WESTERN MARYLAND COLLEGE

A sketching of the college around the time that it first began. (Artist unknown to the yearbook staff.)

Containing the oldest classroom facilities on the campus, Levine Hall dates back to 1891.

Little Baker dates back to 1895. It was used then and now, as a small cathedral that is used for religious services. It has always been one of the prettiest buildings on the WMC campus.

The History of the Campus

Ward Arch was built in the year 1898 when cars were never even imagined. This archway used to be the entry into the college for students and family. Now it is a symbol of the college's long history.

Created in 1899, Alumni Hall, is home to WMC's acting talents. It is also used for important lectures, speeches, and other academic programs.

"Western Maryland College was established in 1867 with the purpose of training good, intelligent, and accomplished men and women for the service of society and their country." WMC has been a college that has encouraged their students to think in new ways and to teach them character and understanding. That is what the college set out to do and is currently the message that is still being taught to the incoming students.

The historical beauty of the college is often what draws students to apply. It's modern views help to keep students up to date, but it never has lost the strong sense of community and spirit that it held when WMC began. The college's enchanting old buildings are just a few of the wonderful aspects of the college that compels students to learn about the history of this old campus. Anyone that is a part of WMC now, has walked on the same footsteps of previous students who held the same goals in mind. Everyone that has been a part of WMC leaves with a little piece of it in their hearts.

Under Construction

A New Improvement to the WMC Campus

This year the WMC faculty and students had a new building to operate out of. The completion of the new Science building was a great addition to the Western Maryland College's campus. This new building is connected to the old science building, Lewis, and extends around to the side toward Big Baker. This addition was most exciting to the science students and faculty, for they are the ones that will benefit the most from this new, beautifully built, science building. With all the new rooms and science equipment, the college will definitely be looking at far more applicants to major in the sciences. Having updated technology, especially in the sciences, is very important. This new addition will greatly enhance the specialness of the college and will allow students to expand their learning in ways that were unimaginable before this building. For those students and faculty that are not in the sciences, they still appreciate the new, interestingly modern building that raises the beauty and learning on campus. This is definitely one addition that all faculty and students seem to really appreciate and value.

A beautiful view of the new science building during the day.

A view of the science building at night from the McDaniel dorm, which is directly across from the new building.

Freshmen Orientation

New class, new century, new experiences. The class of 2003 will be the first class of the new millennium.

Resident Assistants help the new freshman check in and give them their dorm keys. RA's are the support system for the new students.

A big tradition on the Hill for incoming freshman is to ring the bell in Memorial Plaza. The bell is rung again upon their graduation.

"Stepping into the new millennium" was the motto of this year's freshman class during orientation.

Peer mentors and resident assistants help new students move into their dorm rooms. This is a great help to both the anxious students and worried parents.

Ringin' in the millennium with M&M's. College activities office used the decorations to show their involvement and participation at the freshman welcome dance.

Peer mentors collected the shoes of the new students and assembled them into the shape of a shoe. Which represents "Stepping into the new millennium."

A freshman rappels from the ROTC rappell tower. Army ROTC is responsible for a lot of the physical activities of freshmen orientation.

The student government assembly threw a welcoming party for the new students on the Hill. Amanda Cline shows her enthusiasm about having the new freshmen on campus.

Homecoming

An original poem by Kelvin Wilkes

The yearly event that brings together students,
staff and community,
A day where smiles and laughter fill the air,
A day where plenty of food is served and games
are played by all who are there,
A day where alumni are recognized for their
achievement,
A day where Homecoming's King and Queen
are crowned,
A day where the roar of the crowd can be heard miles
away as they cheer their football team to victory.

The brothers of Phi Kappa Sigma gather together for a candid after being chosen as the Most Active Greek Organization and winning the Brant Cup.

President of WMC Alumni Association Kathleen Moore Rittler, class of '68, awards Professor of Religious Studies Emeritus Ira G. Zepp, class of '52, with the Alumnus of the Year Award

They don't dance, they groove when they bust a move! WMC's cheerleading squad show off their moves during the half-time show of the Homecoming game.

During this year's Homecoming game, Erin Owen and Dana Fraser come out to support their team and show off their Homecoming spirit.

Lending a helping hand, John Rydzewski blocks an opposing player while Joe Kendorski runs for a touchdown.

Always Keep Smiling!

Look who came out for the camera?

Smile if you are a cutie!

There is always time to give a smile.

Smile if you are excited.

Sisterly love — isn't it grand?!

Don't these gals look happy?

Sweets for your smile.

While taking a break from the chicken tender rush, Cecil smiles happily because her day is almost over.

A guy, a girl and a pub place make a great place to gather together to share some smiles!

Giving her classic friendly smile, Nicole Sinclair takes a break from her studies to share her smile with the camera.

Career Day

This WMC student is just beginning to realize how much fun a career can be - especially when it involves a surfboard and a sling shot.

This student realizes that to get involved you have to be recognized - she's got the paperwork to prove it!

Making an appearance at Career Day can be considered fun and games, as this student demonstrates with a round of Flip a Frog.

Of course, there are those tasks involved with Career Day that are unavoidable, like filling out piles of forms and questionnaires.

Lending a Helping Hand

Amber Loverock plays Bingo with her new elderly friend during a Circle K sponsored event to a nursing home.

Goose bump stories for a Halloween fright, John Parke tells ghost stories about WMC's sleepless ghosts during this years Ghost Walk around campus.

S.E.R.V.E. to the rescue! Robyn Hill, a member of S.E.R.V.E., volunteers her time at Resurrection Farm, moving hay off a barn floor.

Special Moments with Friends

Study Time

Whiteford is the girls freshman dorm house. This is where all freshman girls live their first year. Sophomores, juniors, and senior girls are also allowed to live here, but mostly only freshman girls live in Whiteford.

Rouzer is the mens freshman dorm. This dorm is very much like Whiteford, except that it is all men that live there.

Both men and women live in McDaniel Hall. The only requirements to live there are that you must be at least a sophomore. If a student is into studying in their room, this is usually a relatively quite dorm.

Daniel MacLea is the honors dorm housing. All undergrads from freshmen to seniors can live in this building. This is also one of the quietest dorms on campus.

WMC'S DORMS

Blanche Ward is one of the most active dorms on campus. Sophomores, juniors, and seniors live in Blanche. There are also a few sororities and fraternities that live on different floors in Blanche.

Albert Norman Ward is also another active dorm in which sophomores through seniors live. There are many fraternities and sororities that are housed there. ANW and MacLea have suites where groups of students can live together in affinity housing, as opposed to the standard double room dorms.

