CROSSROADS 1984
Western Maryland College
Westminster, Maryland
Volume LXXII

College is a frozen moment in our journey through life where we have a chance to stop and gain understanding of ourselves and our world. No other time in life are we as free to explore new areas and redefine our lives. It is a special kind of crossroad where all types of people are brought together to form lasting friendships, meet challenges, and make decisions. In this, the 1984 edition of "Crossroads", we are attempting to capture this intersecting of paths and merging of people. We have created a memento of good times and good friends for both those who continue on new and separate paths and for those left behind.

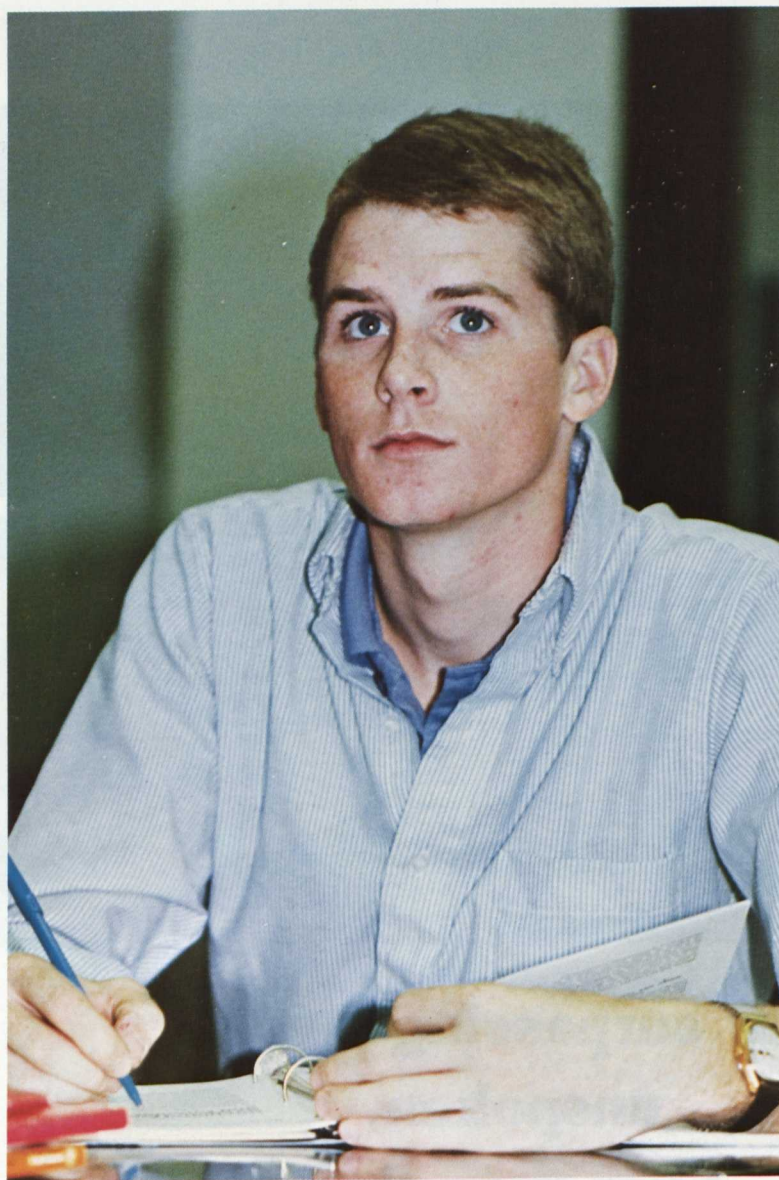

**“College ties can ne’er
be broken,
Formed at WMC.”**

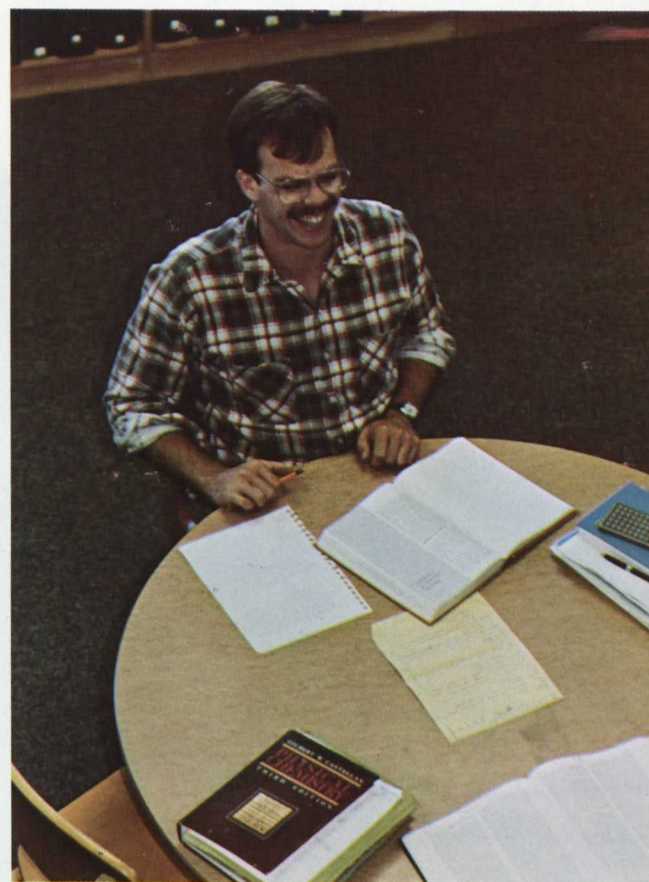

**"Far surpassing wealth
unspoken,
Ever may they be."**

**“Western Maryland! Hail,
all Hail!
Echo softly from each heart.”**

**"We'll be ever loyal to thee
'Til we from life shall part."**

**“When our college days
are over,
Round our hearts shall cling”**

**“Memories of our Alma Mater,
Every day shall bring.”**

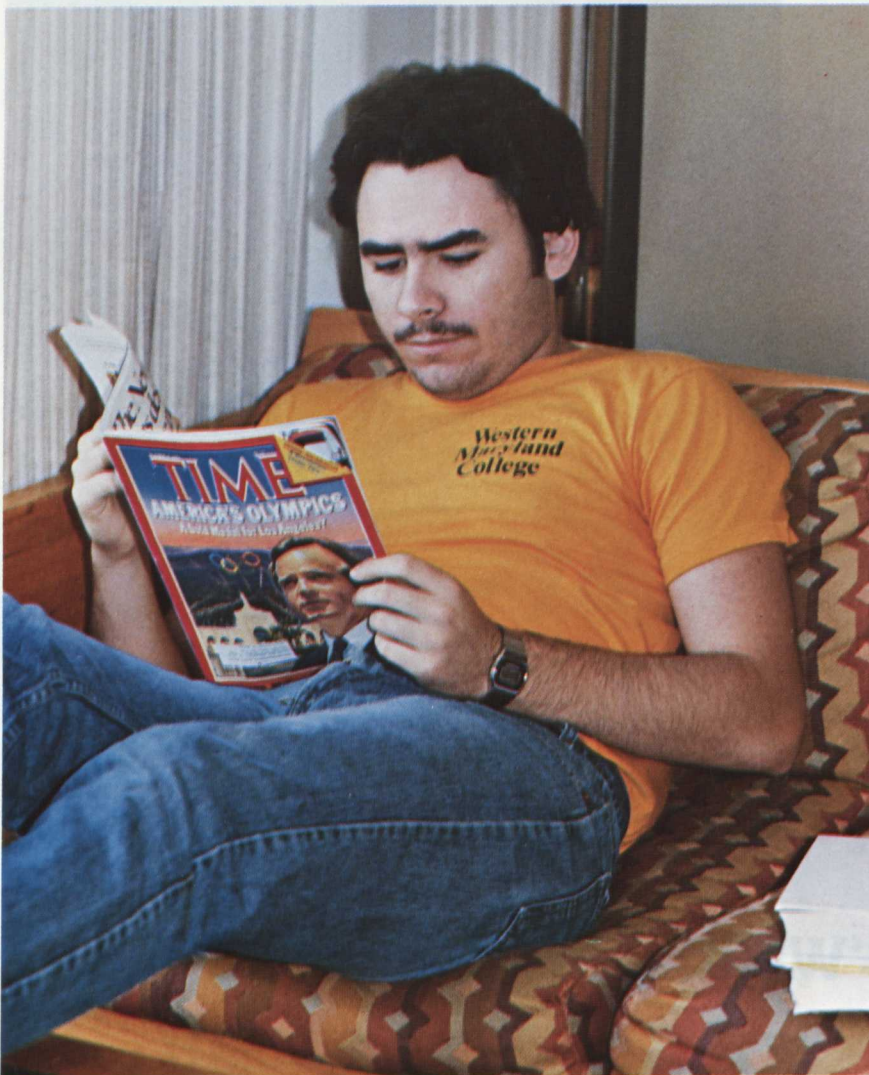

**“Western Maryland! Hail,
all Hail!
Echo softly from each heart.”**

**"We'll be ever loyal to thee
'Til we from life shall part."**

**“But our life is swiftly
passing
Soon its course is run,”**

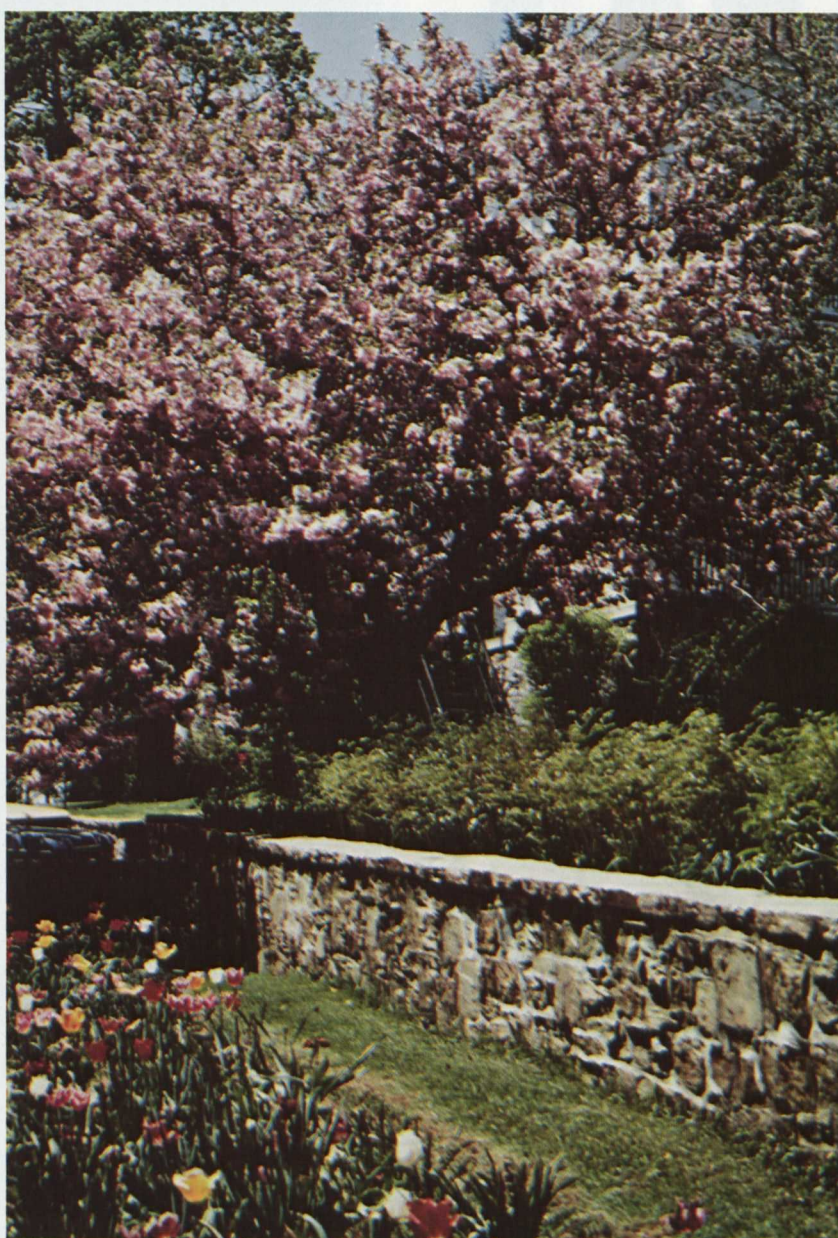

**“Whate’er our lot we’ll
ever cherish
Friendships here begun.”**

**“Western Maryland!
Hail, all Hail!
Echo softly from each heart.”**

**"We'll be ever loyal to thee
'Til we from life shall part."**

