June Lippy, softball; Marie Steele, tennis; Mildred Harding, archery; Phyllis Cade, badminton; and Addie Ruth Williams, golf. These girls are planning a big program this year, the beginning of which was a picnic supper given the freshman girls on October 9.

In the annual tennis tournament last spring the school championship cup was won by Ellene Edmond of the junior class. Other class winners were Julia Berwager, senior; Harriett Dygert, sophomore, and Lois Guba, freshman. The class winners in the badminton tournament were Kay Fertig, senior; Ellene Edmond, junior; Florence Barker, sophomore, and Muriel Harding, freshman.

The archery team entered the Women's Interscholastic Telegraphic Archery Tournament for the first time last year, and made a name for itself by keeping up with competition from 121 teams from eighty-five colleges representing thirty-five states and the territory of Hawaii. Those on the team were Hazel Beard, Mildred Harding, Bette Helm, Julia Berwager, Doris Mathias, Peg Jefferson, Ellene Edmond, and June Lippy. Hazel Beard received a certificate for scoring over 300 points.

An innovation this fall is the system of organized hikes on Sunday afternoons. The country around here offers many good hiking routes, and there are several people in school who are familiar with these and who are leading the hikes, to which everyone is invited.

So far this year much enthusiasm has been shown for hockey. Many girls have come out for practice, and there are a number of skilled players. The games will start soon, and it is an open question as to who will win the championship. Class loyalty is the prevailing spirit.

As soon as these games are over, the badminton tournament will begin, and it is hoped that many girls will try their hand at this sport.

THE SECRETARY'S CORNER

1941 CLASS REUNIONS

Think ahead to Saturday, May 31, 1941, and plan to make your Decoration Day holiday carry you over to Homecoming Day and your Class Reunion on College Hill. All classes ending in one and six will be particularly invited to celebrate on that date. We hope to have a program for you that will be worthwhile.

PREPAREDNESS

In our National Preparedness Program, approximately 600 alumni registered on October 16. In addition to this number there are dozens who are on Registration Boards, Medical Boards, Reviewing Boards, etc., so that Western Maryland College is doing its part in the Preparedness Program of our Country.

JUST IN CASE

You did not read the Summer Edition, dues have been reduced from \$2.00 to \$1.00 per year. To be ef-

fective, therefore, twice as many alumni should pay their dues. How about it?

SOME LEFT

There are still available copies of "Western Maryland College in the 19th Century" to those who pay their dues. Get your copy while they last. First come, first served.

HOMECOMING DAY

The October Bulletin was an announcement of the dinner, sponsored by the Carroll County Club, November 9, in the College dining room at six o'clock. The reservations are coming in and it looks as if there would be a splendid attendance.

Dinner \$1.00 per person. The dance coupon, plus 10c tax, paid at the door, will admit you to the dance in Gill Gymnasium, where you will be guests of the Gamma Beta Chi fraternity. Come and spend the day with us.

Dear Alumni:

This Bulletin, following closely on top of bills for dues and notices of sectional meetings, should be a reminder to get that little business out of the way, if you have not already done so, before Thanksgiving and Christmas take all your change. Class Memorials are slowly growing: so are needs. Remember too, contributions to this Class Memorial are deductible from your income tax. Why not make a worthwhile contribution.

New Englanders, in planning for the first meeting east of the Hudson River, we hope it will be possible for a goodly number of you to attend the supper and meeting after the Boston University football game on November 23. The supper will be inexpensive; the atmosphere cordial. You will get another, more definite, notice later.

The Baltimore, Philadelphia, New York, and Eastern Shore groups should make their date selections now, so that the next issue of the Bulletin can advertise, throughout our alumni, the time, place, and price of each of these meetings. If you have read every word of this little note and will do what I have asked you to do, your Association will be in a position to help your Alma Mater.

Cordially yours,

T. K. HARRISON,
Executive Secretary.

Levine Hall

When Western Maryland College first opened its doors, it offered a curriculum for students on the secondary level as well as for those of college grade. The First Annual Circular, bearing the date of 1867, contains the statement "In the Preparatory Department, to which strictest attention will be paid, all the elements will be thoroughly taught, embracing, among others, English Grammar, Composition, Geography, History, Arithmetic, Penmanship, etc." This department was continued annually until the year 1926.

At first the regular college facilities were used for this department. The catalogue of 1890-91 refers to "the newly-erected building for the exclusive use of the Primary Department," while the catalogue of 1891-92 states that the building is "known as Levine Hall." The structure (alumni and friends will recall) is the first to greet the eye as one approaches the campus from town. Originally the building was two stories, the first floor being a large single room, the second containing eight dormitory rooms. In 1899 a third story as well as an entire new bay on the street side were added to the hall. The entrance to the building led from a porch which spread across the front and around the west side of the building. Although the walls were red brick, they were painted in the same manner as the Main Building.

When the Preparatory School was discontinued by the college, the building was used as a dormitory for senior men, housing forty-two students. The first floor was given over to the Military Department, providing an office, quartermaster headquarters and a large class room.

Through an annuity gift made by Dean A. M. Isanogle in 1939, the building has undergone extensive alterations and is now known as the Levine Hall of Music. The exterior paint has been removed and the original red brick, similar to that in other college buildings, has been restored. The porch and entrance in front have been removed and a new approach added on the east side of the building. By a small addition to this wing, a bright and ample lobby has been made, from which lead the stairs to the upper floors, the recital room and the studio of the Professor of Music.

The recital room has been favorably commented upon by all who have seen it. It is beautifully finished in mahogany panels, with unusually decorative cornice, moulding and chair-rail. The floor is covered with a mottled mahogany linoleum. The pillars originally found in the room have been removed, and steel girders, attractively boxed, now form the support. The ceiling is covered with the sound-absorbing acousti-celotex. There is an adequate platform in the front of the room. Student recitals as well as more formal musical programs are given in this auditorium which has a seating capacity of one hundred fifty.

The studio for the Professor of Music is well lighted, commodious and decorative. Venetian blinds add to the attractiveness of the room. There are five additional studios on the second and third floors for other members of the music staff. The stairways and halls have been renovated throughout, and, together with all the studios, have been sound-proofed. Each studio has been decorated differently and in a color scheme unusually pleasant. New lights and fixtures have been installed in the entire building. Hardwood floors have been laid wherever renovations have been completed. As money is available, the ten remaining rooms will be sound-proofed. These rooms will be used for student practice.

As is generally known, the music instruction has for a period of years been scattered over the entire campus. There have been five different locations for the teaching of music and as many additional places for practice. The resulting confusion has been notorious. Now both teaching and practice are centered in the one building where the six department members can more unitedly supervise the music instruction.

Alumni and friends of the college will be interested in seeing the new Levine Hall of Music both because of the attractiveness of its colonial exterior and the beauty and usefulness of the interior. In addition, it is to be noted that we have preserved one of the oldest buildings on our campus. It is older than either Ward Hall or McKinstry Hall of the Main Building group. Only the original part of Main Building, Smith Hall, Herring Hall and the President's Home antedate Levine Hall of Music.

PHILLIP ROYER

The Music Department has furnished Western Marylanders with two new marches during the past year. The music and lyrics for both were composed by Philip Royer, instructor in instrumental music. The cheerable, singable *Coach Havens March* quickly became a favorite and has been used regularly during the 1940 football season.

Sergeants Thomas Lavin and George Junior, after ten years of working to build a better band at Western Maryland College, were honored at the annual band concert, February 26, 1940, with the dedicatory playing of the *J and L March*. The words for the Trio part of this march are as follows:

J. & L. MARCH

Hail to Sergeant Junior of the Hill;
Hail to Lavin, too!
With drum and bugle we acclaim you,
And sing our thanks to you.
In all our endeavors you have played
a part
And helped us from the start.
We hope you'll always hear this mes-
sage ringing
In your heart.

COACH HAVENS MARCH

We want a touchdown!
We want a touchdown!
We're here to score again today.
We want a touchdown!
We want a touchdown!
Come on and terrorize this play.
We want a touchdown!
We want a touchdown!
We'll cheer for every gain we see;
Come on, Coach Havens, show us
what you've got
For W M C.

The College Orchestra, under the able direction of Philip Royer, is planning an extensive program of music for the year, the high lights of which will be two concerts—one given on January 13 and the other on May 1.

The January concert will be given before the student body at the weekly assembly program. The numbers on this program are to be conducted by the six members of the student conducting class. A program of orchestral transcriptions arranged by Richard L. Weaver will be played. These transcriptions will be excerpts from the works of Tschaiakowsky, Mozart, Beethoven, and Wagner.