Elderdice only has single rooms. Definitely not as busy a residence hall. Therefore, the students who are after a little peace and quiet vie for a dorm room in Elderdice during their junior and senior years. Most of the time, only seniors are able to live there, but there are always a few exceptions.

A Trip to Belize

Six girls went on the Jan term Trip to Belize. The trip lasted for ten sun-filled days. In those ten days, all the girls managed to get a tan and all of them spent plenty of time swimming in the water with the fish. Dr. Herb Smith was the professor that led the trip. The six girls had to either go Scuba Diving or Snorkeling almost everyday. It was definitely a fun adventure for all who went and is greatly recommended by everyone who went.

Maggie Kolman and Stacey Rohrer relax in their room between snorkeling breaks. These two definitely contributed to all the laughs and smiles that went along with the trip.

Lara Henderson is trying to make the same face as the giant hermit crab that she is holding. Lara is a very funny girl and kept everyone on the Belize trip laughing the whole time!

Devon Martin, Stacey Rohrer, Brandi Holmes, Lara Henderson, Jamie Morris and Maggie Kolman all gather for a group picture in the middle of a bird sanctuary.

Devon and Lara take a rest in the hammock that each cabana held on the porch. Between all the sun and swimming everyone grew pretty tired and needed to relax in the middle of the day. Even though these two are resting they still had enough energy to smile for the camera.

This is the beautiful island that the WMC group stayed at while they were in Belize. It was definitely a small paradise for those who went.

This is the cabana that Brandi Holmes and Jamie Morris lived in for ten days. Everyone's cabana looked the same. It was very interesting to live in a cabana with a thatch roof.

All the girls on the trip gather together with Beth, Doctor Smith's wife to show their big smiles. In a boat, on the water is where the girls spent most of their time.

In all her scuba gear ready to go searching for some fish, Maggie Kolman floats in the water, waiting for the rest of the scuba group to jump into the water. Only two girls on the trip were qualified to go scuba diving: Maggie Kolman and Jamie Morris.

Devon Martin (far left corner), Dr. Smith, Beth Smith and Lara Henderson take time away from their dinner to smile for another picture break. Dinner time was a favorite of all who went because the food was home cooked and extremely excellent!

Acting as snorkeling mermaids, Devon Martin and Lara Henderson pose to show off their snorkeling beauty. These two together were absolutely hilarious on the Belize trip. Performing acts like this one who would not laugh?

Spring Formal

Ladies night out! Five international beauty queens stole the scene in their beautiful formal gowns. These five enchanting women, no doubt had an excellent time at the Spring Formal.

Small ensemble of smiles. This group of students were dressed to impress and happily posed to show off their charming attire.

Take my breath away! That was what Amy Michael must have been feeling when Jeremiah Kelly swept her literally off of her feet.

Michelle Spry and her boyfriend Brad could not keep the excitement out of themselves while waiting in line to board the Odyssey. These two cuties were more than willing to stop and express their feelings for the camera. What a cute couple!

Let the dancing begin! The dance floor was packed all night with couples shaking their booties and shuffling their feet. It was definitely a fun night of dancing and sharing memories.

The All American Stud, Steve Zarragias, shows off his killer smile as he prepares himself to dance the night away. Steve probably had a hard time keeping all the ladies away from him!

A match made in Heaven. Amy Ellis and Scott Trader are just one of the charming couples who made a drop dead gorgeous appearance at the formal.

Portrait of Love. The Odyssey Cruise will give Jaime Connelly and Brent Sandrock a night to remember.

The Last Gentleman. While taking a break from dancing, Kelvin Wilkes poses for just one more picture. The WMC community will remember his charm and good looks from this picture for years to come.

“Expressions” — WMC Fashion Show

WMC's Third Annual Fashion Show, presented by the Black Student Union, Residence Life, and Iota Phi Theta, proved once again to be a great success. Held this year in Alumni Hall, its Master and Mistress of ceremonies, Richard Smith and Maya Redfearn stole the show.

All of the 28 participants modeled clothes from Belk, Deb, Maurices, and J. C. Penney's. Models strutted their stuff wearing eight styles of clothing including: Sleepwear, Evening Wear, Business Attire, Beach Clothes and Western Wear. The show was greatly enjoyed by all who went. The WMC community looks forward to next year's fabulous production of the Fashion Show.

Behind the Scenes

Wasting time until the start of the performance, Megan Townsend plays a game of solitaire.

Three girls let loose with helium sounding voices. Unwinding after a performance was always lots of fun for the cast.

Melissa O'Brien takes time out to look over the pamphlet with the descriptions of the cast members. Alone time was a very cherished time before going on stage.

A funny face made by Erin Owen, keeps the cast and crew light hearted and stress free. Erin was often the comedic relief for the cast.

Sigma Phi Epsilon

Phi Alpha Mu is the oldest sorority on the hill. Their primary concern is the support of women's issues. Their mission is to promote love, trust, loyalty and respect between each sister, as well as supporting growth and learning as individuals and as a group. They are also concerned with providing service and compassion for the community.

Gamma Sigma Sigma is the only service sorority on campus. They are committed to serving the campus and community through friendship and equality. Some of Gamma Sigma Sigma's events include Race for RAINN, volunteering at the Hopkins Children's House and the Westminster Nursing Home, as well as sponsoring "Christmas in April".

Having an Interest

Catholic Campus Ministries

Gospel Choir

Catholic Campus Ministries is a religious organization on campus. They hold a monthly mass in Little Baker Chapel as well as a weekly Bible Study. They conduct the Christian Music Coffee House and are responsible for decorating the Christmas Trees in Big Baker. Christian Campus Ministries also participate in many activities; this year, they took a day trip to visit the Grotto at Mount St. Mary's.

Another interest group for students at WMC is the Society for Physics Students. This organization, led by Michael Morgan II, is an academic group designed for students who are interested in physics. This year, the group travelled to Delaware to visit an Applied Optics Center.

The purpose of the Student Athlete Advisory Committee is to:

- promote communication between athletics administration and student athletes
- disseminate information
- provide feedback and insight into athletic department issues
- build a sense of community within the athletes program involving all athletic teams
- solicit student athletes responses to proposed Conference and NCAA legislation
- organize community service efforts
- create a vehicle for student athlete representation campus-wide committees
- promote a positive student athlete image on campus

The Spanish Suite's main purpose is to immerse students who are learning Spanish into the language and Hispanic culture. The house is also open to other students who may need help with their Spanish work or their *tertulias*. *Tertulias*, held twice a week, give students the opportunity to practice speaking the language while learning about cultural issues.