AUDREY & KRYSTIE ADAMS

Dare to be different; life is so full
Of people who follow the same push-and-pull,
Poor, plodding people who, other than name,
Try to pretend they're exactly the same.

God made men different; there never will be
A replica soul made of you or of me.
The charm — the glory of all creation
Rests on this very deviation.

Your charm — your own glory, too,
Lies in being uniquely you —
Lies in being true to your best,
That part of you is different from all of the rest.

Helen Lowrie Marshall

This is dedicated to all Western Maryland twins, past, present and future. I hope that Krystie and I will be remembered because we could be unique!

Audrey

Dedicated to Barleycakes

'Want to be a child of de-light;' don't want to base
My hymns of pew-hard pious pouts, or fiddle
With frowning on God's free grace; gonna bear
Him homage, but with a tambourine; bow
Like David to the King who cuts the cord
That binds the clay between my cymbals.

— from "Psalmody" by
Krystie L. Adams

My most pleasurable experiences at WMC have always centered about interactions with students, in the class and especially in the field. I wish all my classes could be outdoors. Nature is certainly a better teacher than I could ever aspire to be.

I spent six years researching trees; I've spent nearly six years as a faculty member here at WMC. I've decided trees, in spite of their size and inability to verbalize, are easier to work with.

LIZ SIEGENTHALER

Looking back to that long-anticipated first day of college, I remember reading the words "Carpe Diem — Seize the moment!" on our freshman orientation brochure.