For a number of years the orchestra has assisted with the Carroll County Eisteddfod, a program of music presented by the students of the public schools of the county. This year, on April 25, the orchestra will accompany approximately four hundred students in a concertized version of *The Mikado*.

The evening of May 1 marks the time for the annual spring concert given for the student body and the public in Alumni Hall. An all-Mozart program is being planned, featuring the *G Minor Symphony*. Of particular interest to all alumni will be the appearance on this program of a guest artist, Earl Lippy, of Radio City Music Hall, a member of the Class of 1929, who will sing two arias, *The Marriage of Figaro* and *Don Giovanni*.

Please consult the November Bulletin as to the "Friends of the Library Appeal."

A gift of two, three, five or ten dollars to the Library Fund will add a much needed book to the library.

Many Christmas activities of a gala nature were enjoyed by the students and faculty members during the pre-holiday season on the Hill. The sororities, fraternities, clubs, and classes enjoyed Christmas dinners, dances, carol singing, and other festive occasions.

The high light of the season, portraying the real meaning of Christmas, was the Vesper Service held in Alumni Hall the afternoon of December 15. The prelude and interlude of organ music was played by Mr. Oliver Spangler. The impressive candlelight procession by the Vesper Choir followed the prelude. The Choir, directed by Mr. Alfred de Long, presented the following program of Christmas carols:

As lately we watched.....*Austrian Carol*
Lullaby, Jesus, dear.....*Polish Carol*
O nightingale, awake!.....*Swiss Carol*
Stars lead us ever on

Stouze Tribal Carol
Mid-Winter Carol.....*Johnson*
Ninna Nanna.....*Italian Carol*
Fum! Fum! Fum!.....*Catalonian Carol*
Balkan Candle Carol.....*Gaul*
Hallelujah Chorus (Messiah)

Handel

A most inspiring worship service was conducted by the College Players. They presented the Christmas story in sculpture in a series of tableaux originated and directed by Miss Esther Smith. These tableaux were based on the Venite Adoremus by Frederica LeF. Bellamy.

Throughout the Vesper Service prevailed a sense of peace and good will that is always evident when the story of Christmas is presented.

THE SECRETARY'S CORNER

WAS HOMECOMING DAY A
SUCCESS

The registration sheets, while not by any means complete, indicate that 44 classes were represented during the day, only 5 classes being among the missing from 1899 to the present student body.

1940 Homecoming Day, Saturday, November 9, turned out to be one of those sparkling, clear, cool, autumn days that we so often hear about but seldom experience. The day was perfect. The program for the day consisted of "open house" by the many clubs on the campus, luncheon meeting of the Board of Governors of the Alumni Association, followed by a football game between the Terrors and their ancient rival, Washington College. The grandstand was full. There was a triple line of automobiles parked on the hillside and the sidelines were packed. The joy of the occasion was sweetened by a 27-13 victory.

The student body had an election early in the week and a Homecoming Queen and her Court were elected. Preceding the game, the band paraded on the field and escorted Kathleen Coe, '41, Homecoming Queen, and her attendants, Jeannette Wigley, '41, Edna Trisler, '42, Mary Frances Hawkins, '43, and Rebecca Larmore, '44, to appropriate positions in the grandstand.

At 6:00 P. M., the Carroll County Club of the Alumni Association sponsored the Homecoming Dinner. Our dietitians served a delightful turkey dinner. The 1941 graduating class was presented and the Homecoming Queen and her Court were introduced. It was worth the trip back to see this charming bevy of girls. Except for a greeting to the old grads by President Holloway and a challenge to the graduating class by the President of the Alumni Association, there was no speaking. A few loved songs were sung, and then adjournment.

Resplendent in the colors of the Gamma Beta Chi fraternity, Gill Gynnasium doors were thrown open at 8:30 P. M. to probably the largest attended Ball ever held on College Hill.

Yes! Homecoming Day was a success!

The prevailing spirit of "Let George do it" seems to be to the fore when it comes to arranging for Alumni meetings. Quite a number of our groups are yet to be heard from. They are urged to send in their selected dates as early as possible, to avoid duplication by other groups.

BOSTON TEA PARTY
1940 EDITION

Following the Western Maryland-Boston University football game, a number of New England Alumni held a Supper Reunion in the Beaconsfield Hotel, Brookline, Massachusetts, at 6:00 P. M., Saturday, November 23.

Those who attended were:

Fred A. Coe, '38
Robert W. Coe, Jr., '37
Rev. Robert W. Coe, '09
Mrs. Ellen Jackson Coe, '11
(parents of Kathleen Coe, '41)
Mr. and Mrs. M. H. Fox, '31
Mr. and Mrs. W. A. Gibson, '09
Ellen J. Hancock, '38
T. K. Harrison, '01
Mrs. Edith Earhart Hastings, '94
Harold W. Kopp, '32
Mrs. June Cooling Kopp, '33
Philip Ramer, '07
Mr. and Mrs. W. A. Reese
(parents of Shirley Reese, '42)
Paul O. Ritchie, '37, accompanied by his brother
Dr. and Mrs. L. F. Salerno
(parents of Gloria Salerno, '42, and Virginia Salerno, '44)
Harry B. Whitehead
Mrs. Katherine Grumbine Whitehead, '29

In addition to those present at the dinner, A. S. Benjamin, ex-'38, and Mr. and Mrs. J. B. Warman (Annie Owings Sansbury), '37, attended the game; and Lylal W. Clark, '29, was at the train to see the boys.

EASTERN SHORE ALUMNI

Plans are under way for another all Del-Mar-Va evening, including dinner and entertainment, at State Teachers College, Salisbury, Friday evening, April 18, 1941. All Eastern Shore Alumni will please take note and be prepared to cooperate with Mrs. Gardner Spring, Jr., Eastern Shore Vice-President, 102 Elizabeth St., Salisbury, Md.

WASHINGTON ALUMNI

I have just attended an informal tea in the Club Studio of the Fairfax Hotel in Washington. Vice-President Emily Sillin was in charge. About fifty persons attended. During the evening Henry Gilligan, '01, made a few remarks. One of his statements was of particular interest to me. He stated that weekly luncheon meetings had been started in November, 1919, and during the twenty-one years only two or three had been missed.

WARNING

The following Class Presidents are given warning that they are soon to be asked for letters to their classmates, calling them to their Class Reunion, Saturday, May 31, 1941.

A. S. Crockett, 1891
J. W. Smith, 1896
E. A. Cobey, 1901
R. C. Smith, 1906

O. B. Langrall, 1921
W. S. Veasey, 1926
J. C. Newcomer, 1931
W. W. Bratton, 1936

Without waiting please formulate your letter now and mail it to me so that it may be reproduced with the Class Roster and prepared for mailing out shortly after Christmas.

We are particularly anxious that we have as our guests for our Alumni Day Banquet on May 31, all who are members or who would have graduated in the seventies. Personal invitations will follow in due course. Will you plan now so you can accept these invitations when they reach you.

A BIBLE IN EACH ROOM

When a request was made in the summer edition of the Bulletin for contributions of a Bible (cost \$1.00) we had just ONE SUBSCRIPTION. Let's carry that a little further. There are a large number of Alumni who are ministers of the gospel. I suggest that each one of them ask his congregation for the ONE DOLLAR and send it to me for that purpose. I cannot believe this will be a burden to anyone.

Quentin Earhart, Edgar Rineh-

mer, and Joseph Wierman are teaching out of the state, Mr. Earhart in the state of Virginia, and Mr. Rinehimer and Mr. Wierman in the state of Pennsylvania.

We have learned that the following students are pursuing advanced study. Carolyn Smith, Kermit Beyard, and John Carnochan have returned to the Hill for fifth year work. Robert Stropp is assisting with the coaching program, and continuing his studies. Frank Mather is enrolled at New York University School of Retailing. At the University of Maryland Law School, Gordon Gilbert and Alvin Newton are pursuing advanced study; while Selman Garrison and Mason Sones are studying at the University of Maryland School of Medicine. Edward McLaughlin is enrolled at Drew Theological Seminary, and Lenney Bee is taking work at the Westminster Theological Seminary. Dorothy Delahay and Patty Payne are enrolled in the Pratt Library Training Course. Grace Brannock Smith is pursuing secretarial studies at Goldey College.