Le Cercle Francais organizes activities related to French and Francophone culture, such as plays, movies, conversations,

and field trips to the Walters Art Gallery and the French Embassy.

The German Club is available to students interested in learning the German culture. This year, the German Club participated in the annual Foreign Language picnic and taught basic German to students at William Winchester Elementary School. They also attended a Goethe Fest, a convention held in Philadelphia to celebrate the life of the famous German Author.

Campus Media

The Phoenix is Western Maryland College's campus newspaper. Published biweekly, it focuses on all aspects of college life: campus news, sports, special features and commentary sections. The Phoenix is a collaborative effort fully written, edited and produced by WMC students. This year, there were two editors for the Spring 2000 issues, Jenifer Sirkis and Laura Kelley, along with seven section editors.

WMC students are also responsible for Contrast, an annually published, creative arts magazine devoted to student-produced poetry, prose, artwork and photography. The co-editors for the 2000 Contrast were Freda Karos and Sarah Radice.

This year, WMC's yearbook Pathways fell under new editorial advisement. This year's editors, Jamie Morris and Kelly Murray, along with the help of their faculty advisor and outstanding staff, put together a memorable book complete with a new title and new look. The yearbook strives to capture the memories of the campus with pictures and stories to remind students of their "New Millenium" college years.

The Student Government Assembly re-affirms the faith in a protection of academic freedoms, student rights, dignity and worth as part of the college community. SGA serves as an instrument for facilitating student life and providing democratic students governance in all phases of student activities. SGA promotes student morale and leadership, provides a forum for students to discuss college issues and secures an active role for students in the formation of college policies and priorities.

CAPBoard consists of six committees—Mainstage, Second Stage, Special Events, Cultural Arts, Films and Promotions. The executive board is made up of those six committee chairs, a President, Vice President, Secretary and Treasurer. Executives are in charge of planning events for the campus to enjoy. This is accomplished with help from the committees. Everyone involved with CAPBoard works very hard to provide entertaining activities for WMC students.

History Club

First Row: D. Todt, H. Muth, A. Kleiner, E. Coltrun.
Second Row: J. Clarke, M. Burger, H. Samateur.

WMC's History Club is active in informing the college's population about historical events by sponsoring speakers, movies and a variety of field trips. Throughout the year, the club visited Washington D.C., Hagerstown, and Gettysburg. They also hosted a History Club dinner in the President's Dining Room.

The Honors Affinty Group is comprised of members from the Honors Program. Students involved in this organization take accelerated classes and participate in cultural outings as well as community service. The program offers students advanced classes in an academic climate conducive to learning. The Honors Affinity Group also produce their own newsletter and Webpages.

The Non-Traditional Student Organization is designed to provide information, as well as support, to the growing number of non-traditional students at WMC. A non-traditional student is an individual over the age of 24 who is pursuing his/her first undergraduate degree.

Black Student Union

The purpose of the Black Student Union is to understand the heritage of various black cultures of the world and to educate WMC and the community. This organization serves as a support system for its members and those who express an interest in the group's cause. Throughout the year, this organization meets regularly, and holds their popular yearly fashion show, which attracts students, faculty and staff, as well as people from the outside community.

Multicultural Student Association

Reaching Around the World

International Club

Bringing together people of all backgrounds is the aim of the International Club. The club provides an opportunity for students to meet and interact with others and learn their culture. Today, there are over fifty members in the International Club, making it one of the largest organizations on campus. Each fall, the International Club sponsors a formal dinner in the Forum, decorating its walls with flags representing different countries. The event draws students, faculty, staff and people from the community to share in tasting and sampling food, dance and fashions from countries around the world.

Amnesty International is an organization which raises awareness about human rights. The organization works to reach members of the campus and outside community about the treatment of humans in foreign countries. This year, Amnesty International sponsored a presentation on the Holocaust.

One of the most recent clubs to join Western Maryland College is the Outdoors Club. A major goal of the club is to enjoy the outdoors while still challenging oneself. This organization has enjoyed numerous outdoor adventures throughout the year such as: hiking, backpacking and camping at Ohiopyle State Park, caving in Carnegie Cave, and whitewater rafting down the Youghiogheny River.

Students Teaching America's Youth, otherwise known as STAY, received the title of Organization of the Month in October presented by the SGA. The purpose of this organization is to provide the youth at William Winchester Elementary School with positive role models as well as help them excel academically and build social skills. One of the club's functions with WWES students is to hold themed monthly activities. Past themes have been holiday gatherings, scavenger hunts, and fiesta nights. STAY has been running for eight years, making it the longest running organization on campus. Its original function was to break down the barrier between WMC students and the Westminster community.

ASAP, Aids Support Awareness and Prevention, is a very active group on campus. Their flyers and advertisements can be seen all around campus, educating the WMC student body on the issue of AIDS and the dangers surrounding it. ASAP is also very dedicated to promoting responsible sexual behavior among students.

HELP was designed with the hopes of changing the lives of homeless individuals. Members strive to reach this goal by volunteering at local shelters such as Food Sunday, Shepard's Staff, and the Carroll County Shelter for Women and Children. HELP raises funds for these shelters by hosting an annual Valentine Candy Gram sale, as well as a Dance-A-Thon.

Helping Hands

Students Engaged in Rural Volunteer Experiences (S.E.R.V.E.) is a student run service group that prides itself on its dedication to perform service, ranging from volunteering in soup kitchens to repairing a barn. Their aim is to increase the number of people involved in volunteerism and to try to provide activities that will spark everyone's interest. Each year, S.E.R.V.E. organizes an annual Service Day in which they coordinate an entire student body volunteer effort. Also, during Spring Break, the group travelled to Dungannon, VA to help renovate homes.

One very important organization on campus is Circle K. Their club promotes service, leadership and fellowship through community service. Some activities Circle K participates in are the S.E.R.V.E./Circle K auction, helping at "Our Daily Bread" food kitchen in Baltimore, working on a construction project at the Resurrection Farm, and collecting coloring books for a Children's hospital.

Freshman midfielder, Lauren Harrison, is second on the team with assists. Here she gives the ball a tap to get the Green Terror heading back up the offensive field.

Melissa Merson, who is second in goals scored this year, keeps the ball away from her opponent by blocking it with her body.

GO TEAM!