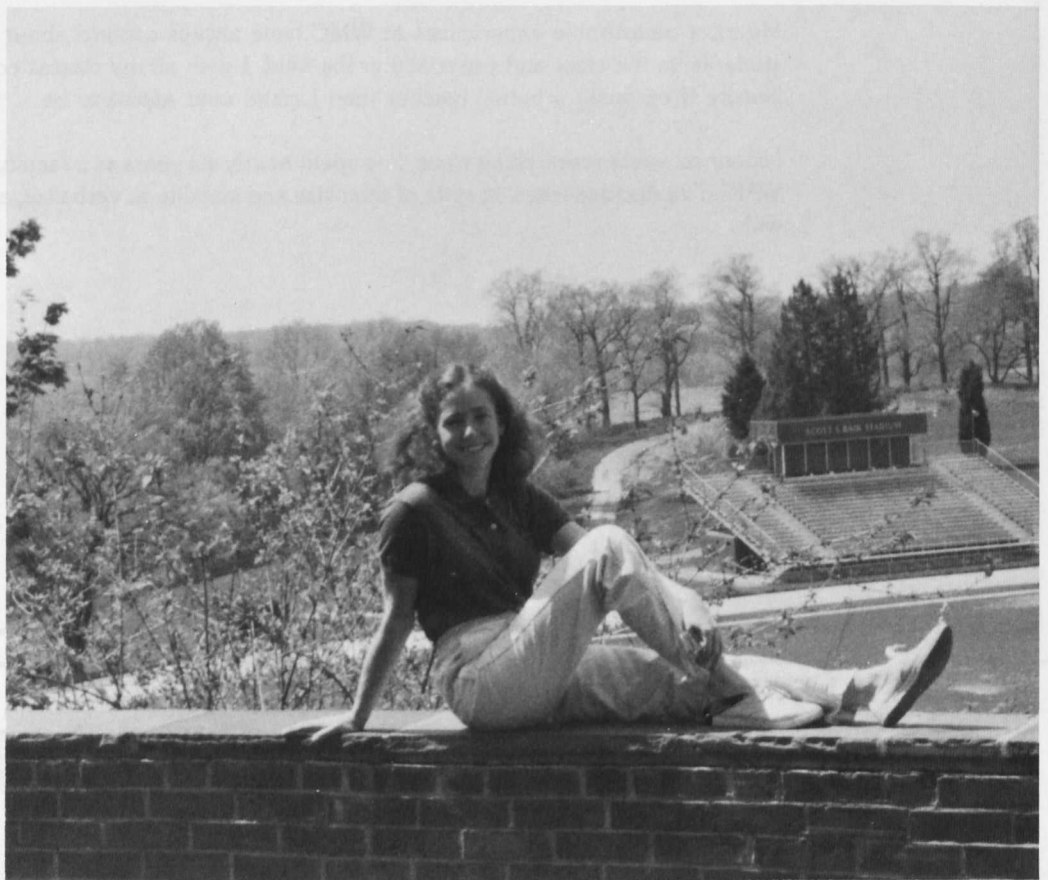

Those words have always held special meaning for me, and I've always tried to live with that message in mind. College offers so many opportunities for "seizing the moment", we just have to be willing to make the most of what we have.

Carpe diem! Living . . . loving . . . learning . . . laughing . . . cramming . . . trying . . . crying . . . friends to wipe away the tears . . . coping with pressures and deadlines . . . late again, (oh, well!) . . . forgetting it all at Happy Hour . . . parties . . . formals . . . Follies — those were the days . . . building friendships and relationships that will last a lifetime . . . and a song filled with love for the sisters of Phi Alpha Mu:

Well it's time to make a change
Just relax, take it easy
You've worked hard, reached a goal
There's so much that you have learned
Find success, settle down
What you want you will achieve it

Look at us, we are young and we'll miss you
You were once like we are now
We all know that it's not easy to work hard
But we've found something we can share

Take your time, think a lot
Think of all the love you've got
For it will still be yours tomorrow, although we may not.

MARIA MARANTO

The past four years have been very formative as well as informative. I am now prepared to seek new goals and greater challenges, both in career opportunities and personal endeavors. By utilizing the knowledge and skills which have shaped my potential, I feel that I am ready to explore new areas of interest.

I will always be grateful for the academic preparation and the lasting friendships developed here on the hill. Although we separate physically, the spirit of this fine institution and the memories of good friends will forever remain a part of me.

Maria Maranto

Over my four years at Western Maryland College, I have experienced a growth of friendship that will last a lifetime. The enjoyment of this college has indeed been a pleasure. It has given me the potential to grow and understand why things are the way they are. Even though there were times when things were difficult, there was always someone there who would make me smile.

I have also experienced a rewarding education that will lead me in our society to become a successful person; to think and to understand what the "real world" is all about. As I leave, I will always remember WMC and the memories that I have cherished so much on the hill. So long and thank God for all of you wonderful people for making my four years at WMC a very special one.

RAYMOND PHILLIPS

For nearly all of my twenty-one years at Western Maryland I have sat at the same desk. It was a used desk when I got it, and it's a more used desk now. In fact, across its top lies scattered my life: manila folders holding letters from my children's colleges and from my lawyer, a letter from a son and a postcard from a former student, a grade book with class lists from as early as 1966, an ROTC calendar, a list of neck exercises, some snapshots recently taken, a broken pipe, a wooden pencil holder shaped like a whale, a borrowed book, a battered American literature anthology, a letter opener my father first used in the 1930's, a Mother's Day card addressed but not yet sent, and more, much more. Most people would call my desk top a mess, and it is. From time to time, I try to bring order to my desk, and I succeed — for a week or so. The clutter returns, I endure it, then I attack the mess again. Somewhere in this process is my philosophy of life.

Raymond Phillips

The College Experience

In four years, which seem so long,
I have made friends that will last forever.
I have made enemies that will last until we really
 know each other.
I have seen people grow.
I have felt myself grow.
I have discovered what love really is.
I have made some people happy.
I have acquired skills for a lifetime of success.
I could go on forever.

I will go on forever.

PAUL JACKOSKY

The people at Western Maryland make spending four years here a truly unique college experience. It seems every situation you encounter, there is someone there to offer assistance. You have ample opportunity to enhance your liberal arts education if you so desire. I deeply appreciate those who have enhanced mine.

Paul E. Jackosky

You can't quickly sum up a college experience, and there is no reason to try. The important things will keep coming back to you. I know they will for me . . . the friendships . . . the beautiful setting . . . good times with the Phi Alphas . . . Junior Follies . . . maybe even some economics. Western Maryland has done so much for me, and I won't forget it. I hope everyone enjoys their years on the hill as much as I have.

WMC Bids A Fond Farewell To Dr. John

In this year, 1984, Western Maryland College is sad to witness the retirement of Dr. Ralph C. John, President of the college since 1972. As President, Dr. John implemented changes in the social life, academic programs and physical construction of the college. His career at WMC saw the legalization of drinking on campus, the establishment of Phi Beta Kappa, and the addition of Decker College Center, to mention just a few. Dr. John will be remembered for his leadership and accomplishments during a period of vast change in the educational community. Even more so, however, it is his friendly concern and dedication to the improvement of Western Maryland College that will be missed by students and faculty alike. It is for these reasons, as well as many others, that this edition of Crossroads is dedicated to Dr. Ralph C. John.

Good Luck and We'll Miss You!

SPORTS

Western Maryland's Volleyball team consisted of reliable spikers, setters, servers and divers. Each held a special skill of their own. Even so, these players formed on the volleyball court not as individuals, but as a team.

The team has seen many long and tiring practices. Encouragement is a must in this sport, as it is in every sport.

Volleyball has always been a very respected sport at W.M.C. Last year the girls traveled to California and also made it into Nationals this year. They fill the gym with anxious and loyal fans before every game.

The four girls that will be missed next year, are seniors Missy Wagner, Julie Fringer, Donna Mummert and Becky Bankurt.