Some have entered the field of business. Marianna Lee Long is connected with B. F. Shriver Canning Company, Westminster; Madlyn Cline is working at an orphanage in Fre-

derick; while Ruth Kimmey is employed as secretary to the principal at Westminster High School. Edith Armacost, Helen Armacost, and Marguerite Kuhns are working in Baltimore. Catherine Jockel is assistant buyer in a Wilmington dress shop. Louise Brown is working at the Westminster Savings Bank, and Herman Beck is connected with a bank in Baltimore. William Melville accepted a position with the Carroll County Welfare Board; Charles Cole is with the Dupont de Nemours Company, Wilmington, Del.; while Marbury Linton is working in the office of the Federal Bureau of Investigation in Washington, D. C.

Some of the R.O.T.C. graduates have continued their military work. Samuel Galbreath is with the air corps stationed at Kelly Field, Texas; Paul Burtis is doing active duty at Fort Benning, Georgia; Edwin Elder is located at Governors Island, New York; Jack Lytton is doing CCC duty in Pennsylvania; while Harry Lowery and Max Kable, ex-'41, are with the air corps at Maxwell Field, Alabama.

Several of the members of the class were married following graduation. Margaret Jefferson is Mrs. William Tyler, living at 2114 North Smallwood Street, Baltimore. Eleanor Gaither became Mrs. William Geiger, Jr., on Friday, November 29. Mr. and Mrs. Geiger are living at 5821 Royal Oak Avenue, Baltimore. Mrs. McGivern, before her marriage to Ensign C. F. McGivern, was Mary Anna Brown. On August 18, Mildred Baumgardner became the bride of Theodore Mount Jester. Carlyn Gompf was the maid of honor. The marriage of Nellie Blonsky, '41, and Eugene Hilton took place September 6.

Christmas Song

*There's a song in the air! There's a star in the sky!
There's a mother's deep prayer and a baby's low cry!
And the star rains its fire while the beautiful sing,
For the manger of Bethlehem cradles a King!*

*There's a tumult of joy o'er the wonderful birth,
For the Virgin's sweet boy is the Lord of the earth.
Ay! the star rains its fire while the beautiful sing,
For the manger of Bethlehem cradles a King!*

*In the light of that star lie the ages impearled;
And that song from afar has swept over the world.
Every hearth is aflame, and the beautiful sing
In the homes of the nations that Jesus is King!*

*We rejoice in the light, and we echo the song
That comes down thro' the night from the heavenly throng.
Ay! we shout to the lovely evangel they bring,
And we greet in His cradle our Saviour and King!*

THE SUMMER SESSION

First Term, June 18 - July 23

Second Term, July 24 - August 27

Western Maryland College

Announces The

Tenth Summer Session

First Term, June 18 - July 23

Second Term, July 24 - August 27

The Tenth Summer Session

The ten-week Summer Session is an integral part of the school year and meets the needs of a large number of teachers and regular students. It is divided into two five-week terms. The enrollment for the first term is larger and, consequently, the course-offerings richer than for the second term. The consistent growth of summer attendance speaks well for the work of the session and the life of the school. However, we are still a small group of less than three hundred, most of them teachers or prospective teachers with many professional and social problems in common—just one big educational family.

The Small School

There are certain distinct advantages in attending the smaller school of good standing where the individual is not lost in the group; where the small classes afford close relation between student and teacher, and student and student. Few people can study or think best in a crowd.

Location

Western Maryland College, College Hill, Westminster, thirty miles west of Baltimore, fifty miles north of Washington, and twenty-five miles south of Gettysburg, atop one of the hills of the Piedmont where the summer heat and humidity are low in a setting ideal for summer study and recreation.

Summer Living

Practically all except local students live on the campus and two of the new residence halls, Blanche Ward Hall for women, Albert Norman Ward Hall for men, are open for their use. Meals are served in the college dining room.

Recreation

Summer students are encouraged to combine recreation and study in wholesome measure and facilities on the campus for recreation, outside the regular courses, are ample and free.

The summer session is enriched and enlivened by occasional recitals, receptions, and outdoor dramatics; by lectures, demonstrations, and exhibits given by specialists who have a message; by frequent conferences, educational and religious; by field trips for the collection of material and the observation of phenomena in connection with the biology, geology, and geography courses; by instructive excursions to places economically and historically interesting—as industrial plants, the Battle Fields of Antietam and Gettysburg, the libraries, art galleries, and museums in Baltimore and Washington; and by afternoon and supper picnics in the gardens and parks on the campus. A large campus, well equipped for sports, offers exceptional facilities for recreation in tennis, archery, golf and other games. The community and the College unite for the instruction and entertainment of the summer group.

Graduate and Undergraduate Courses

Most of the work of the summer session has been on the undergraduate level, accredited toward the renewal or the advancing of the grade of certificate and toward the A.B. degree. Hence, most of the courses are academic rather than professional.

There are attending the summer session for advanced study an increasing number of college graduates, most of them high school teachers, who have as their objective the Master's degree, the principal's certificate, or renewal. The college is making provision for this group in the summer session, and the graduate work offered is approved by the State Department of Education for the Master's degree and the high school principal's certificate.

Courses and Credits

Regularly catalogued courses carrying full college credit are given in the summer session. A three-semester-hour course meeting three hours a week for 15 weeks during the regular session, meets, in summer, nine hours a week—six one-and-one-half hour periods—for five weeks. A student in regular session carries five or six courses to earn seventeen or eighteen credits; in summer, he carries but two such courses to earn six semester-hour credits each term.

The six credits which may be earned each term of the summer session may be credited toward the B.A. degree, toward certificate credit, toward renewal of certificate, and/or, within certain limits, toward the M.A. degree.

Courses are offered in most of the usual or common branches, some of which are listed below. The Summer Catalog, published in April, will describe these more fully. This folder calls attention to the several special subjects which make the first term of the summer session especially worth while.

Special Features

Physical and Health Education

We did not have to go to the selective draft records to sense youth's need for health knowledge and better health habits. In the early twenties, Western Maryland urged courses in physical education and health as part of the equipment of practically every high school teacher and was the first college in Maryland to prepare physical education teachers and to ask that certificate requirements be set up. These courses are equally important to the elementary teacher. Some twenty years ago, the West Law made credits in physical and health education a requirement for all teachers in Virginia, and other states have followed this lead.

Since its beginning, the summer school has given courses in physical education and health and in the teaching of these subjects. The program in physical and health education is being improved continually and made to fit more definitely the needs of the elementary or high school teacher, whether full-time or part time.

Summer School Music

Levine Hall has been completely remodeled to house all college music. It now contains a small auditorium for student and other recitals, six studios for instructors—all treated for the best sound effects—and twelve sound proofed rooms for student practice.

The work in music at Western Maryland has long had favored recognition and the College carries music instruction on the same high level through the summer session. Theoretical courses, public school music for both elementary and high school teachers, conducting, piano, organ, violin, and voice will be offered.

As radio and recorded music have become available in practically every home, more and more people wish to understand, appreciate and enjoy music. So, year by year, music is gaining in importance as a school subject and teachers of music are in great demand. In the elementary school, where special teachers of music are found only in the larger schools, it is essential that most teachers be able to select and teach good music.

In addition to the courses usually given, a course in the principles of directing or conducting orchestra and chorus, with or without baton, will be offered again this summer and a class of elementary children will be used for practice. The course will include a study of orchestral instruments, especially violin, cornet, and clarinet.

Library Science

In response to an insistent demand, Western Maryland first offered Library Science courses in the summer of '35 and has added courses each summer until students who follow the courses through earn as much as the thirty semester hours credit required for a librarian's certificate. (For the part-time or teacher librarian at least twelve semester hours of Library Science are recommended.)

Most graded schools and certainly every high school should have on the staff a librarian or teacher-librarian trained in the selection, cataloguing, and the effective use of books. In connection with these courses, ten or more visiting authorities will lecture on books, library techniques, and special book service. These lectures are open to all students of the Summer Session.

Problems of Administration, Organization, Curriculum, and Guidance in the Secondary School

A LABORATORY OR WORKSHOP PROJECT dealing with the immediate problems growing out of the reorganization of secondary education now in progress in many of the counties of Maryland, a reorganization growing out of the trend which absorbs the seventh grade into the high school unit, with the consequent curriculum, guidance, and other adjustments which will need to be made. Some students of reorganization will want to go further and consider the next step, i.e. ways and means of expanding the eleven year system into twelve grades, with the consequent more serious problems of adjustment and extension of curricula and of guidance service in order to make the added cost in time and money most worthwhile.

In order to narrow, unify, and make the study and the findings more functional, the problems of those schools which house the junior and senior high school grades in one building will receive special emphasis. *This workshop* will be conducted under the leadership and direction of a staff, to be announced later, each of whom has made some notable contribution in study and practice in one or more of the above mentioned areas.