Women's Soccer boasts second place finish with young team

The Green Terror forward, Thea Bayly races an opponent to get the ball. Thea racked up 11 points this season, providing constant offensive pressure for her teammates.

This year the Green Terror Soccer Team had a very good season and it only promises to get better next year. This is Coach Swan-son's second year at Western Maryland College and the team has shown improvement from last year.

Captain Beth Blasi had an excellent season, she scored eighteen goals overall. In every game that the Green Terror won, Beth scored at least one goal. The team also has some promising underclassmen. Freshman, Melissa Merson had the second highest number of goals with six. Sophomore, Thea Bayly also had a high number of goals with five.

In this year's Centennial Conference the team took second place with a record of 8-2. With all of the young talent that this team has, next year only promises to get better.

Liz Curtin beats her opponent to the ball. Liz played strong defense for the Green Terror's all season. She really developed at the end of the year as she gained collegiate experience.

Outjumping his counterpart, Tom Long heads the ball up-field to set up another WMC dash for the goal.

Striker, Ryan Tetteris, dribbles the ball down the field looking to pass it to a fellow player.

This year's men's soccer team, was full of energy that propelled the Green Terror to their first winning season since 1992. Under the direction of John Plevyak, in his 6th year as Head Coach, the team showed great signs of improvement throughout the season and finished with an impressive record of 9-8. Their recent years of rebuilding is beginning to show in huge ways.

The 1999 team has a very bright future. This is evidenced by Freshman starting sweeper, Charlie Wineke, receiving 2nd Team All-Conference honors. Other key players for the Green Terror include strikers, Ryan Tetteris, and Darren Wolf. Also, the team's starting goalie, Ryan Defibaugh, who posted an impressive 4 shutouts this season and save percentage over 81%, will be making saves for the Green Terror.

The Green Terror have much to be proud of with this year's accomplishments, and even more to look forward to in years to come, with the legacy of this year's team leaders living on at Western Maryland College.

Bump, Set, Spike!

This year the WMC Volleyball Team had an excellent season. Veteran Coach Carole Molloy led the Green Terror to a 21-10 overall record in her 7th season coaching the team.

Perhaps the team's most impressive statistic was their 9-1 Centennial Conference record, which tied them for 1st place. Several outstanding individual achievements were earned by players this season. Honesty Drumgoole led the team in kill percentages with an amazing .299% overall and .379% in the league. Honesty, along with co-captains Brianne Bray and Heather Tolkach helped the team gain powerful experience all year, so that they were able to finish out the last 7 matches with 6 wins.

Before a match the Green Terror Volleyball team huddles together in a cheer. High spirits for the team led them to a tie for 1st place in the Centennial Conference.

Three-peat Conference Champs

WMC players hug in celebration after scoring another touchdown.

For the third season in a row, Green Terror Football finished at the top of the Centennial Conference. WMC continued their winning tradition of football with 10 regular season wins, making the team unbeaten during the regular season in the past three years. Not only did the Green Terror win all season, but they did so in a convincing fashion, outscoring their opponents 334-70.

Individual accomplishments also soared this season. Quarterback Ron Semmarini threw for 1922 yards, with an impressive 68.9 completed passing percentage and an amazing 19 touchdowns, he also ran for 9. Teron Powell scored 72 points this season, leading the team in that category. Also, another key player is Tommy Selecky. He had a total of 282 career tackles, 109 of which were solo. Defensive back/kick returner Marvin Deal finished his career with 23 interceptions, 1,095 kickoff return yards and 1,413 punt return yards.

The crowd must also be acknowledged for supporting the Football Team. The WMC Football team has great spirits among all their players. However, the Football team is greatly supported by the student body, who for every home game surround the field and cheer for their Green Terrors. Football is greatly loved by all WMCer's.

Quarterback Ron Semmarini sits over center A.J. Barchelto calling the snap count. Ron's offensive line protected him well all season and provided him with great scrambling opportunities. Ron ran for 748 yards this season and scored 9 rushing touchdowns.

Teamwork and support leads to goals for the Women's Field Hockey Team.

Melissa Reynolds, Ashley Meahan, and goal keeper Jess Horwath, huddle together in a cheer to boost spirits before the game.

This year, the field hockey team was coached by a fresh face. Mindy Manolovich gave the Lady Green Terror's a new start in skills. With this new leader to guide the team, Freshman Anna Woods grew to be the leader for scoring. Following closely behind were Senior, Kerry Wilson and Junior, Stephanie Perry. The major achievement of the Green Terror's was the victory over their rival John's Hopkins, in which goalie Jessica Horwath had a shut out game. This gave Jessica her second shut out this season. In the massacre of Johns Hopkins, Freshman Katie Facciponti provided the game winning goal. The Lady Green Terror's put in tremendous efforts to develop their skills even further and next year, they are guaranteed to keep their fans' heads spinning.

Heather Arnold feeds the ball up-field to Meaghan McAndrew. Heather and Meaghan both played strong defense for the Lady's Green Terror Team all season.

This year's Pom Team showed the WMC campus how much talent they had. During performances at football games and basketball games, these girls always gave entertaining performances with their bold dance moves and spirited strives. These girls spent many long hours practicing for their shows at half time. These long hours paid off when they performed, for they always got the crowd up and moving. These girls definitely gave more spirit to the game, players and the audience. The Pom's Dance Team is definitely a group of girls to keep your eye on at sport events.

With High Spirits, The WMC Cheerleaders Boost the Morale of the Teams

The WMC Cheerleaders are known by everyone on campus for their enthusiasm and strong encouragement for the team sports. All the members practice routinely and give great effort in pumping up the team players to help them win the game. The cheerleaders play a very big part in getting the WMC sport teams motivated and in the right frame of mind to win any game they play against their opponents. Even when the going gets tough and the team's are not doing so good, the cheerleaders step in and give them encouragement to continue fighting. They do an excellent job of providing spirit for both team players, as well as to the fans. The cheerleaders are out there trying to get everyone's spirits and hopes high for each game and that is exactly what they do. For season's to come, the WMC community can count on the cheerleaders to continue to move the crowd and the players with their whole-hearted cheers.

The GREEN TERROR

Cross Country Season Is A Roller-Coaster Ride

This season cross country experienced a great difference of success achieved by the men and women's teams. The men's roster was at a disadvantage this year. It consisted of only 10 runners, most of which are still in their first or second year at WMC. But that is good news for the future. Even though the men finished in 9th place in the Centennial Conference, leadership exhibited all season by upperclassmen should prove to help these young runners along with their cross country career.