The 1983 WMC Soccer Team ended its season with a 8-8-1 record overall, with 3 wins and 3 losses in the MAC Southwest Conference. The team was primarily led by its talented senior players. Chris Beyers, Carl Holz, John Montanye, John Schiavone, and Craig Robson all played an important part in the team's success. Junior Bruce Kracke finished the season tied for fifth in MAC scoring with 19 points in 13 games. Junior Goal keeper Mike Kline had a fine season finishing the year with a number of shutouts. Freshman starters Joe Nattans and Steve Luche did an outstanding job filling in spots that were left open from last year. The team has a good balance of players and should be very competitive in the Southwest Conference for several years to come.

FIELD HOCKEY

This year's field hockey team may not have done as well as they had hoped. But when a game was won it proved dedication, if it was lost it only strengthened the team's determination.

There was a lot of team spirit, pride and endless hours filled with sweat and bruises at practice.

Co-captains of this year's team were seniors Tracey Dauer and Susie Mathews, who gave encouragement to the team throughout the season.

The Green Terrors finished the 1983 campaign with a record of 4-4-1 overall, with 3 wins and 4 losses in the Centennial Conference. The team, under the direction of Head Coach Jack Molesworth, proved to be a much improved squad from last year. Several seniors made their last season at WMC a successful one. Senior defensive back Rick Conner led the Centennial Conference in Kickoff and Punt returns. At the end of the season, it was announced that Conner was selected as the Most Valuable Player of the Centennial Conference. Senior wide receiver Rich Johnson set several new records this season including: most points in a season, most receptions in a season, and most yards in a season. Rich was selected to All-Centennial Conference team. Dale Dutton, Benson Grove, Bob Butler, Lance Hammell, and Dennis Oltman led the line attack, while Ralph Frith, and Pat Luce had outstanding seasons as defensive backs. Junior quarterback Ray Evans set records for most completions and most yards in a game. With the return of Evans and other promising players from the '83 team, the team has a bright outlook for the '84 season.

Strong, Dedicated and enduring describes this year's cross country team. These qualities were well displayed by the 1983 squad. The feeling of accomplishment when crossing the finish line every race gives a person a sensation of satisfaction. When the team was not holding practice, devoted individuals were often seen pacing themselves around the campus. When they finally received the opportunity to display what they could do, they did not disappoint anyone. The men had an impressive record of 20 wins and only 3 losses. The woman, similarly conquered their worthy opponents with a score of 16 wins and 5 losses.

The Western Maryland wrestling team, coached by Sam Case, started their season with a fine record of 4-0. However, the remainder of the season was filled with injuries and hard knocks. As a result, the team lost their last six matches to tough opponents.

The team competed in many tournaments, of which the most successful was at Lafayette College where the team placed seventh. The place winners were: Joe Monteleone at first place and co-captain Lee Meyers at fourth.

The team spent much of Jan Term over in Europe. Although they didn't wrestle as much as expected, the team enjoyed the European food and culture. When they did compete in Yugoslavia, several of the matmen were very successful.

At the MAC's, the team was led by senior captains Glen "Sweeney" Yurcisin and Lee Meyers. Here the team finished eleventh. Junior Joe Cobuzio placed fourth, while sophomore Joe Monteleone finished fifth.

"Go, push it, you CAN do it!" chants the other members of the team, wild screams of encouragement from the crowd; that sums up the start of most races at a typical dual meet for the Terrors. Anticipation, determination, nervousness, and consistency describes this group. sisted of six men; two of which were returning lettermen. Three out of the four new members were freshmen.

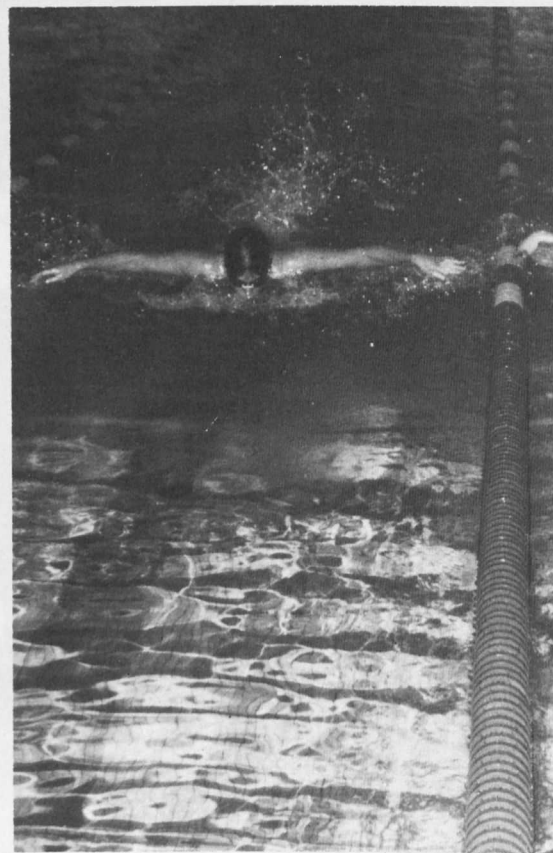

The women's swim team was skilled individually and as a team. Many of them specialized in specific strokes or races. Jenny Brussiers was the only woman diver, and she certainly held her own on the team. The team ended their season 3-8-1, and consisted of all underclassmen.

Although their records weren't indicative of their skills, they never lost their spirit, closeness and determination. A major problem these two teams encountered was the closing of the pool for a large part of December. The closing was due to a breakdown in the chlorinator and the draining system, but even so, it gave the teams time to work on body strength and stretching.

WOMEN'S BASKETBALL 1984

This year's 1983-1984 Women's Basketball Team was not as fortunate as they would have liked to have been this season. But even so, they never lost their positive outlook and spirit. They ended their season with a 7-14 overall record. Departing seniors, Colleen Gohegan, and Donna Mummert, showed leadership and encouragement throughout the season.

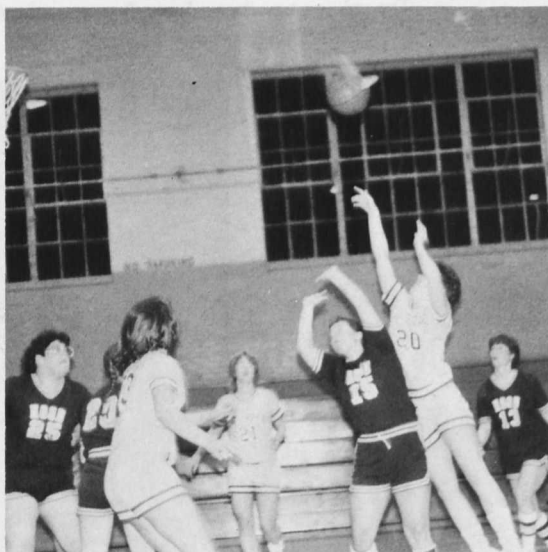

Colleen Gohegan was the leading scorer with 308 points this season. She also sparked her career by scoring her 1000th point against Elizabethtown.

Freshman Cindy Boyer led the team in rebounds and was the second leading scorer. We'll be seeing more of her next year.

