LOCATION

The College occupies an eminence at the west end of Westminster, nearly one thousand feet above tidewater, affording a view of town and landscape rarely equaled for beauty. The elevation, good water, and mountain breezes all contribute toward making summer work on The Hill a pleasure.

Westminster is a city of about six thousand inhabitants, thirty miles northwest of Baltimore and fifty miles north of Washington. It is on the Western Maryland Railway and several bus lines and is accessible from all points by good roads.

BUILDINGS

Science Hall, Lewis Hall, Levine Hall, Old Main, and the Library will be open for instruction. Dormitories will be open for the first time on Wednesday afternoon, June 18. The first meal to be served in the College Dining Room will be breakfast, Thursday, June 19.

STUDENT'S OUTFIT

It is necessary for each student to bring the following articles: bed linen, pillow, blankets, towels, and personal articles. Commercial laundries will do student work at a reasonable rate.

ADMISSION

The same rules of admission will apply as for the winter sessions. In general, this means that the student must show ability and willingness to do college work as indicated by high school grades, personality ratings, scores on standard tests, and recommendation of the high school principal. Transfer students will be accepted from other accredited colleges upon the submission of satisfactory transcripts of record.

Graduate students must submit transcripts of the record of their undergraduate work. Matriculation examinations for graduate students are given in Westminster in February and July.

A student from another college who does not wish to matriculate for a degree at Western Maryland College but who wishes to enroll in the summer program should submit a statement of good standing from the registrar of the institution he is attending.

REGISTRATION

All students should make preliminary registration by Monday, June 16. Official registration will take place Thursday, June 19, between 8:30 a. m. and 12:00 noon. The regularly scheduled morning classes will be held that afternoon. Preliminary registration for the second term should be made by July 21; official registration, on July 24. Preliminary registration may be made by mail; write for blanks.

STUDENT LOAD

The summer session consists of two five-week terms. During each of these terms, a student completes a semester's work in the courses selected. Because of the intensive work required by such a program, the student load is limited to six semester hours during each term, unless permission to exceed the standard load is granted by the Dean.

GRADES

The scholastic standing of a student is indicated by a system of letter grades: A, B, C, D, passing; E, conditioned; F, failed; Inc., incomplete. Students who withdraw before the end of the course receive a grade of Withdrawn Passing or Withdrawn Failing. Numerical values are not assigned to these letter grades.

MASTER OF EDUCATION PROGRAM

Western Maryland College offers programs leading to the degree of Master of Education to selected students interested in a fifth year of combined internship teaching and graduate study and to selected teachers in service who are interested in meeting requirements for renewal of certificates or for additional certificates through part-time and summer session courses.

Specialists from the United States Office of Education, from the Maryland State Department of Education, and from the city and county school systems will assist the resident and visiting faculty in workshop problems in reading, community study, core curriculum, education of the slow learner, supervision, and administration.

For further information relative to this program, write to the Head of the Education Department.

ABSENCES

No unexcused absences are allowed. All work missed through unavoidable absences must be made up. No week-ends will be permitted where absences from classes are involved.

BOOKS

The required textbooks may be purchased at the College Bookstore. All charges must be paid at the time of making the purchase; no books or supplies may be charged in the summer session.

COURSES OF INSTRUCTION

Courses are designated by numerals, a three-digit system being used. The hundreds digit in the numerals indicates the classification the student must attain to be eligible for the course. Without special permission, freshmen may not register for any course numbered 200 or above; sophomore, 300 or above; juniors 400 or above; seniors, 500 or above.

Courses marked with asterisks (e.g., *101) are designated as introductory courses in relation to major requirements.

If there is not a sufficient registration for any particular course, the College retains the right to withdraw that course from the summer curriculum.

TEACHERS' COURSE IN DRIVER EDUCATION

A forty (40) hour intensive course in driver education, including both classroom and practice driving, is offered to high school teachers desiring to qualify as instructors in this subject. Successful completion of this course meets minimum training standards recommended by the Education Department of the State of Maryland.

Certificates will be awarded to those satisfactorily completing the course. Full attendance and participation is required at all sessions.

The course will be conducted by Claude B. Brubeck, Educational Consultant, American Automobile Association.

A registration fee of Eight Dollars will be charged. ROOM AND BOARD CAN BE OBTAINED FOR APPROXIMATELY TWO DOLLARS PER DAY. All text materials will be furnished gratis to each person enrolling.

The course is being offered as minimum training for those desirous of entering the driver education field. It is also offered as a "refresher" course for those already in it.

Enrollment should be made as soon as possible.

Additional information may be obtained from the College or the Automobile Club of Maryland, Cathedral St. and Mt. Royal Ave., Baltimore-1, Md. (MULberry 4000).