Veteran coach, Doug Renner is in his 15th year here at WMC. As coach of both men's and women's teams, he has certainly experienced Green Terror success, but perhaps never more than he did this year. The women had an amazing season, whose roster is stacked with talented runners from a wide range of ages. Their most accomplished individual this season is Jill Krebs, who has a couple more years in her, since she is a sophomore. In fact, Jill has potential to be the most accomplished WMC cross country runner in the history of the school. On November 27, 1999 in Oshkosh, Wisconsin, Jill became the first All-American in WMC cross country history, both male and female. Jill was able to hang on to be the 35th finisher at the NCAA Division III championships, which was the final position awarded All-American honors. Along with Jill's outstanding accomplishments, WMC's cross country has much to be proud of. The women captured a Centennial Conference Championship, and finished in 4th place of 32 teams at the Midwest Regionals.

The women's cross country team huddles together before a big meet displaying their unity at Gettysburg College. Due to the women pulling for each other all season, they were able to finish at the top of the Centennial Conference at year's end. Pictured are: Greta Frain, Dawn Harner, Janet Prost, Maureen Tait, Amy Horin, Diana Pool, Blair Heinke, Jayne Karlow, and Jill Krebs.

Coach Renner groups up with his successful women's cross country team who won the champion's trophy. Their hard work all season paid off with huge dividends of individual and team success. Top row: Coach Renner, Holly Thompson, Janet Prost, Dawn Harner, Jill Krebs, Blair Heinke, Greta Frain. Bottom row: Amy Horin, Maureen Tait, Diana Pool, Jayne Karlow.

Sophomore, Dawn Harner, shows her support for their "X-C" team by advertising their championship title on a banner outside her McDaniel Hall window.

At the Shepherd College Invitational, Dawn Harner gains ground on a opponent. She uses her running talents to pass this opponent and move up in the standings.

Meghan Giorno dodges around an opponent to try and pass the ball to another fellow player. Meghan is the co-captain of the Women's Lacrosse team. She led the team in enthusiasm and spirit during all their games. Meghan is definitely a player to keep your eye on at a match.

The defensive portion of Green Terror's gather together at the opposing team's goal post to congratulate one of their fellow players on a well made goal. The Women's Lacrosse team are very supportive to their teammates.

Coach Tina Houch. Front Row: Josselyn Guinan, Erin Mulhern, Meghan Giorno, Amy Bittinger, Lisa Weber, Sara Hansen, Tara Webb, and Jess Jones.

Through the Women's Lacrosse Team's hard work, their season was well rewarded.

All the girls gather around to talk about their next play and to regain their energy by drinking water. Even though it was at the end of the game, the girls still look refreshed and ready to win.

The Women's Lacrosse team did an excellent job this season in challenging their opponents. These girls fought a long and hard season and greatly deserved their wins. Their wins this season were 6 to 10, all of which were fought with great skill and effort. The Green Terror's gave it their all on the playing field and were definitely something to be feared by their opponents.

Even though the girls only won six games, they still proceeded to the Centennial Conference and earned 7th place among their opponents. This was a hard victory and all the girls gave it their all. With all the lesson's learned this year, next year is guaranteed to be a better season for the Green Terror's Women's Lacrosse Team.

Amy Bittinger runs full speed towards the goal while diligently maneuvering the ball. Amy is one of the very spirited girls that make this year's Women's Lacrosse Team a very special one.

Young team shows promise for next season

Before a meet, the WMC Swimming Team walk out of the locker room in tradition. Pictured include Jenny Weddle, Chris Clemmens, Matt Fields, Jon Soucy, Kalli Patentas, Brooke Pierce, and Martin Wisor.

Chris Clemmens is set ready to dive into the pool. Chris was the leading scorer of both men and women, tallying up 223.75 total points.

This year the Green Terror Swimming Team has a lot of young talent. Although the men's team placed 6th and the women's placed 7th in the Centennial Conference, there were many accomplishments for the team.

This was Coach Easterday's 24th year. The team did have a few wins this year; one was at Goucher with a score of 98-59 for the men and the women had 122-65. Chris Clemmens who is the captain of the men's team had a total score of 223.75 and Luke Page who is also a captain had a total of 122.5 points. Other leaders in scoring for the men's team were both freshman, Matt Fields with 118.25 and Sumeer Chadha with 116.5. On the women's team Captain Kara Wnukowski led the women with a score of 208. Sophomore Christine Joyce had a high number of points with 132.25.

With a lot of promise in the freshman and sophomore swimmers, this team promises improvement for next season.

Wrestling Team

pulls together to achieve goals of individuals

Rob Johns has his opponent locked up in position. Johns was Centennial Conference Champion at 157 lbs. and placed 7th as an NCAA All-America.

Sizing up his opponent, Chris McNally is ready to charge and take control. McNally was 2000 Centennial Conference Champion at 197 lbs.

The 1999-2000 WMC team was packed with talented wrestlers. In addition to great individual accomplishments, the squad pulled together enthusiastic team spirit. Enough, in fact, to finish with a record of 12-3, including 5-1 within the Centennial Conference, despite starting out the season with a couple easily disappointing losses. This team had such success largely due to the leadership of Coach John Lowe, who is in his 6th year of coaching Green Terror Wrestling. Lowe has had measurable success throughout his career here, with an impressive 67-49-1 record to date.

Other important leaders were the captains Charlie Conaway, Jon Pitonzo, and Scott Taylor. These three kept up the spirit of the Men's Wrestling Team. This season was filled with excitement and amazing achievements by the wrestlers. This is just one more example of how hard work and dedication by all individuals of a team can pay off in huge dividends in the end as each wrestler reach their individual goals due to the efforts of the entire team.

Forward, Jill Ibox jumps up to grab one of her team leading 196 rebounds. Jill played strong defense for the Green Terror, leading the team in blocked shots with 40, and in steals with 43.

Camey Brian holds the ball, getting ready to pass to a teammate for an assist. Camey played solid off the bench for the team this season as a forward and a center.

Back row: Erin White, Suzanne Creelman, Alana Stubbs, Kris Brust, Jill Ibox, Sommer Chorman, Meghan Tracey, and Megan Linch. Middle Row: Patty Russo, Dena Morgan, and Sindi Stem. Front row: Brooke Brenneman, Camey Brian, Stephanie McPherson, and Jen Piccolomini.

This Season's Spirited Women's Basketball- Leads to a Successful Season

Kris Brust huddles up with the rest of the team during time out to discuss strategy. Every time the Green Terror came out of a time out break, they came out fired up, as team spirit stayed high all season for the energetic team.