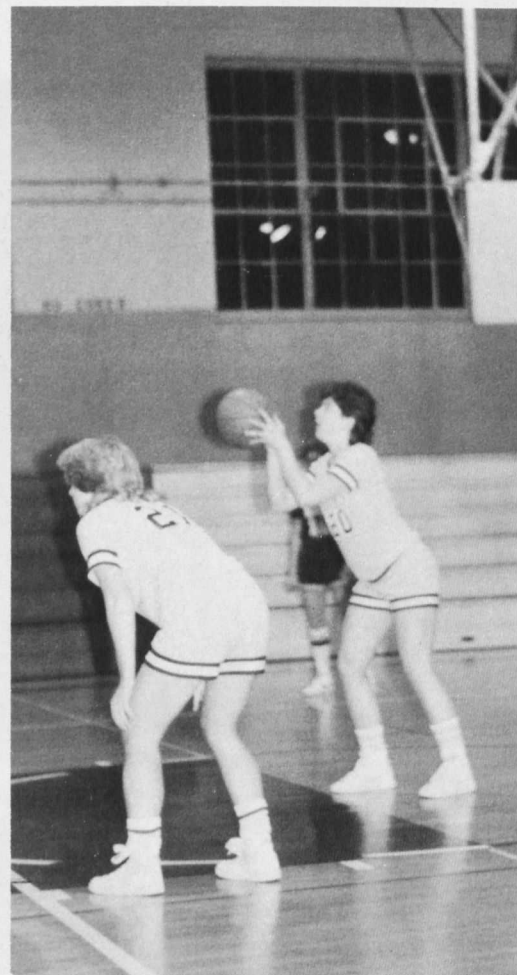

Despite their losses, there were bright moments throughout the season, and Coach Martin and the players look forward to much improvement.

Sophomore Jim Hursey led the team in scoring and rebounds while John Seiler was second in both departments. Pat Luce, Dave Malin, Henry Montague, Bob Butler, and Kevin Ness were other players who contributed to the team with their vast array of talent.

The highlight of the season was their success in winning the Hopkins Tournament at Johns Hopkins University. Jim Francis and Jim Hursey were both selected to the All-Tournament Team. Hursey also received the tournament's Most Valuable Player Award. The record of the 1983-84 season was a misleading one. The team's outlook on next season is a bright one.

WMC MEN'S TENNIS

The men's tennis team finished the 1984 season with four wins, and seven losses. Coach Alex Ober knew he had a young team, and he was extremely happy with their style of play. The squad was very competitive and their record was misleading. Mark Johnson and Barry Goldmeier were selected as the team's Most Valuable Players. Coach Ober is looking forward to a good season in '85, with the return of the team's nucleus.

The relay team of Rick Connors, Ludley Howard, Dana Hill, and Henry Montague finished sixth in the heralded Penn Relays. During the meet the WMC relay team can be commended for defeating two Division I and two Division II opponents. Chris Johnson deserves a round of applause for setting several new school records. The Western Maryland Baseball Team ended their season in style in 1984. For the first time in the school's history, the team came away with the Middle Atlantic Conference Championship. The team was coached by Dave Seibert and asst. coach Dan Fielder. Senior co-captains Rich Johnson and Ray Thompson had good seasons and helped to hold the team together. Junior Jeff Weyer was selected to the first team, All-Conference Team. Jeff was also selected as the team's Most Valuable Player.

The success of this year's team can be attributed to the brother-like relationship that existed between the members of the team and the consistent teamwork. With most of the 1984 squad returning next year, it's apparent that the team could be a conference powerhouse.

It is composed of seven committees, each specializing in one area of programming. CAPBoard provides personal growth for its members through leadership training, educational conferences, as well as practical experience in facilitating events. CAPBoard is a volunteer student-governed organization.

The Student Foundation aided the Annual Funds office this year with the Phone-a-thon to make over \$90,000. In addition, it was responsible for planning and running Parent's Day and Parent's Weekend. It helped the Admissions Office by giving high school tours and test proctoring. Student Foundation members ushered at several CAPBoard events and Commencement and Honors Convocation.

SGA was an active group this year. On Valentine's Day, the Housing Committee distributed a questionnaire to all students to find their opinions on co-ed housing options, Greek housing, and possible changes in the lottery system. Because of the tremendous response to the questionnaire, a Housing Forum was held where representatives from various segments of the college served on a panel. Over 100 people turned out for the discussion.

SGA also co-sponsored a three-day Voter Registration Drive in early March. The Drive was successful in registering over 200 new voters. The Student Government is also responsible for Homecoming, all student elections, appointing students to student/faculty/trustee committees, and for financing publications and the four classes.

Overall, it was a successful year!

She would also like to thank Joe Couzbio, CROSSROAD's Business Manager for doing all the dirty work. Contrast offers the WMC community a unique opportunity not found in other publications. It allows for a wide range of creativity including poetry, short stories, prose, and essays. It is also a chance for people to submit ink drawings and photographs. Finally, students can gain valuable experience about judging poetry, publicity, pasting up, and laying out a literary magazine. What's more, students, faculty, and alumni can participate in this publication. Contrast is a special blend of the best that WMC has to offer.

HOMECOMING 1983

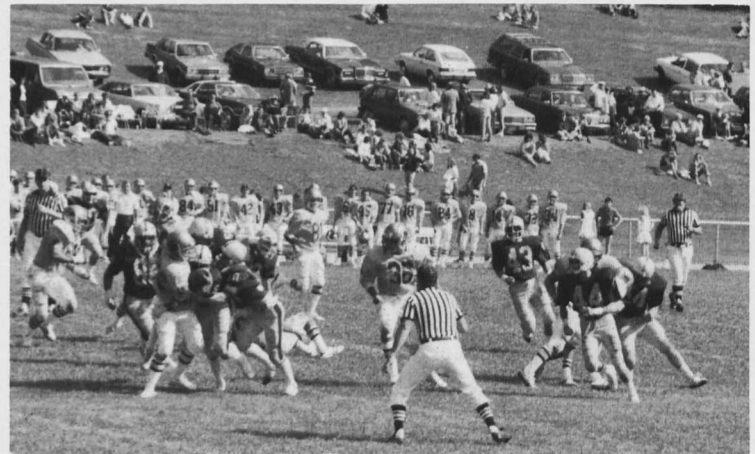

On Saturday, October 8, 1983, Western Maryland College celebrated Homecoming. The theme of the annual event, Octoberfest, was carried throughout the day's activities. A new WMC tradition was started with the running of the 10K race sponsored by Sigma Phi Epsilon to benefit the William McCormick, Jr. Scholarship Fund. Homecoming would not have been complete without the parade up Main Street which included student floats and band and alumni representations. After the parade the Green Terrors took on Juniata came out on top. At halftime the King, Queen and Court presentations were made. Also, Wilbur "Woody" Preston, Jr., Class of 1944, was honored as "Alumnus of the Year". The day's festivities concluded with the Homecoming Dance sponsored by the Capboard and the Junior Class. In all, the day was a great success.

The Pom Pons were out in style.

Jim Francis and Beth Dorrian were Homecoming King and Queen.

The Green Terrors make the tackle.

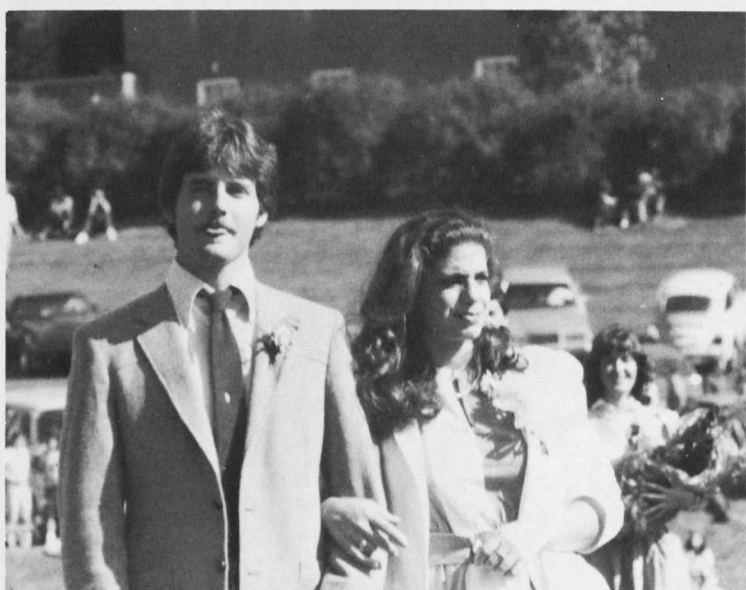

President John enjoys his last WMC Homecoming parade.