REGISTRATION

The Summer Session at Western Maryland College offers a ten-week session, equivalent to two-thirds of one semester, which is divided into two five-week terms:—

First Term, June 18 to July 23.

Second Term, July 24 to August 27.

Registration must be completed for the first term before 8 P. M., Wednesday, June 18, for the second term, Wednesday, July 23.

Classes will meet promptly on June 19 and on July 24, beginning the first and the second terms respectively.

Guidance

Give credit to the far-seeing policy of the State Department of Education that we do not need to define guidance nor talk of its important function in the schools; most teachers know. And, most teachers are alert to any suggestion that will make the guidance service in their schools more effective.

Those interested especially in guidance and counseling may earn three credits in the regular lecture-recitation course and three additional credit-hours in the laboratory or "workshop" where guidance and related activities will be an important feature.

Visual Education

It is important that teachers use to the best advantage the wealth of illustrative material available and the inexpensive visual aids that may be had. We know that young children learn largely through seeing and that most youth and adults learn more readily through the sense of sight. We know too that visual alertness can be improved, that children can be taught to see more fully what is before their eyes, hence the two-fold task of visual education courses.

Visual education courses are offered for the first time this summer. They are already required or strongly recommended for certificate in several nearby states.

EXPENSES

Administration Building

An Etching by Don Swann

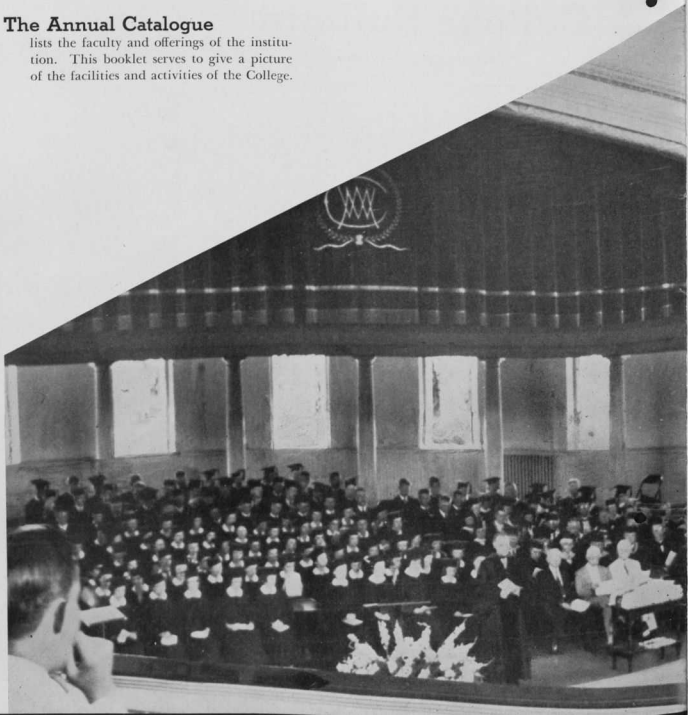

The Annual Catalogue

lists the faculty and offerings of the institution. This booklet serves to give a picture of the facilities and activities of the College.

College Commencement

is the culmination of four years of study. The diploma received is a symbol of attainment. It is more than that. It is in any given case a symbol of four years' life on a college campus. It represents the contribution which a college has made to the life of an individual.

The College

is ideally located in the hills of Western Maryland, twenty-five miles from Baltimore and fifty-five miles from Washington. Its one-hundred acre campus is one of unusual charm and offers

an atmosphere conducive to mental, physical, and moral development. This bird's eye view gives one a picture of the institution in its entirety.

The College

Western Maryland College

is an institution founded by the Methodist Church. Its beautiful Chapel has now been outgrown by the student body. The structure, however, is used for Student Christian Association meetings. Students are required to attend a chapel service weekly which is held Sunday evening in Alumni Hall. The college choir furnishes special music for these services. Toward the end of the year the choir regularly gives three concerts, usually in such large centers as New York, Baltimore, or Washington.

Alumni Hall

has an auditorium seating more than one thousand persons. Student programs, such as those by the orchestra and the college players, as well as the regular concert series are held in this building.

The Library

is frequently referred to as the heart of an institution. Western Maryland's three-story structure provides a library of excellent proportions and one of constant growth. We present herewith not only an exterior picture of the building but also three interior views showing, in order, the main reading and stack rooms, the reference rooms, and the periodical room.

Lewis Hall

breathes college atmosphere. It is our oldest classroom building. It contains also the chemistry laboratories, the physics laboratories, scenes from which are here included. The classroom view is a snapshot taken in the art lecture room.

Levine Hall

is one of the oldest buildings on the campus and was renovated in 1940 as the Music Building. It contains a beautifully appointed recital room, six studios for music teachers, and twelve practice rooms. There are two pipe organs on the campus, giving adequate opportunity for instruction to students in that field.

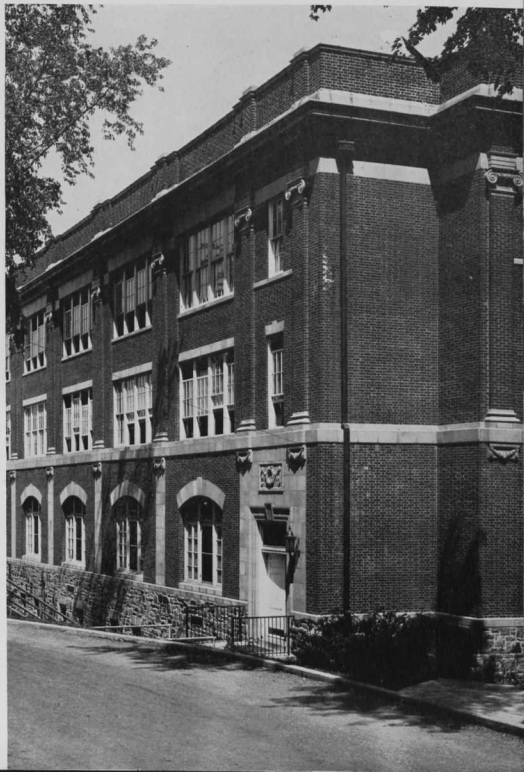

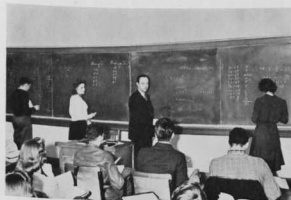

All Students

at the College eat in a central dining room located in Science Hall. The dining room seats six hundred. The kitchen, located on the ground floor, is open for inspection at all times. The college farm of two hundred fifty acres supplies milk, eggs, etc., to the dining room.

The upper two floors of this building contain classrooms and the biology laboratories.

McDaniel Hall

(shown here) and Blanche Ward Hall form the women's quadrangle. In the former building is a large lounge, the center of many social activities. The building overlooks the beautiful Robinson Gardens.

Blanche Ward Hall

was erected in 1935. In addition to the dormitory rooms and the usual lounge rooms, it houses also the girls' gymnasium. This, together with the auxiliary rooms, gives ample facilities for the Department of Physical Education for Women.

Albert Norman Ward Hall,

the newest dormitory for men (erected in 1939), is built on the unit plan. Its accommodations are superior in every way. The picture shown here is from an etching by Don Swann.

The Robert J. Gill Gymnasium

was erected at the time of the building of the new dormitory for men. It has ample shower and physical education rooms. The main playing floor measures 80 x 115 feet. It is furnished with telescopic bleachers with a capacity of more than one thousand persons. This picture likewise is from a Don Swann etching.

Old Main

with its four wings is in the center of the campus. Hidden as it is by trees and other buildings, it is difficult to photograph. Various college departments, as well as two dormitories for men, are found here. It overlooks attractive landscaping in both winter and summer.

The Home Management House

is situated on the front campus, shaded by oaks, elms, and maples. Wherever one walks on the campus one finds attractive gardens or interesting vistas. Flowering shrubs are to be found in abundance everywhere.

Ward Memorial Arch

connects the town and the campus.
Following the main path one passes
through the gardens and summer
house by way of the wishing well
and eventually reaches the Harvey
Stone Park at the other extreme of
the campus where is located a large
picnic pavilion.

Campus Life

at Western Maryland boasts the usual social, extra-curricular activities, fostered by a joint committee of students and faculty members.

Sports for Men

include practically every type of game in both intramural and intercollegiate competition. Western Maryland teams have made enviable records in every major sport.

Co-eds

find a well-rounded program of extra-curricular activities, from horseback riding and instruction (not conducted by the College but available at a private stable adjoining the campus) to the winter sports of skating and skiing.