This year the Green Terror Women's Basketball team had a spirit-filled season, which lead them to finish 3rd in the West Division. The team's overall record was 11-12, with a 7-6 record within the Centennial Conference.

Many individual accomplishments were also reached. WMC forward star, Jill Ibex was selected to first team All-Centennial Conference, Centennial Conference Academic Honor Roll, Lady Spartan Invitational All Tournament team, and Centennial Conference Player of the Week for February 7-13. Other individual achievements include guard, Patty Russo's award of being named into the Centennial Conference Academic Honor Roll. With much young talent on the team, women's basketball has a bright future, and the team will carry the spirit of unity and this year's triumphs into next season. They will be looking to improve further on their successful season which was filled with much gained experience.

Jill Ibex jumps up above an opponent to get off a buzzer beating shot. Jill was the team's leading offensive player this season, scoring 361 points.

Leaping up over an opponent, Senior Curtis Miller, rainbows a shot toward the net from the baseline. Curtis has played an instrumental role in Green Terror basketball during his career here, as he earned 4 Varsity letters.

Jumping up to tip the ball in, Mike Furey reaches up over his opponent. Mike, who is a great forward and center, led the team in blocked shots this season.

Back Row: Asst. Coach Brian Hollingsworth, Coach Nick Zoulias, Andrew Slye, Karl Friedheim, Jon Pearson, Jim Hegmann, Curtis Miller, Sean Pond, Mike Furey, Asst. Coach Kevin Selby, Trainer Claire Richardson

Front Row: Adam Hynes, Michael Paesani, Adrean Pope, Lamont Wilson, Brian Billman, Jeff Myers, Jack Kowalik, Chris Tolles, Manager Sam Boardman

Men's Basketball

fights hard all season to boost team pride and integrity.

After receiving a great pass from Senior Karl Friedheim, WMC jumps out to an early lead against Gallaudet in their first game of the season with this easy lay-up. Green Terror went on to win this opening game on the strength of a 41-25 half-time lead.

After bringing the ball down the court, Senior guard, Jeff Myers, prepares to begin the play with one of his precision passes. Jeff has given much to Green Terror Basketball over his career at WMC, having earned 4 Varsity letters.

The 1999-2000 Basketball season was one filled with tough games and valuable lessons. WMC played many close games, in fact, 9 of which were decided within 10 points. Unfortunately, the Green Terror were only able to pull out a pair of those games. A bright side to the dismal 4-20 season was the team's competitive edge and earnest effort they played each game with. Also, with a rather young team, including 5 freshmen, much was learned this season about collegiate basketball that should prove very useful to the team in the future as some of the bright young players develop into veterans.

This was a tough season for 11 year veteran coach, Nick Zoulias, but by frequently going deep into the bench, he was able to get many young players well prepared for the future. The Green Terror Basketball squad was very pleased with the effort they put forth this season, having never given up and always giving it their all.

Amanda Donaldson is ready to field the ball that is hit right back to her. Amanda had an amazing record this year, of 14-1. Over 100 innings pitched, Amanda threw 84 strikeouts and gave up only 9 walks and 20 earned runs. Amanda had a great 1.40 ERA in this 4 shutout season.

Setting up behind the plate, the catcher informs the team that they are one out away from ending the inning. Both catchers for WMC this season, Julie Develin and Courtney Wunderlich, played strong behind the plate, allowing a total of only 5 passed balls, as opposed to 18 from opponent catchers this year.

Back Row: Coach George Dix, Steph Bell, Courtney Wunderlich, Selena Smart, Leah Clelland, Mandi Donaldson, Lauren Henry, Jessica Parker, Cindy Livesay, Asst. Coach Jaime Long. Middle Row: Christa Farrar, Sindi Stem, Katie Swierkos, Julie Develin, Candi Kuligowski. Front Row: Stacy Seward and Jacie Mathias.

Slugging offense and powerful pitching lead to a dominant Softball season

The infield huddles up to discuss their strategies for the next play, and to support the pitcher. High team spirit all season led to cohesion of the squad and solid play, support, and effort in each game.

The 2000 season was one of great success for Green Terror Softball. The team finished 23-6, and achieved second place in the Centennial Conference. Unfortunately, their 19-3 start to the season, and clear shot at the conference title, was tainted by dropping 3 of their last 7 games to intra-conference opponent. These were tough losses, 2 of which were decided by only 1 run, and the other, by just 2 runs. However, the team is not at all displeased with their accomplishments this year, as the young team, composed of 6 freshmen (of the 16 total players) played up to and well above all expectations of them. High team spirit was a large reason for the teams outstanding success this year, and WMC has much to look forward to in the future with so many talented young Softball players.

Courtney Wunderlich is in her stance ready to slug the ball. Courtney, considered a power hitter, had 4 home runs this season, which is second best on the team. Courtney was a great catcher for the Green Terror this year, not allowing a single passed ball, and not even committing a single error.

Junior, Kacy Jenkins tags his opponent out on first base. Kacy has earned two letters during his baseball career at WMC.

Brent Fuchs gets set to throw another fast ball across the plate. This was Fuchs last year playing for WMC. He is a senior and he will be greatly missed by the team.

Back row: Coach Joe Herman, Bob Laffey, Kacy Jenkins, Barrett Gugliotta, Dave Dolch, Jon Vandernat, and Coach Dave Seibert. Fourth row: Matt Thrasher, Erik Winkler, Guy Sheetz, John DeBaKey, Dan Elbaz, and Marc Alegi. Third row: Brian Renn, Brent Kahuda, Albert Pero, Eddie Smith, Wade Tyree, Jason Starnier, Josh Silver, and Sean Giblin. Second row: Kevin Culbertson, Kevin Kozak, Scott Merkle, Todd Huber, Gregg Shelton, Rich Steigerwalt, and David Roberts. Front row: Ryan Legge, Jack Griffith, Brent Fuchs, Mike Wolfe, Jeremy Merrell, Jeff Starcher, Justin Raynor, and Mike Geaneas.

With Hard Work and Determination, the Baseball Team has a Great Season

Albert Pero quickly touches the base and prepares to send the ball to another player. Pero is in his third year of baseball for the Green Terrors.

Brent Fuchs winds back to throw a fast ball right down the middle of the plate to strike out his opponent.

The Baseball Team had a relatively good season. They ended the year with 18 wins and 14 losses. In all the games, the players went in with high hopes and plenty of determination. The men worked very hard to win the games. They played hard at every practice and gave their all during the games.

