LANDSLIDE
I took my love, I took it down
Climbed a mountain and I turned around
I saw my reflection in the snow-covered hills
'Till the landslide brought me down
Oh, mirror in the sky
What is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides?
Can I handle the seasons of my life?
Well I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Even children get older
And I'm getting older too
Oh take my love, take it down
Climb a mountain and turn around
If you see my reflection in the snow-covered hills
Well the landslide will bring it down.
The theme of the 1977 yearbook, Landslide, is meant to symbolize change. From the start of our first year at Western Maryland, until our graduation, our lives and personalities are transformed, just as a mountain is transformed to rubble by a landslide. The staff and myself would especially like to thank Mark Fraser for helping to portray our ideas in his drawings.

Enjoy our book and remember that the staff is only human and we make mistakes that do not please everyone. We tried our best.

“Landslide” courtesy of Gentoo Music, Inc. 1975
Words and music by Stevie Nicks
Yearbooks are ostensibly designed to faithfully capture and freeze the significant events of a particular year into a volume which will remind the readers of the “good old days” and the friends who made them possible. Landslide 1977 will not recreate all of the relevant scenes for all of the people, but we have tried to present as many of the facets of WMC as possible in an effort to provide something for everybody.

Landslide 1977 is a result of many months of hard work, learning, teeth gnashing and shifting of responsibility. Many people were involved in the production of the book, but two deserve recognition: Marie Russell, the business manager, for imparting a measure of sanity, and Tom James, our Yearbook rep., whose patience, endurance, encouragement and accessibility, did much to make this book possible.

We hope that as “time makes you bolder” you will experience many changes without letting the landslide bring you down. Enjoy.