Alumni of the College are urged to help us by inviting prospective college students to attend our Visitors' Day. It will help us greatly if you will send to the Office of the Registrar the names of young people whom you know who are planning to enter college in September.

Visitors' Day for Young Men and Young Women

*A Program of General Interest, including Interscholastic
and Intercollegiate Sports Tournaments*

We cordially invite all high school seniors who are interested in Western Maryland to spend this day on our campus and to have lunch with us in the College Dining Hall. Ample opportunity will be given to see the facilities and equipment which the college offers.

Lewis Hall

Lewis Hall, erected in 1914 to replace old Science Hall, was described in the 1915 Annual Catalogue as "Thomas Hamilton Lewis Recitation Building . . . the largest single building yet erected on the Campus." It also added that it was "connected with Hering Hall by a covered brick corridor." Alumni of that era will recall that the "covered brick corridor" was built to obviate the need for women students to trespass on the men's campus, since Lewis Hall cleared the women's campus by about ten feet!

At the time, it was said that the structure was the finest recitation building in the State. While the building is not an architectural gem, it is truly collegiate and gives a definitely academic atmosphere. Today coeducational life streams through it in an apparently eager pursuit of knowledge. Do any of you recall the earlier days when doors, midway in each corridor, separated the classrooms in which young women assembled from those in which young men received instruction?

The observatory crowns the structure. A Saegmuller telescope, equatorially mounted and driven by clock-work, and a very complete engineer's transit (also Saegmuller) are located there. While astronomy has never been a major study at Western Maryland, there has

always been a sizeable group eager for a basic course in this study.

The chemistry laboratories occupy the third floor. Their usefulness has been increased by the recent installation of fluorescent lights. These make practical the use of the laboratories at all times. The second floor is given over to classrooms, while the physics laboratory is located on the first floor. Here, also, new lighting has been installed. An extra room is given over to the Lee Mineralogical Collection. A project is now under way for the classification and exhibition of the numerous specimens in this collection. When completed, it will be open for student use and public visitation.

Even with the addition of Science Hall the capacity of this building is overtaxed. Eventually the entire building must be given over to the Departments of Chemistry and Physics. Few of us stop to realize that Western Maryland's student body has multiplied four times since the year in which Lewis Hall was built!

BETTY BROWN

WOMEN'S ATHLETIC ASSOCIATION

At a recent meeting of the Women's Athletic Association, June Lippy, of Westminster, was elected president to succeed Betty Brown. Ruth MacVean was chosen vice-president and the secretary and treasurer posts were awarded to Marie Steele and Mary Louise Sehrt, respectively. At the same time managers were appointed for the coming year in the following sports: hockey, Emily Linton; hiking, Helen Heminghaus; basketball, Ruth Anne Whitmore; softball, Anna Myers; volleyball, Emily Billingslea; tennis, Phyllis Cade; archery, Dorothy Turner; golf, Harriett Dygert; and badminton, Muriel Harding.

With the closing of the volleyball season, the department of physical education announced the following as the honorary squad: Sehrt, MacVean, and Wentz, first row; Steele, Morris, and Linton, second row; Whitmore and Kalar, third row.

rode, F. G. Holloway, Jr., T. J. Lavin, Jr., P. R. Brooks, M. Phillips, W. D. Preston, V. D. Hudson, J. A. Pirie.

Spring On The Campus

(From the Social Calendar)

April 7.

Spring Vacation ends.

April 9.

Investiture. The seniors were invested with academic cap and gown in Alumni Hall. Dr. Lawrence Little, Professor of Philosophy and Religion, gave the address, choosing as his keynote: "What is an education?" In summarizing, he stated: "In times like these, unless a person recognizes great obligations and is willing to accept great responsibilities, no matter how much he knows, he is never truly educated."

April 10.

Nursery School opens. Dr. McDaniel's former home has been remodeled and makes an ideal Home Management House and Nursery School.

April 13.

Dr. Theodore M. Whitfield, Professor of History, opened a series of senior sermons with the address: "An Historian Looks at God." This is the first of annual addresses which will be delivered by members of the faculty on the subject of Theism.

April 17.

Faculty Club. The faculty, with students majoring in music as their guests, were privileged to hear a recital given by Mischa Niedleman, cellist of the National Symphony Orchestra. Mr. Cloyd L. Bennighof of the Biology Department was elected President of the Club for 1941-1942, succeeding Mr. Frank Hurt, Assistant Professor of Political Science.

April 18.

Senior Speech Recital. This year the recital was given in Alumni Hall instead of Smith Hall where it has been held previously.

April 19.

Junior Prom. Music by Barry McKinley and his orchestra.

April 24.

French Club Tournament at University of Maryland. This is the third

annual French play tournament and has been won all three years by the group from Western Maryland, directed by Miss Margaret Snader.

THE FRIENDS OF THE LIBRARY

A total of \$225.00 has been received in response to our appeal for library funds. In addition to this, we have had an unusual gift from Mr. and Mrs. Walter H. Davis, of Westminster, of a collection of NAPOLEONA. The latter is a collection of unusual and valuable books and makes an excellent addition to our library.

April 25.

Eisteddfod. Each high school in Carroll County is represented by a soloist, or chorus, or both. The final number on the program this year was a concertized version of the Mikado, with about 450 voices accompanied by the College Orchestra.

April 26.

Phi Alpha Mu Sorority Fifteenth Birthday Anniversary Dinner and Dance.

April 27.

College Choir Concert in the Maryland Casualty Auditorium in Baltimore. This took the place of the regular Sunday evening chapel service.

April 28.

Beta Beta Beta Meeting. Dr. Joseph Harned, author of "Wild Flowers of the Alleghenies," gave an illustrated lecture on Wild Flowers. Dr. Harned is the father of two Western Maryland alumni, and his grandson, Kenneth Burdette, is a member of the Class of 1944.

April 29.

Professor John G. Glenn of Gettysburg College gave an interesting address on Modern Interest in Horace to a group of students and faculty members. He was accompanied by Professor Fred Schaffer, also of Gettysburg.

May 1.

Orchestra Concert. This year the College Symphony Orchestra presented an all-Mozart concert, in commemoration of the sesquicentennial of Mozart's death. Mr. Alfred de Long and Miss Jane Fraley were featured as soloists.

May 3.

May Day. For the first time in five years, the sun shone on May Day so that the celebration could be held in the outdoor amphitheatre. Kathleen Coe presided over the festivities of the day as May Queen. After the coronation of the queen, a play was presented. Other events of the day included a picnic supper and a "leap-year" dance, with the women issuing the invitations.

May 6.

Student Music Recital in Levine Music Hall.

May 7.

J.G.C. Dinner and Theatre Party.

May 9.

Meeting of the Maryland Section of the American Chemical Society.

May 10.

Visitors' Day. High school seniors from all Maryland high schools and near-by out-of-state schools were guests of the College. The program for the day, which included tours of the campus and discussions of curricular and extra-curricular activities, was planned to acquaint the students with the offerings of Western Maryland College.

May 13.

Student Music Recital in Levine Music Hall.

May 15.

Art Exhibit. At this annual exhibit, the work of the students in the various fields of art, painting, sketching, crafts, etc., is displayed. Each student in the department is represented by one or more projects.

May 18.

Choir Concert in Washington.

May 20.

Argonauts Banquet. Sophomores, Juniors, and Seniors with an average of B enjoyed a delicious banquet followed by the induction of the Fellows, those seniors who are to graduate with honors, into the Argonaut Society.

May 21.

Student Music Recital in Levine Music Hall.

May 23-25.

Choir trip to Atlantic City. This trip has become an annual affair with the choir presenting concerts in Wilmington and Atlantic City.

May 24.

Panhellenic Dance.

May 26.

Fashion Show. Members of the Clothing classes model the clothes which they have made during the year, demonstrating many different styles and different fabrics. The dresses that are worn by the seniors are particularly interesting in that at least some part of the dress has been designed entirely by the student. In some cases, the entire pattern has been originated by the wearer.

Commencement

May 30 to June 2! Mark these dates on your calendar and plan to come to College Hill for the activities planned for the seventy-first commencement. Contact the members of your class and plan to spend the week-end with them reviewing those days when you were a student on the Hill and becoming acquainted with those who are about to join the ranks of alumni of Western Maryland College.

"You Can't Take It With You" is the production which the College Players will present on Friday evening, May 31, in Alumni Hall.