In the Centennial Conference, the Green Terrors won 10 games and lost 7. Considering these good stats, the team needs to thank their leaders and continue to encourage their new players to keep up the hard work. This year there were 12 freshmen; 7 sophomores; 7 juniors; and 7 seniors. The freshmen and sophomores have learned a lot this season and hopefully their lessons will improve their strategies next year. The juniors will be the new leaders next year, because of experience and the seniors will be missed by all baseball players.

Brian Nottingham waits patiently for the ball to be passed to him so that he can score a point for the Green Terror's. Brian was one of the team's many players that showed his talent on and off the field through his hard work and his spirit for the game. He is a good model for the incoming freshmen to look up to.

One of the Green Terror's digs deep to gain control of the ball. While doing this he swiftly blocks his incoming opponent and helps the team to get that much closer to the goal.

Back Row: Mike Griffin, Steve Mason, Joe Ellis, Tom Brown, Justin Adkins, Jason Wiles, and Scott Armstrong. Third Row: Coach Reitenbach, Coach Whaler, Greg Elko, Brett Sweeney, Mike Coleman, Tyler Mercer, Dave Riley, Vince Hackler, Damien Turton, Colby Cook, Don Ward, and Coach Alisaukas. Second Row: Tim Mascari, Gaelen Cross, Jason Goodman, Anthony Burgos, Thomas Urbano, and Brian Nottingham. Front Row: Doug Denison, Mike Sofinowski, Joe Pappafotis, Kasey Michelsen, and Alex Tolj.

The Men's Lacrosse Team Fights a Hard and Spirited Battle this Season

A Green Terror swiftly maneuvers the ball up field to try and pass it to another team player. Teamwork was a very important element in this year's Lacrosse Team. All players worked very hard together to score as many points as possible.

The Men's Lacrosse Team had an excellent season. They won eleven games and only lost four. With such a great record, this team deserves to have great amounts of recognition. All the men on this team practiced hard and they never gave up when their battles became very stressful and tiring. With this effort and determination, the season was ended on good note by their final overall score.

There were also some great individual accomplishments. There were four top scorers for this season's Green Terrors. Brett Sweeney lead the team in scores with 41. Following Sweeney with 40 points was Tom Brown. With 33 tough scores, Joe Ellis ranked in as third and with 29 points was Dave Riley. These four men did a tremendous job with scoring points for the Green Terrors. All the team players were an important part in winning all eleven games. Everyone on the team fought hard all season and this promises the Green Terror fans an exciting season next year.

Gaelen Cross runs to give back up to other players that are trying to score. Gaelen's hard efforts help to protect the team from losing their winning position.

The only freshman on the team, David Johnson, is poised after delivering a big hit down the line. David provides a potentially strong future for the Green Terror, as he posted 2 of the team's 7 singles set wins this year. David also played strong in doubles matches this season.

Mark Weider tosses the ball up ready to deliver one of his power serves.

Back Row: Derek Favreau, Phil Atwell, David Johnson, Stan Lewandoski, Jon Parke, Coach Coleman. Front Row: Mark Wieder, and Dan Powell.

Men's Tennis Struggles, but pull out a victory and many lessons

Set back to return a serve, Derek Favreau drills the ball hard over the net.

In his first season coaching Green Terror Tennis, Michael Coleman spent much of the season trying to shape his players as high quality tennis players. The coach's positive leadership all season led to his team playing their hearts out every time they stepped on the court. Although the team was only able to win one of their 11 matches this season, they were proud to provide the rookie coach and each other with at least one victory to base momentum on for next season.

With 4 graduating seniors, the Tennis Team will be in need of hot new players next season, but having learned much about the trials and tribulations of tennis this year, next year the team will be more successful. The high level of team spirit and unity is echoed in the team's relative success in doubles matches, where they finished with 5 total wins in just the first two categories of couple matches.

Playing the net in this doubles match, Dan Powell is set and ready to play the ball, if returned from the opponent.

Alethea Desrosiers follows through on her serve to score an ace for her team. Alethea was a very spirited girl who was always happy to be on the tennis courts.

Preparing to return the serve, Julia Wiederholt winds back to slam the ball to her opponent. Julia is one of the two seniors that was on the team. She will be greatly missed.

Back row: Julia Wiederholt, Alethea Desrosiers, Kali Hosford, Jaime Connelly, and Coach Michael Coleman. Front row: Lara Henderson and Becca Lyter.

The Women's Tennis Team had a Excellent Season with Ten Wins and Only Three Losses

Jaime Connelly practiced with her opponent before the game to warm up. She had an excellent second year with the Green Terror's Tennis team. Hopefully next year will be just as good for her.

This year's Women's Tennis Team had a terrific season. They finished their season with ten wins and only three losses. This was exceptionally good, considering the Women's and Men's Tennis team were under a new coach. Coach Michael Coleman taught the team what true spirit was like in the game of tennis. All the women looked up to Coach Coleman for guidance, and that was what he gave them.

Not only were the wins great this season, in the doubles match, Lara Henderson and Alethea Desrosiers won first place in the Centennial Conference. This year has turned out to be a great success for all the women. They all put in long hard hours of training and playing and it paid off by their numerous wins. Next year is already looking very promising to the Green Terror Women's Tennis team.

Lara Henderson swings to hit the ball to her opponent with force and yet still has a smile on her face. All the women on the team knew that Lara was always happy and even though she took the game very seriously, she still stayed good humored about herself, her teammates and with the game. This is Lara's last year playing for WMC. She will be greatly missed by all her teammates.

Tim Cloud concentrates on his next shot. He needs to get it on the green to make it under par. This is Tim's last year since he is graduating.

John Wheeler leans over to mark the placement of his ball. Wheeler is a junior at WMC and has earned two letters throughout his career in golf.

Back Row: Tim Cloud, Patrick Pulliam, Bill Pannill, Greg Stokes, Geoff Leyden, and Chris Kinda. Front Row: Coach Scott Moyer, Ryan Reid, Craig Zabora, Matt Lender, Jason Pyle, and John Wheeler.

The Men's Golf Team Sticks Together for a Great Season

Geoff Leyden eyes up his ball with the hole. This was Leyden's first year with the WMC golf team.

The Green Terror golf team had a fairly great season in which all the team players worked together to try and achieve their goals. The team this season was made up of eleven players; four of which were seniors and three were freshmen. The other four players were a mixture between sophomores and juniors.