Junior Princess and Escort were Chris Gray and Tom Jaques.

The Freshman Princess and Escort were Lisa Robinson and George Mehford.

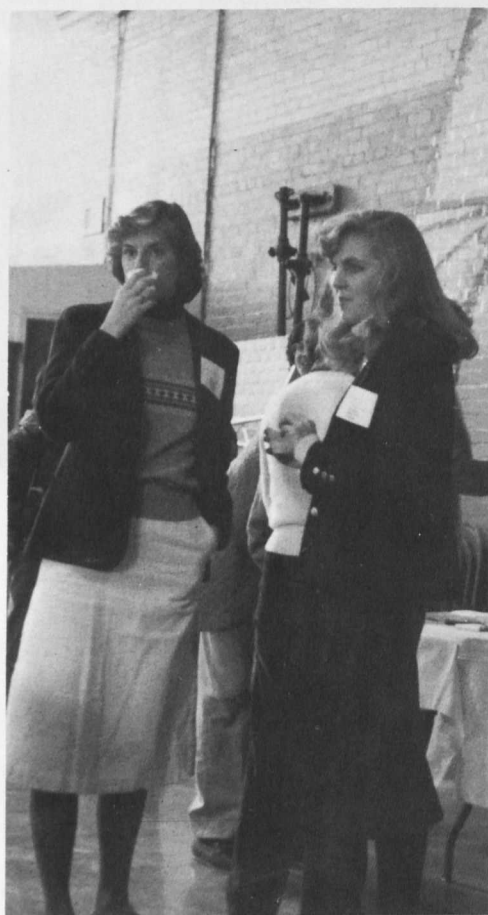

Sophomore Princess, Barb Columbo, was escorted by Gordon Digby.

PARENTS DAY

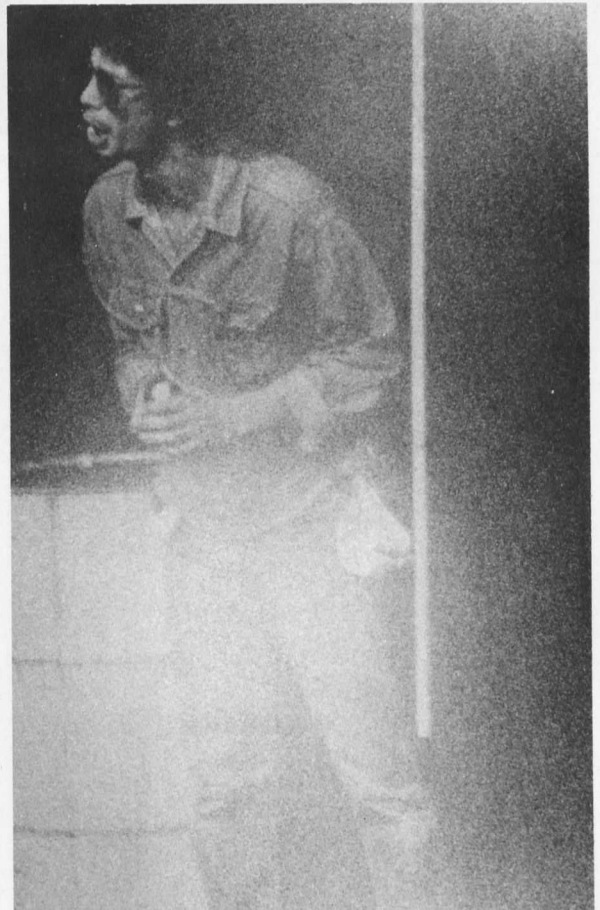

Parents Day was held on November 12, 1983. The day started with a morning of conversation and music in Gill Gymnasium. Faculty from each department were on hand to discuss students' classes. Dr. Del Palmer also spoke on the new directions of the faculty and programs at WMC. The football game between the Green Terrors and Johns Hopkins University Blue Jays ended the successful day.

THE ZOO STORY

The Zoo Story, written by Pulitzer Prize winner, Edward Albee, was presented in Alumni Hall's Understage, September 15-18, 1984. This one act play is a harrowing portrait of a young man alienated from the human race, and starred Tony Japzon as Jerry and Rob McQuay as Peter. The Zoo Story was a Senior Honors Project for Japzon, a History/Dramatic Arts Major. Harvey Doster, a Western Maryland Alumnus, directed the play. Proceeds benefited the Esther Smith Fund.

GIRLS

The play's cast consisted of Stacey Pfeifer, Karen Lambert, Lori McCoy, Robyn Quick, Julie Elliott, Carvilla Dorshow and Laura King, seven women who play multiple roles. The characters come from different social classes and have struggled to attain success in a male oriented society. Major parts of their lives had to be sacrificed for them to "make it". Churchill questions, "How much should be given up in the name of success?"

This year's Mr. WMC pageant was held in the Forum on Friday, May 11. Competing for the title were: Tim Pyle, George Meh-foud, Carl Uhrmann, Ernie Williams, John Palmer and Dana Hill. MAY DAY

May Day took place on May 5th, beginning with the annual 10K race sponsored by the Phi Delta Theta fraternity. The entire day was backed by CAPboard, and went off without any major problems in spite of a serious measles scare. There were many booths covering the grounds; each representing a different organization or individual craft. Entertainment was provided by various groups. Jeff Stebbins won the prize the May Day Logo, and his logo was seen throughout the day. Balloons were launched and there was plenty of food and drink. This fun-filled day was brought to a climatic end with a wonderful display of fireworks.