"You Can't Take It With You," by

Moss Hart and George S. Kaufman, is the story of the members of the Sycamore family. This energetic household, headed by Grandpa Vonderhof, constitutes a living commentary on the accepted fact that there is no time like the present to get the most pleasure possible out of life.

In contrast to these delightful people, the play concerns the unhappy Kirbys, a typical example of an unhappy, rich family. The plot deals with Tony, the attractive young son of the Kirbys, who falls in love with Alice Sycamore and brings his parents to the Sycamore home, where interesting developments occur.

Under the able direction of Miss Esther Smith, the play will provide an evening of most pleasant entertainment.

Saturday will be the day devoted to alumni activities. McDaniel Hall Lounge will be the headquarters and will be open the entire day with host-

esses on hand during the day to make you feel at home. We do hope that you will register, thereby making it possible for other visitors to know who is on the Hill.

The following classes are scheduled for reunions:

1891	1916
1896	1921
1901	1926
1906	1931
1911	1936

Arrangements may be made for athletic events. The tennis courts and the golf course are at your disposal. Clubs will hold open house for the returning members. There will be an opportunity for reunion classes to meet and reminisce.

The Garden Party, with Dr. and Mrs. Holloway as host and hostess, will be held in Robinson Garden, a colorful setting for a pleasant event. This event offers a splendid opportunity for you to meet your friends.

The annual business meeting of the Alumni Association will be held at four-thirty o'clock. All alumni are urged to attend this meeting and participate in the business activities of the association.

In the evening a banquet will be held in the College Dining Room. Reunion classes will want to make reservations for special tables. Other alumni may reserve tables in groups of ten. Dr. Wills' portrait will be unveiled and presented to the College, after the members of the Class of 1941 have been officially welcomed into the Alumni Association.

Ten-thirty o'clock is the hour for the baccalaureate service in Alumni Hall on Sunday morning. Dr. Fred G. Holloway will deliver the sermon and the College Choir will provide the music.

At seven-thirty o'clock that evening the College Choir will give a concert of sacred and secular music. This program will be one of particular interest and prove a fitting climax to a pleasant day.

Degrees will be conferred upon the senior class members at the commencement exercises on Monday morning at ten o'clock. Bishop Adna Wright Leonard of Washington, D. C., bishop of the Methodist Church, will bring an inspirational address to the graduates, their relatives, and their friends.

Summer On The Campus

SUMMER SCHOOL

Western Maryland College announces its tenth summer session. The ten-week session, divided into two five-week terms—first term, June 18 to July 23; second term July 24 to August 27—has become an integral part of the school year and meets the needs of a large number of teachers and regular students.

A feature of this year's session is the workshop project beginning June 26 and continuing through August 1. This is a project dealing with the problems of administration, organization, curriculum, and guidance in the secondary schools. Immediate problems growing out of the reorganization of secondary schools, a reorganization which is imminent in most of the counties of Maryland, will be the basis for discussions during the period. The workshop offers a rare opportunity to principals and experienced teachers who will be concerned with this reorganization in the near future.

Other special features of the summer session will be physical and

health education, public school music, library science, visual education, and guidance. Courses in the regular liberal arts curriculum, such as English, History, Social Science, Mathematics, and Science, will be offered.

This summer school makes it possible for graduates of the College to carry summer work and, at the same time, renew acquaintances with former alumni and experience again attending their Alma Mater.

SUMMER CONFERENCES

For a number of years College Hill, with its many facilities, its ideal location, and its natural beauty has been the meeting place for various conference groups. Each year the number of groups to be accommodated has grown and this year is no exception.

The following conferences are scheduled to convene on the Hill during the summer months.

June 7-9

Woman's Baptist Missionary Association of the District of Columbia.

June 20-22

Washington Young People's Conference

June 23-24

High School Teachers Conference.

June 27-29

September 13-14

Methodist Sunday School Superintendents.

From The Alumni Secretary

THE SECRETARY'S LETTER

Dear Western Marylanders:

Another year and, mid all the distress of a war-torn world, your Alma Mater has progressed. Academically she has advanced, numerically she has held her own, and physically she has improved.

If these conditions are so *because* of your help, you should have a keen sense of happy proprietorship; if so *in spite* of your lack of help, will you not join those who build and let your influence be felt. The sidelines furnish a view but the field is where action is and that is where we should have you.

Cordially yours,

T. K. HARRISON,
Executive Secretary.

AFTER 27 YEARS

Do you save string, buttons, cigar wrappers? In *March, 1914*, we mailed out a card asking for support of the College Bulletin. On *April 14, 1941*, I received one of these cards with \$1.00 attached. We do not know whether an old desk was cleaned out, or what happened. This we do know: 'twas sent, 'twas received, 'twas kept, 'twas returned with a remittance. "WHAT TIME HAS WROUGHT."

REGISTER

Every visitor—alumni, especially—is requested to register in McDaniel Lounge immediately on arrival. Each person at the dinner is asked to register at the table. We want a complete registration.

DINNER-DANCE PLANS

1. Tables will be reserved, as usual, for *reunion classes*.
2. Tables will be reserved for groups of 10 only upon purchase of tickets for the group.
3. PRICE: \$1.25 per person.
NOTE: Tickets bought prior to May 30, \$1.00 per person. Buy early and save 25c.
4. For the dance following the dinner, a nominal charge will be made.

WILLS DINNER

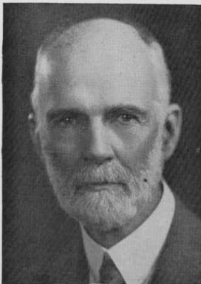

Dr. and Mrs. George Stockton Wills will be the guests of honor at the Alumni Dinner in the College dining room, Saturday, May 31, 1941. The special features will be the unveiling of Dr. Wills' portrait, and its presentation to the College.

Every alumnus who had a part in this testimonial to Dr. Wills should by all means come to the dinner, making reservations in advance. See "dinner plans."

DUES

By any other name, the dollar payment would be just as popular—or would it? Certainly it is essential. Here is a partial list of the things your dollar does—

1. Summer Bulletin.
2. Class Reunion Letters.
3. Class Rosters mailed.
4. Notices of Sectional Meetings.
5. Visits to meetings by the Secretary.
6. Bills for "dues"—right where we started.

DR. G. S. WILLS

ANNUAL MEETING

The annual meeting of the Alumni Association will be held in the McDaniel Hall "Y" Room, Saturday, May 31, 1941. Any person having a matter to bring before the association is requested to present it in writing to the Executive Secretary prior to the meeting.

DEL-MAR-VA DINNER MEETING

Friday, April 18, was a gala Western Maryland day in Salisbury. Nearly one hundred alumni and friends assembled at State Teachers College for their annual dinner meeting. The visitors from the College were Dr. and Mrs. Fred G. Holloway, Miss Wilsie Adkins, Miss Dorothy Elderdice, Mr. and Mrs. Milson Raver, and Secretary T. K. Harrison. Short speeches, songs, and pictures of College life on the Hill made an interesting program. Mrs. Gardiner Spring, Eastern Shore Vice-President, and her committee are to be congratulated. After adjournment, the lounge afforded opportunity for a "Parlor Night," which was enjoyed. Several "parties" at private homes finished off another lovely affair.

PHILADELPHIA DINNER MEETING

They just refused to go home.

Saturday, April 26, the Philadelphia alumni group held their 1941 dinner meeting in the "Pennac" room of the Penn Athletic Club, Philadelphia. Due to the unexpected absence of Dr. Holloway, Dr. Theodore Whitfield represented him and spoke of college work and its part in national affairs. Secretary Harrison carried the invitation to Alumni Day on May 31. At the conclusion of the dinner the entire group chatted for another two hours, planning things for their Alma Mater. Finally the chairman broke up the party by leaving to write his Sunday morning sermon.

The following officers were elected for 1941:

- President—Mrs. Marietta Veasey Zug, '02.
Vice-President—Mrs. Alice Wailes Scott, '05.
Secretary—Mrs. Dorothy Ward Myers, '22.
Treasurer—Mr. Howard Newnam, '24.

Members of these classes are invited to be guests of the College at the Alumni Dinner, Saturday, May 31, at 6:30 P. M., in the College Dining Hall.

Dr. Edwin B. Fenby, '77, a veteran Baltimore physician, died March 8 at the home of his son.

Mrs. Alice Earnest Barber, '77, died March 14 after a brief illness.

1891

This class is urged to return "full force" for its Golden Reunion.

1892

Word has been received of the marriage of Mrs. Roberta Keen Tubman to Rev. Edward Lawrence Hunt (P.E.). Her address is 322 W. 106 St., New York City.

