Allow two to four working days for processing and mailing the transcripts; however, due to the volume of requests, the processing time is longer at the end of each term. Transcript requests cannot be made over the telephone or via e-mail because a signature is required. There is a \$5 charge for each official transcript requested. Transcripts can be issued only if your account is clear with the Bursar's Office. For additional transcript information, call 410/857-2755 v/tty.

## College I.D. Cards

Identification cards are issued to all graduate students and are required when checking out materials from Hoover Library or using College facilities such as the golf course and fitness center. **Identification cards can be obtained from the I.D. office with proof of a valid student identification number.** The office is located in the lower level of Decker College Center next to the Englar Dining Hall and is open from 9:00 a.m. to 5:00 p.m., Monday through Friday, or call the I.D. office at 410/857-2730. The first card is free but there will be a \$20 replacement charge for lost I.D. cards.

## Parking Permits

All motor vehicles parked on the McDaniel College campus must be registered with the Department of Campus Safety (410/857-2202). As a graduate student, you will be charged \$25 for parking each semester (fall, spring, summer) if you are enrolled in an on-campus course (excluding comps and internships). These permits are distributed in postcard form at regular intervals in advance of and one week after the start of each semester by the Department of Campus Safety. You must obey all rules regulating parking (located at [www.mcdaniel.edu/docs/info/parking.shtml](http://www.mcdaniel.edu/docs/info/parking.shtml)) and **MUST** keep the permit for the current semester displayed on your vehicle's front dashboard in such a way that it can be read through the windshield. A map of campus parking is available at [www.mcdaniel.edu/graduate/maps/campus\\_map.shtml](http://www.mcdaniel.edu/graduate/maps/campus_map.shtml).

## ALL STUDENTS

No student will be allowed to register for classes without having a **COMPLETED** application for graduate study and an official transcript verifying completion of a bachelor's degree on file in the Office of Graduate Admissions and an active academic program/level. Call 410/857-2751 with questions.

## Academic Policy

All academic policies covering College programs may be found in the current 2007-2009 Graduate Catalogue found on the College's Web site, [www.mcdaniel.edu](http://www.mcdaniel.edu).

## Application for Graduation

All students who plan to graduate at the end of the Summer 2008 semester must complete the **Application for Graduation**, no later than July 15. The application is an online application and is available on the Archway under "Student Menu," "Graduate Information." Hard copy applications can also be picked up at the Registrar's Office. These applications must be submitted to the Registrar's Office.

## Grades and Degrees

All students (except those with outstanding financial obligations) can view their grades and academic record on the Archway. Grades are typically posted 48 hours after the last class meeting. Provided grades have been submitted on time, grade reports will be mailed August 5. Grade reports are distributed once a term regardless when the course ends. Please allow sufficient time before phoning to inquire about your grades and/or degree.

Degrees will be posted on transcripts by the middle of September. Diplomas are ordered **after all students have been certified for graduation** and take 3-4 weeks to arrive. Please wait until early October to inquire about your diploma.

## Enrollment Policies

### Add/Drop

Prior to the start of class students may add or drop a class using the Archway. After classes start, you may ADD a class only if you have the approval of the instructor or program coordinator. Please contact Sheila Deane at [sdeane@mcdaniel.edu](mailto:sdeane@mcdaniel.edu) from your McDaniel e-mail account to add a class after it has started. The DROP period varies for each class. You may drop on the Archway until you receive a message "you are unable to drop at this time." At which time, you need to contact the Registrar's Office ([sdeane@mcdaniel.edu](mailto:sdeane@mcdaniel.edu)). Please include your name, student ID number, the title, number and section for the class or classes you want to drop and a daytime phone number. Financial obligations may apply if you drop after the class started.

**Notifying the instructor of the class that you are dropping is common courtesy but is NOT an official drop.**

The last day to drop a class with a grade of "W" is the midpoint of the class. This varies for each class; therefore contact the Registrar's Office for specific dates.

Add/Drop forms are available online or in the Registrar's Office. Forms may be dropped off at the Registrar's Office during regular office hours (8:30 a.m. to 4:30 p.m.) or put in the mail slot in the office door after hours.

### Withdrawal

If students determine they are unable to complete their academic program or continue enrollment in classes, they should withdraw from the College. Students must notify the Registrar's Office in writing if they intend to withdraw from the College.

## Availability of Classes

Early registration can prevent the cancellation of a class because of insufficient enrollment or guarantee a place in a class that is likely to close because of high demand. To ensure availability of the classes you need, please register early.

Classes with insufficient enrollment will be cancelled one week before the starting date, and students will be notified through their McDaniel e-mail account.

Class locations and directions are available on the Archway by clicking on the "Section Name and Title" and look under "Additional Information." Graduate credit is given for courses numbered 500-699. Undergraduates may not enroll in courses numbered 500 and above except with the approval of the Provost. All graduate courses offer 3 semester hours of credit unless otherwise noted.