The largest and one of the most important victories for the golf team was that in the Centennial Conference. The team received first place in this year's conference. This was a great accomplishment and greatly deserved. Everyone played hard and their efforts paid off with their win. With such a good finish for the golf team, the seniors will be leaving with a great sense of pride and honor for their last college tournament. For the rest of the remaining players this is a great way to start the next season.

In hopes the ball made it to the hole, Tim Cloud looks after his ball with a face of determination.

Love, Mom Dad and Kelly

To Our Special Son:

Warm, loving and compassionate you are now, and always have been since you were a child.

It makes us so proud to have been a part of all your outstanding accomplishments these past four years.

Letting you go, to see you grow, was a very hard task.

Love and support you will always have from us.

In our hearts you will always be the most special gift God has given us.

All your hard work and perseverance paid off which led you to climb to the top of "The Hill".

May God bless you and your bright future filling it with much success and happiness.

Congratulations,
on your graduation!

Love,
Mom and Dad
(Bonnie and Bill

*I expect to pass through life but once. If
therefore, there be any kindness I can show,
or any good thing I can do to any fellow being,
let me do it now, and not defer or neglect it,
as I shall not pass this way again.*

David,

*Congratulations on your
graduation from Western
Maryland College. We are
happy that you enjoyed your
collegiate experience and
seemed to make the most of
your academic and social life
at Western Maryland. We are
proud that you have been
accepted to graduate school
at Indiana University of
Pennsylvania and offered an
assistantship there. But, most
of all, we are so very proud of
you!
Love,
Mom and Dad*

Congratulations, Nicole!

We are all very proud of you.
May all your dreams come true.

Besos y abrazos,

You have grown into a beautiful person. May all your dreams come true as you travel the road to happiness and success. Remember no matter what, I will always be here for you. Love, Mom

Dearest Jenifer,

Congratulations, we're so very proud of you, and all that you have accomplished during your four years at Western Maryland College. Whatever life has in store for you, remember that our love and support will always be with you. We wish you all the happiness and success in whatever you choose to do. Our hopes have always been high for you and through your education, we have given you the keys to your future. JJ, as you go through life, always remember, you will always be our little kitten. Thank you for making the past 22 years the happiest years that any parents could experience.

Love always,

Mom & Dad

Congratulations Class of 2000!

The Graduation of the Millennium

Proud parents and family members applaud as the Class of 2000 seniors stand up, ready to cross the stage and receive their diplomas on Graduation Day.

Acting President Joan Develin-Coley greets the family and friends of this year's graduate and undergraduate students.

Setting center stage for graduation is Western Maryland College's school colors and 2000 banner.

Joan Develin-Coley congratulates seniors with a smile and a handshake as they cross the stage and receive their diplomas.

One of two honored guests at this year's graduation, Dr. Michael C. Ain stands amongst WMC faculty members as they honor the newly graduated seniors.

Held on May 20, 2000, this year's graduation marked the 130th Commencement held at Western Maryland College. Presiding over the event was acting President Joan Develin Coley, who honored not only those seniors participating in Graduation, but also those students who returned to WMC to receive their Masters. Over 400 graduates crossed the stage to receive their diploma, many of whom had only moments earlier accepted awards pertaining to their field of choice.

Graduates of Western Maryland College were not the only people honored during this occasion, however. Two Honorary Degree Recipients were awarded during Commencement as well. Orthopedic Surgeon Dr. Michael C. Ain recieved a Doctor of Science Honorary degree presented by his nominator, Trustee Alleck Resnick. Jerry Spinelli recieved a Doctor of Literature Honorary degree presented by his nominator Ramona Kerby.

As another year has come and gone, it is time to look back and reflect on the *footprints* which have been left by each and every student at WMC. Although physically these *tracks* may soon fade, they will forever leave memories in the hearts of everyone.

To the class of 2000, we wish only happiness and success in the years to come. No matter which *road* you choose to follow, we are confident that it will lead you in the right direction.

For those who are still dreaming of the day when they are seniors, we hope that you will continue to stay on the right *path* toward graduation. All of your hardwork and perseverance will eventually pay off.

In putting together this year's book, we came across many obstacles which could never have been hurdled without the help of our dedicated staff. Special thanks are extended to Dave, Jess, Julia, Kelvin, Kristin, Leah, Nicole, Robyn and Tom for all their help in producing this yearbook - we couldn't have done it without you. Finally we thank our advisor, Ms. Susan Cullison. Her countless hours of work and dedication have greatly contributed to the completion of this yearbook. With this being her first year as yearbook advisor, we extend gratitude for her willingness during the construction of this book, and her patience with us while learning the ins and outs of yearbook production.

In conclusion, we would like to remind the students of the past, present and future that dreams really do come true. The millenium brings with it new experiences and *paths* to take. Live each day as you want it to be, as you are following a new *road* toward the the future.

*"There is a place where the sidewalk ends
And before the street begins,
And there the sun burns crimson bright,
And there the moon-bird rests from his flight
To cool in the peppermint wind.*

*Let us leave this place where the smoke blows black
And the dark street winds and bends
Past the pits where the asphalt flowers grow
We shall walk with a walk that is measured and slow,
And watch where the chalk-white arrows go
To the place where the sidewalk ends.*

*Yes we'll walk with a walk that is measured and slow,
And we'll go where the chalk-white arrows go,
For the children, they mark, and the children, they know
The place where the sidewalk ends."*

-Where the Sidewalk Ends, by Shel Silverstein

Farewell Dr. Chambers

ROBERT HUNTER CHAMBERS, III
Seventh President
1984-2000

President Chambers resigned after a six month sabbatical effective June 30, 2000. He served WMC as the seventh president for more than fifteen years and will be greatly missed. During his tenure, there were a significant number of improvements made to the physical appearance of the campus. New buildings were erected and old buildings were renovated. He was instrumental in forming a WMC campus abroad in Budapest, Hungary. Throughout his career as president, Dr. Chambers still found time to teach an honors course each semester.

Whenever he spoke to prospective students visiting the campus, he would talk about the feeling that you get when you see a college for the first time — that it has to have the right “feel” for you. Dr. Chambers’ compassion and caring for everyone and everything about this campus gave it the right “feel” for all of those who attend Western Maryland College.

*As the 1999-2000 school year
came to a close, we were faced
with bumpy roads,
and struggled to choose
a path to follow.*

*As we began the race
toward the new millennium,
we encountered successes
as well as failures.*

*We became the class
that ended an era,
and began a new one
at the same time.*

*But, no matter where
our path in life may take us,*

*Western Maryland College
students will always know that...*

*Where one road ends,
a new one begins.*