The Rev. J. S. Williams, chaplain of the Good Samaritan Mission, Asheville, N. C., since its organization 29 years ago, retired this past December. His resignation was accepted by the board of directors with expressions of regret. The Board then elected the Rev. Mr. Williams as "chaplain emeritus, without obligation or responsibility, in honor of his long and faithful service."

1896

Plan to come to the Hill for your 45th Reunion!

Mr. and Mrs. Milton L. Veasey have announced the engagement of their daughter, Jane Y. Veasey, to Dr. John Stehn, who until this year has been an instructor in physics at Harvard University and is now doing research work for the Western Cartledge Co., Alton, Ill. Miss Veasey has been instructor in music at Western Maryland during the past year.

1897

The following letter, which will be of interest to alumni, has been received: "Dear Mr. Harrison. Please change my address from 10 Hon Cho, Tokuyama, Japan, to 185 Rockford St., Mount Airy, N. C. We were evacuated from Japan. We were living in a fortified zone, where further residence was not proper, as the U. S. is considered an enemy country. We were not mistreated nor driven out. Our departure was, however, approved and appreciated by the authorities. We are here on furlough. We expect to formally retire on my 70th birthday, May 8, this year. We are happily located at the base of the Blue Ridge Mountains. One son lives here. Our health is good. Frankly, J. W. Frank."

1901

Renew old acquaintances as you celebrate your 40th Reunion.

1906

Meet your former classmates at your 35th Reunion on College Hill, May 31.

Rev. George E. Bevans has moved from Philadelphia to 95 Quincy St., Quincy, Mass., where he is now serving as pastor of the First Presbyterian Church.

1909

William Henry Mikesell, chairman of the Department of Psychology and Director of the Personnel Bureau at the Municipal University of Wichita, Canada, has presented a complimentary copy of his newly published book, "Mental Hygiene," to the College Library.

1911

"Lost old acquaintance be forgot!"—return to W. M. C. for your 30th Reunion.

This class regrets the recent death of two of its members, that of Mrs. Ava Taylor Watson in February and that of John Thomas McCann in April.

All alumni who are teachers or connected with the teaching field are invited to be guests of the College at a conference to be held on the Hill June 23 and 24. A program of particular interest is being planned. If you have not already made reservations, we shall appreciate your doing so as soon as possible. We suggest that those teachers whose schools will not be closed at that time plan to come for the late afternoon, dinner, and evening sessions.

1913

Howard P. Doub, M.D., editor of "Radiology," is with the Henry Ford Hospital, in Detroit, Michigan.

1914

Maud Gibbons, who has been teaching in Upper Marlboro for twenty-two years, was married to John F. Danner, former local agent for the Pennsylvania R. R., on December 20. The wedding took place at St. Thomas Church, Croon, Md., at 7 P. M. There were eight attendants. A large company of relatives and friends were present.

1916

Plan to celebrate your Silver Reunion by returning to your Alma Mater for Alumni Day, May 31.

1918

The Rev. Dr. Paul F. Warner has returned to America from Japan with his wife and two sons. They are now living at Linthicum, Md.

1919

Howell Kurtz Smith, II, was born December 1. He is the son of Mr. and Mrs. H. K. Smith, of Minneapolis, Minn.

1921

Alumni returning for their 20th Reunion will be interested to see the many changes that have taken place on the Hill during the last two decades.

1924

Mildred S. Roman died on December 27 at the Church Home Hospital in Baltimore.

1926

Alumni Day, May 31—come, join your classmates for your 15th Reunion.

1928

Mr. and Mrs. Charles W. Held, of Towson, have announced the engagement of their daughter, *Elsie May Held*, to Dr. Thomas A. Naclerio, of New York. No date has been set for the wedding.

Since October, *Ruth French* has been on the staff of the Stanford University Library. Her present address is 452 Addison Ave., Palo Alto, Calif.

1929

On December 2, Anne Mehrling Kootz and Carolyn Louise Kootz were born. They are the twin daughters of Mr. and Mrs. Howard Kootz.

Capt. and Mrs. J. B. Lake (*Doris Hoffman*), with their two children, Martha Susan, age 5, and John Bush-rd, age 2, are living in Portsmouth, N. H., where Capt. Lake is with the Marine Base. Before her marriage in 1934 and subsequent return to this country, Miss Hoffman had been working with the embassy in China after teaching for one year in Carroll County, Md.

We were sorry to learn of the death on January 13 of *Ellen Shank Foutz*, the wife of *Charles R. Foutz, Jr.* She leaves two daughters, Martha Ellen and Mary Louise, and an infant son, Charles Ryle, III. Mrs. Foutz's sister, *Jeanne Shank*, is a member of the Class of 1941.

1930

Mr. and Mrs. Meyer Chepenik (*Esther Hollins*) are the proud parents of a son, Alan Burnett, born February 11, in Jacksonville, Fla.

1931

Be sure to be present at your 10th Reunion on College Hill, May 31.

Donald J. Woolley is now Field Biologist for the Virginia Fishing and Game Preserve, having received his Master's degree at V. P. I. last year.

Kathryn Lee Van Atta, daughter of Mr. and Mrs. R. K. Van Atta (*Betty Cain*), 4300 Miami Place, Baltimore, Md., was born June 9, 1940.

1932

Howard B. Gist and S. Gordon Thornton are pleased to announce that *D. Cameron Murchison* has become associated with them in the practice of law as a member of and under the firm name of Gist, Thornton & Murchison, Alexandria, La.

1933

Miriam Eleanor Fogle, of Uniontown, became the bride of Joseph Howard West, of Baltimore, on Saturday, January 18, at 4:30 P. M. The wedding took place in St. Paul's Lutheran Church, Uniontown, the church in which the bride and her mother were confirmed, and of which her grandfather was pastor for twenty-one years.

1934

Announcement was received January 8 of the birth of twin girls, daughters of Mr. and Mrs. William Wright.

1935

Gladys R. Jones is with the Henry Street Visiting Nurse Service in New York.

Mr. and Mrs. Charles J. Benson of Uppercro have announced the engagement of their daughter, *Mary Elizabeth Benson*, and George W. Walburn, of Cumberland.

Mr. and Mrs. John J. Long, 811 Elmwood Lane, Cumberland, are the parents of a son born New Year's Day. Mrs. Long is the former Margaret Withersop. Mr. Long is football and track coach and physical education instructor at Fort Hill High School.

Announcement has been made of the engagement of *Ruth Elizabeth Phipps* to Lieut. Francis A. Lambert, U. S. A., who is now stationed at Fort Totten, N. Y., with the 62nd Coast Artillery. Miss Phipps is a member of the faculty of Warner Junior High School, Wilmington, Del.

Our Flag At Western Maryland College

•

Oh, say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars thro' the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh, say, does that star spangled banner yet wave
O'er the land of the free, and the home of the brave?

NATIONAL DEFENSE AND W.M.C.

"What effect will the present national defense program have on Western Maryland College?" This question has been asked of me by several alumni. That the emergency would have its effect on our Alma Mater is obvious. Most liberal arts colleges will be affected, since they offer very few courses normally recognized as equipping men for work in the defense industries.

While at present writing we do not know to what degree, we feel certain that our enrollment will suffer because of upper-classmen who will be called in the draft. To offset this is the fact that we have an advanced R. O. T. C. course. A limited number of men are to be selected for this work, the same to be excused from the present draft regulations.

Our list of new students is quite impressive. The number of young women exceeds that of any previous year. The number of men is lower than we hoped, although in excess of all years but one.

The alumni were most cooperative in sending us names of prospective students. This response has no doubt helped to keep the enrollment up. We shall more and more depend on the alumni for assistance along this line. Indeed, it is not too early to solicit students for 1942-43.

Western Maryland College seeks to realize every opportunity offered in the present emergency. She has reckoned her function as one that will produce leaders. She has produced many in the past. She will continue

to produce them. She will expand her program whenever the need is felt. She will strive to be as contemporary as possible in her curriculum. Her purposes, she believes, have eternal values.

FRED G. HOLLOWAY.

During the first World War, R.O.T.C. training was introduced at W.M.C. for the first time. After the Armistice, in 1918, Dr. T. H. Lewis, then President of the College, recommended to the Board of Trustees that Military Science and Tactics be added to the curriculum, and that a Military Department be added. The Board readily consented, and Capt. L. H. Richmond was the first Professor of Military Science and Tactics (PMS&T). Military training became compulsory for the first two years of college work. Those proficient, and desiring to continue were permitted to do so. At the end of four years of satisfactory work in this Department, those who graduated were commissioned 2nd Lieutenants, U. S. Infantry Reserve. This has produced many Reserve Officers who are at this time on active duty in the army, side by side with graduates of other institutions. Western Maryland is proud of its Officer graduates; it believes they are serious minded men, eager to accept full responsibility for their particular assignment. Their training here will prove to be an aid to them and will lessen the task of training officers for their assignments in our National Defense Program.