## E-mail, The Archway, and Registration Procedures

### McDaniel College E-Mail

McDaniel College requires all students to have a McDaniel College e-mail account for official communication. You are required to activate your college e-mail account and will be responsible for the information received through this mode of communication. You will receive information on activating your McDaniel e-mail account in your letter of acceptance. If you did not receive that letter, contact Crystal Perry, Administrator of Graduate Records ([cperry@mcdaniel.edu](mailto:cperry@mcdaniel.edu)). If you have questions about activating your McDaniel e-mail account, contact the help desk at [help@mcdaniel.edu](mailto:help@mcdaniel.edu) or phone 410/871-3390.

**When conducting College business, all responses to e-mail will be sent to your McDaniel e-mail.**

### The Archway

The Archway is the name of McDaniel College's online tool that will provide you with the ability to access your academic history, class schedule, grades, and online registration.

### Archway Access

After you activate your McDaniel e-mail account, log into your e-mail and look for three separate e-mails: Archway Student Information, Blackboard Student Information, and Graduate Welcome Letter (which includes registration information). Your McDaniel username and password allow you access to e-mail, the Archway, and Blackboard. If you did not receive these e-mails or have questions about accessing the Archway, contact the help desk at [help@mcdaniel.edu](mailto:help@mcdaniel.edu) or phone 410/871-3390.

For Summer 2008 course offerings be sure to use the drop down and select 2008GSU.

## Registration Procedures

### ONLINE REGISTRATION

All active Graduate students in a degree-seeking program will be given an assigned registration time. Assigned days and times will be determined by total earned credits in the current program. Your assigned time will be posted on the Archway under "Authorizations and Restrictions" and e-mailed to your McDaniel College e-mail account by March 1. You may register anytime after your assigned time but not before.

IN ORDER TO FACILITATE THE REGISTRATION PROCESS PLEASE BE SURE THAT YOU HAVE DONE THE FOLLOWING:

#### Billing and Financial Aid

Graduate tuition is \$300 per credit hour or \$900 per three-credit course. (Anyone having reached the age of 60 may audit a class at the rate of \$25 per credit.) Students who register on or after the first day of class will incur a \$35 late registration fee.

Tuition and fees must be paid in full PRIOR to the first class. Checks should be made payable to McDaniel College and mailed to the Bursar's Office. Please do not

send cash. Credit cards (Visa, Mastercard, Discover) are accepted online through Archway. Due to the brevity of the semester, the Contract Tuition Plan is not available. An additional charge (late payment penalty) of \$50 per month will be added if payment is not received in the Bursar's Office by the first class. The proceeds of a Federal Stafford Loan are exempt from the late payment penalty provided a completed application is received in the Financial Aid Office (located in Elderdice Hall, 410/857-2233) by May 1, 2008.

Registration forms that are faxed to the Registrar's Office may include a credit card number, expiration date, security code, and amount. The credit card will be charged upon receipt of the form. Receipts will be mailed at the close of the semester about the same time grades are released.

Students who wish to apply for financial aid must be accepted into an eligible master's degree or student teaching certification program and be enrolled for at least six credit hours each semester. The financial aid application materials can be found on the McDaniel College Web site, <http://www.mcdaniel.edu/4206.htm>, or by contacting the Financial Aid Office. Financial aid awards are posted on the Archway. Advance book funds can be made available on the Allcard for use at the College Bookstore by contacting Ellie Geiman at [egeiman@mcdaniel.edu](mailto:egeiman@mcdaniel.edu).

Graduate students' financial obligations must be met in order for students to be permitted to enter class, enroll in a subsequent course, graduate, and request transcripts. Students who have not fulfilled payment obligations may be dropped from current and blocked from future registrations until payment obligations are met. Additionally, the student is responsible for attorney's fees and other costs necessary for the collection of any amount due.

#### Refund Policy

Failure to attend class or non-payment does not constitute a withdrawal. Tuition refunds are based on the amount of time elapsed since the start of class.

At any point after the start of the class, the following refund policy will prevail:

Percent of class time elapsed:	Amount of tuition to be refunded:
7 percent	80 percent
13 percent	60 percent
20 percent	40 percent
27 percent	20 percent

After 27 percent of class time, there will be no refund of tuition.

### **GRN 566 01 Special Topics: 21st Century Aging in America or Not Your Mother's (or Father's) Concept of the "Golden Years"**

Today it seems that one cannot turn on the television, open a newspaper or magazine, or go shopping without being bombarded with information on how to look and feel younger. It is said that 70 is the new 60, 60 is the new 50...or is it the new 40? Why? What is it about aging that makes us want to avoid it? This course will examine the trends, issues, perspectives and values of those members of American society eligible for AARP membership. Additionally, comparisons will be made between today's aging population and those of past generations.

### **REL 566 01 Special Topics: World of Islam**

After Christianity, Islam is the second largest religion in the world and the fastest growing in the USA. This course will offer an introduction to Islamic culture, history, and religion and a short survey of the Muslim World today. It will explain the basic tenets of Islam and help teachers understand the common bonds between Islam, Christianity and Judaism. The following questions will guide us as we encounter Islam and the Muslim world: What is Islam? Is it simply a religion, or is it a culture as well? How do Muslims practice their faith? What holidays do Muslims celebrate and when? Do all Muslims act in similar ways and believe in similar things, or is there a wide variety of beliefs and practices that can be considered characteristically "Islamic"?