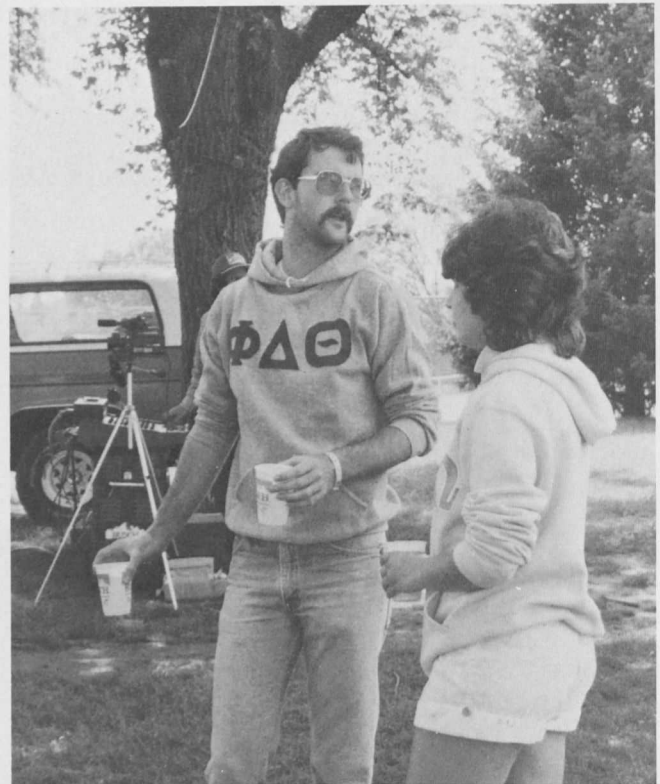

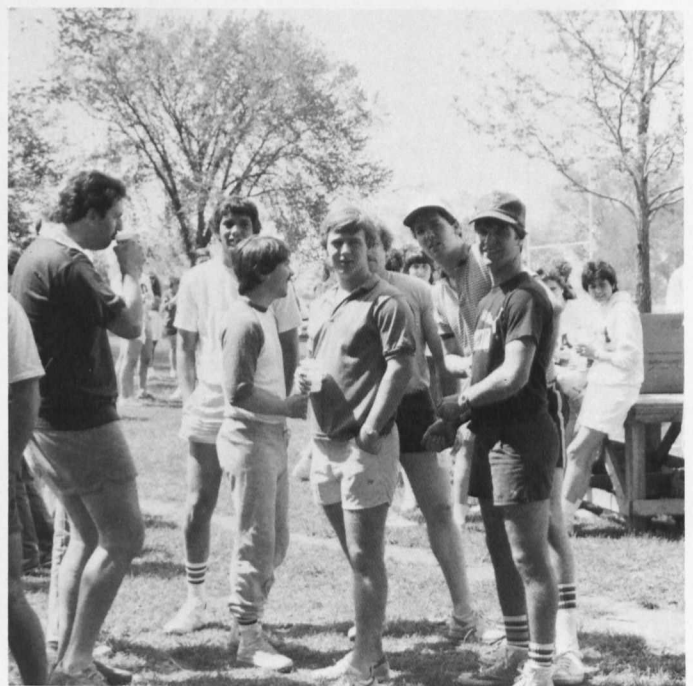

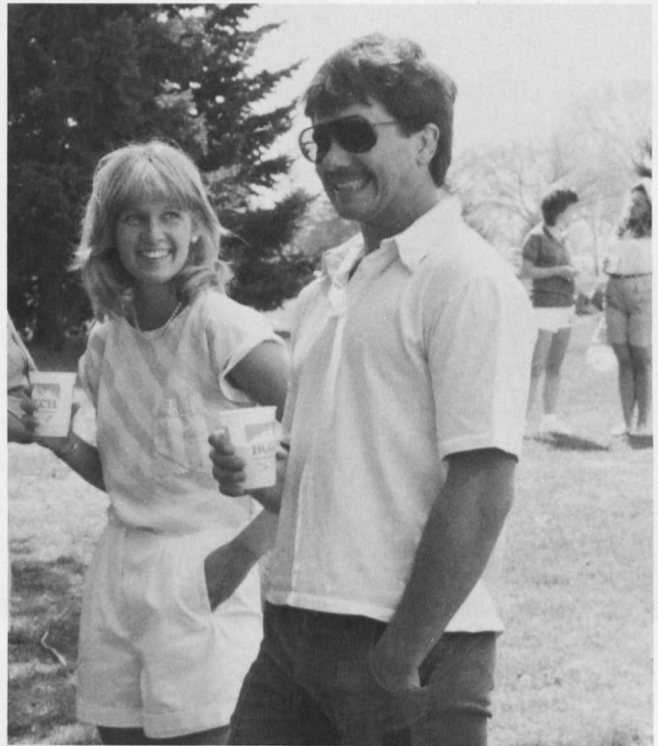

GREEK DAY

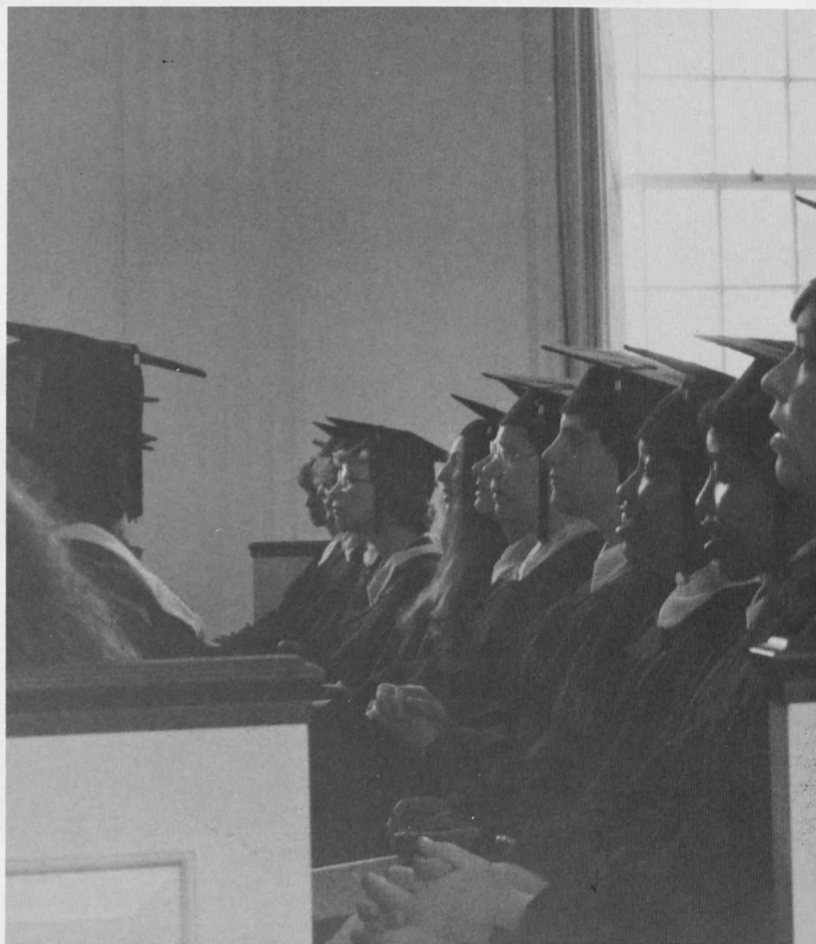

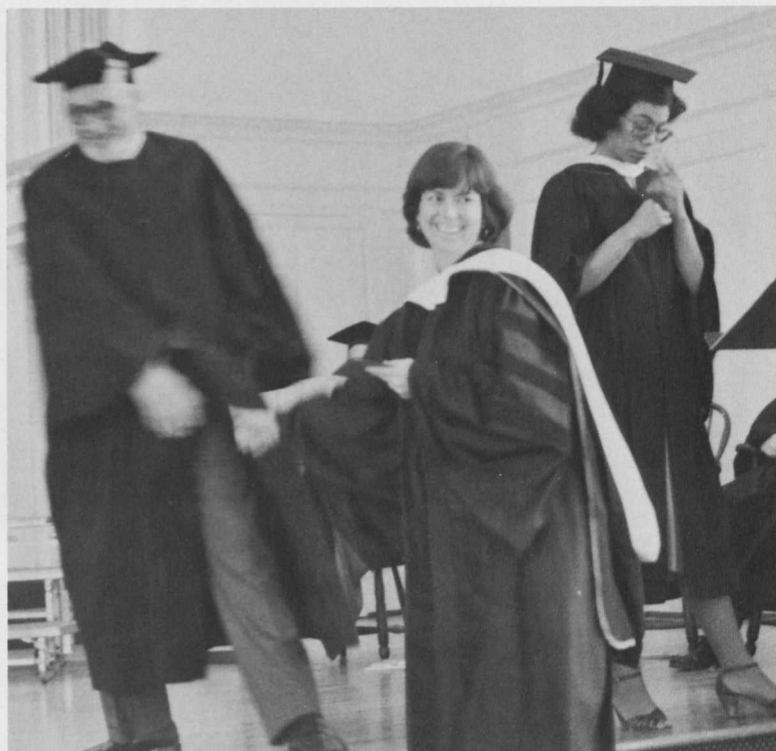

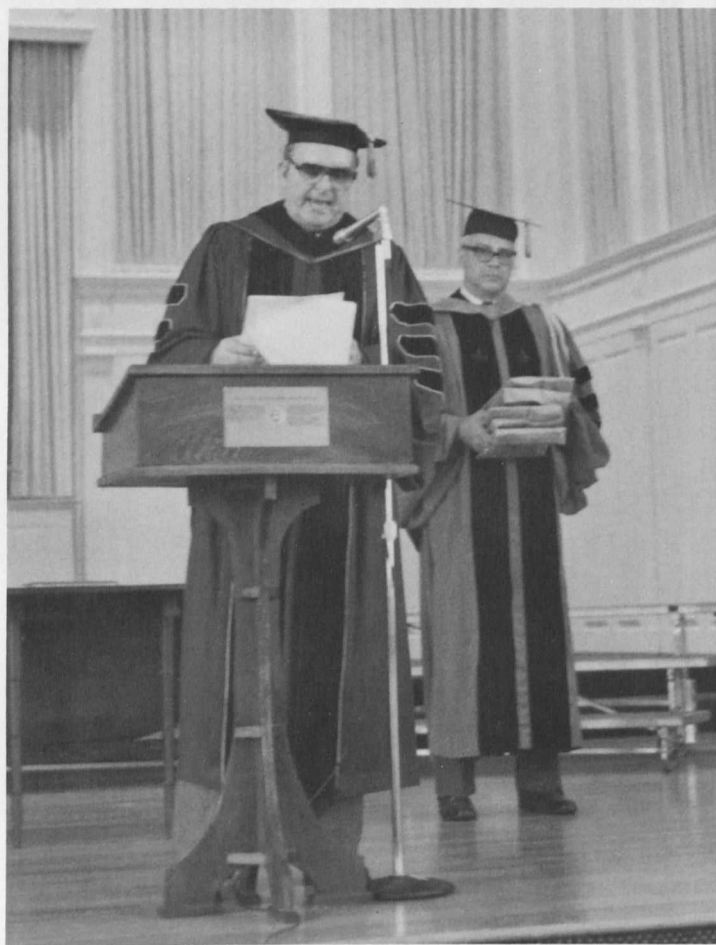

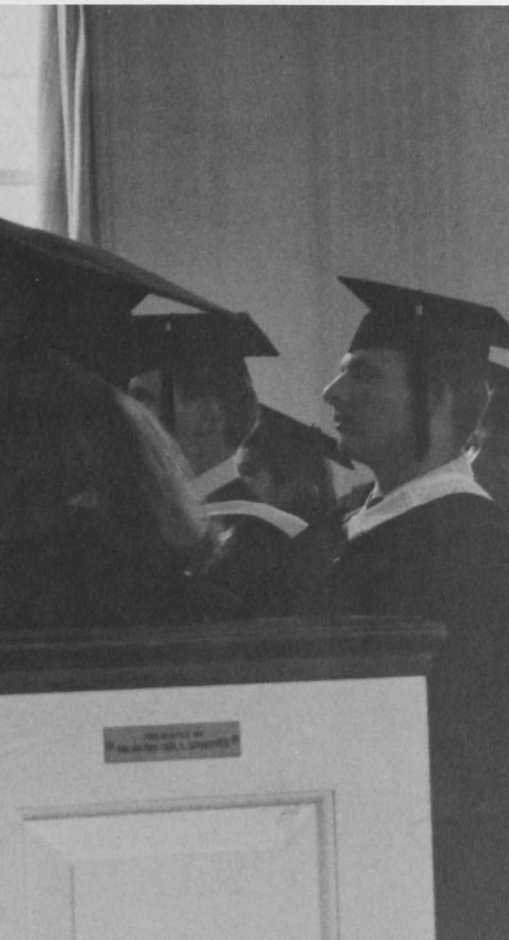

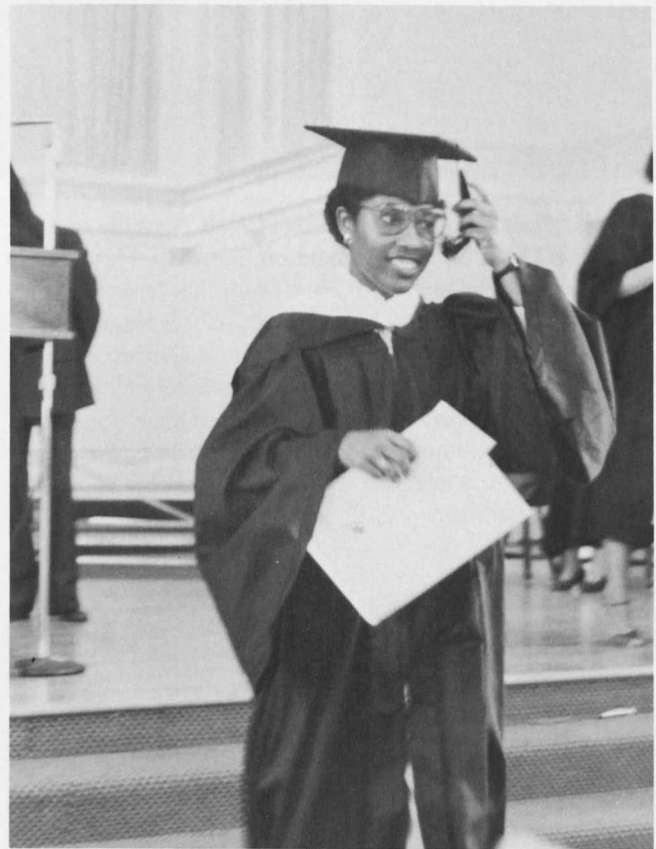

The Second Annual Greek Day took place on May 12th, out on the field next to the new gym. All four sororities and all four fraternities were represented. There was plenty of beer and food for everyone. Live music was provided by the Busch County Mountaineers. There was a softball game, a game of ultimate frisbee, and an abundance of many other activities. Overall, the day was a total success.

In the spring of 1984 the new gym will be completed, the last of many changes and additions begun in 1972. By comparing the WMC community of today with this picture of yesterday, it is easy to see how Western Maryland College has grown and achieved its status of today. Here's to you, WMC.

"Western Maryland, Hail, all Hail!

"We'll be ever loyal to thee"

Congratulations to
our Ω sisters

The Student Center.

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...

McDonald's
& You.

Your Dining Services

MORE ADVENTURE THAN A BLIND DATE.

Can you picture yourself swinging down a cliff? Or shooting the rapids? Or crossing a river using only a rope and your own two hands?

You'll have a chance to do all this and more in Army ROTC.

Adventure training like this helps you develop many of the qualities you'll need as an Army officer.

Qualities like self-confidence. Stamina. And the ability to perform under pressure.

If you'd like to find out more, make a date to see your Army ROTC Professor of Military Science.

**ARMY ROTC.