T. K. HARRISON.

the Student Loan Fund at a trifling cost to the individual. WILL YOU DO THIS, TOO? Or add a quarter to your check for "Dues" for the same purpose.

1941 ALUMNI DAY

The Saturday of Commencement week is always a busy day. It seems that no matter how optimistic you may be about the day, there will always be a surprise right around the corner, waiting to jump on you. More Alumni were here than we have a record of—and there were more at the "Wills Dinner" than we have ever had on any previous occasion. Beginning on Friday evening, there was a continuous stream of grads, old and new, calling greetings back and forth. Alumni lose very little time in locating each other, and there is never a lack for something to talk about.

The Board of Trustees met at 11:00 followed by lunch at the Charles Carroll Hotel. There is no secret about their keen interest in the growth of the college. They are ever on the watch for things that may enhance the value of your Alma Mater.

The Board of Governors of the Alumni Association met at 1:00 and rounded out their year in the administration of Association affairs. The Garden Party, in Robinson Garden, is a perennial of such popularity that it needs no description. It is always largely attended, and it is with difficulty that they are drawn away to attend the annual business meeting in the "Y" Room.

The annual meeting convened at 4:30. A goodly number attended, but there should be more interest in these meetings, for through them the work of the Association is known.

At 6:30 the "Wills Dinner" got under way. In spite of added places arranged, it was necessary to turn some away. As it was, 482 were present; while the meeting was a little longer than usual, the occasion was quite out of the ordinary. Those who had a part in the painting of the portrait of Dr. Wills must have received a thrill when his little grandson pulled the cord that unveiled it. The response by Dr. Wills was one that will be long remembered.

At 9:00 the Girls' Gynnasium was thrown open to those who wished to dance. An orchestra had been provided and when 11:45 came and one more Alumni Day came to a close, the handicaps were forgotten in the memories that had filled hearts of those who had come from far and near.

subject was inopportune, or the tune was wrong. We do have enough to get probably forty bibles, and they will be placed where they will be appreciated. It is not too late to respond.

A HIGH SCHOOL CONFERENCE

At the suggestion of Dr. William J. Thompson, the College held a Conference for the graduates of the school who are now teaching in high schools. The response was very gratifying and great interest was shown in the assembly. Plans are being made to conduct a similar conference next year.

Those in attendance were:

1942 CLASS REUNIONS

The following classes will hold their reunions at the college, Saturday of Commencement week, May 30, 1942:

1882	1887	1892	1897
1902	1907	1912	1917
1922	1927	1932	1937

Will the Presidents of these classes prepare letters calling their classes to meet on that date at the college. These letters should be sent to the Executive Secretary, who will send a copy to each member of the classes.

It takes some nerve to publish one's own picture, but there is a reason. Elected Executive Secretary in 1924, and serving since that time, with one year out while away from the States, there are some thousand or two who still have no idea of my appearance. During that time I have addressed more than 65,000 letters, circulars, cards and bulletins to members. Well! this is the way I look AFTER seventeen years of effort in behalf of your Alma Mater. The thinning and graying locks, mid-age bulge and wrinkles testify to the passing of time. Out of the thousands of pieces of mail, most have found their way into your waste baskets and a few have taken the trouble to reply. The few who do are the ones who have made possible the continuation of the service I have rendered. Some day another must take up the task. Some day your feeling about "Dear Western Maryland" may change, and more opportunities for rendering service will come to you. I would like to think that I had a part in promoting such a change; whether I had or not, the important thing is the lives of all is not what we take out of but what we put into an institution, whether W. M. C. or any other, public or private, that measures our usefulness in the world. What better slogan can you suggest than "Eventually, why not now!"

Yours for your Alma Mater,

T. K. HARRISON,
Executive Secretary.

DEFENSE STAMP

One of our Alumni stopped me the other day and said: "I am going back to my office—there are several Western Marylanders there—and have each one of them buy a 25c Defense Stamp and send in to the Association, as a freewill offering." The accumulation of many doing this will add to

Alumni News

The publication of alumni news depends almost entirely upon the cooperation of the alumni themselves. Therefore, it is hoped that the alumni will send in personal items about themselves or other Western Marylanders—such as changes of address, new business or professional connections, appointments, or election to office, publications, marriages, births, etc.

Tane Takahashi, '41, is teaching in a Japanese Language School in Nebraska. She will attend graduate school—Pendle Hill, Wallingford, Pa., in the fall.

Milton Hendrickson, '38, just dropped in from Lawson Field, Fort Benning, Ga. Stayed less than 24 hours and back again. He reports no other Western Marylanders in his outfit.

A. L. Jones, '39, A.B., M.A. (Columbia), dropped in the office. He is Vicar of St. John's Church, Green River, Wyoming. (Protestant Episcopal).

Walter H. Brown, '88, just dropped in the office and wondered where all the old classmates were. Graduated U. of M. medical school and practiced medicine in Pennsylvania since 1889. Four billion pills to his credit. If every baby he has brought into the world came to Western Maryland College our capacity would have to be doubled.

The following Alumni received advanced degrees from the University of Maryland in June:

Doctor of Medicine:

John McCleary Culler, Jr., '37.

Master of Arts:

Mary Olivia Green, '22.

Albert Franklin Herbst, '33.

Joe Corby Newcomer, '31.

Orpha-Bonita Pritchard, '35.

Virginia Geravine Pritchard, '26.

John Perry Speicher, '34.

Master of Education:

Louis Kennard Rhodes, Jr., '34.

ORDAINED JUNE 9, 1941

At the Baltimore Conference of the Methodist Church the following Alumni were ordained.

Malcolm F. Wright, '39.

Harold Bell Wright, '39.

A friendly letter from Marjorie McKenney Slaysman, '39, from Fort Knox, Ky., where she and Clarence L., '38, have been stationed. On June 1st they expected to be moved to Fort Lewis, Washington, with GHQ Bn. under the command of Lt. Col. MacLaughlin (Major Mac. to you).

Just caught a glimpse of Lieut. Anthony Ortenzi, on duty at Ft. Bragg, N. C., accompanied by Frank Malone who has just taken his Bar examination and is awaiting his trick in the army, and Alfred Goldberg, who got away before our reporter could learn about him.

Read over the shoulder of one of the girls:

"He's almost like a Western Marylander reunion done here (Fort Benning). Pat and Maudie Patterson are in a — I saw Bud Shilling go by yesterday—met Henry Kimney and Frankie Mather in the drug store, Dennis Yingling on the street and Borchers in the 5 and dime. All in one shopping tour.

TAPS:

Mrs. Lorena Hill Betts, valetudinarian of the class of 1887, formerly of Sykesville, a wide traveler throughout the Orient, a lover of music, an author and poetess, died last January.

The latest report from Lieut. Maurice W. Roberts, '36, is that he is married and is living at 1551 McKinley avenue, San Antonio, Texas, stationed with the Observation Squadron.

J. Harrison Dixon, '32, and Mary Ellen Senat Dixon, '33, announce the arrival of little "Mary Lynn" on June 28, 1941. They live in Charlottesville, Va.

The engagement of Doris Elaine Jones, '43, to Herbert William Kinzer, Millersville, Md., has been announced. No date for the wedding has been set.

Catherine Barker, '40, is on the College Conference staff for the summer. She teaches in Cumberland, Md.

Homecoming Day --- November 8

CHARLES W. HAVENS
Director of Athletics

November 8 will be homecoming day for all Western Marylanders. The program for the day will center around the football game with Dickinson College. Following the game there will be open house in all the clubs and fraternities.

At Six o'clock another of those delightful Alumni dinners will be held in the College dining room. Following the dinner, those who are inclined are invited to the Gill Gymnasium to the Homecoming Ball. Details will be announced at a later date, but it is anticipated that the dinner ticket will admit to the dance, with the payment of some additional fee.

CLUBS

Reports were submitted at the annual meeting of the Alumni Association from our New York, Carroll County, Eastern Shore and Baltimore Clubs. Will those responsible for the preparation for your annual dinners keep in mind that it is desirable to announce your dates early, so that there will not be a conflict with others. January and February are the best months. Why not select your dates NOW, and let us announce them in our Fall issues of the Bulletin.
