McDaniel Senior Memories...

"We will never forget the
good times on the hill"

Lauren Laker: One of my favorite memories at McDaniel is on graduation day, filing through Big Baker and out towards the quad, through a mass of people surrounding us as the bell was being rung by President Coley. But this time it wasn't just the same old ring I would hear everyday at the hour on the hour, it was the same sound that I heard when coming into McDaniel when I rang the bell as a freshmen, and chills just went shivering down my spine. I felt like a celebrity and couldn't believe that this time had come so fast. Four years really does fly by, but I have memories that will last a lifetime.

Casey Taub: Running down the newly windexed floor hallway and my feet sliding out from underneath me! Cleaning up the dishes from dinner and as usual, an impatient person wants all the dirty ones off the table immediately...so naturally the large vase of flowers and molded water goes all over the counter and kitchen floor :) ohhh college!

Roxanne F: One of my favorite memories is with the cross country team. After Regionals my freshman year, it was freezing cold and pouring down rain. After the race, we were already so muddy that we decided to go mud sliding down a hill off to the side of the course. We were then covered in mud from head to toe. I guess we didn't think the whole thing through because we had a 5 hour bus ride home before we could get clean. It was worth it though!

Jodi Feehan: Senior week was one of my favorite times. Hanging out in the quad and staying up late with friends and laughing at each other. Also having fun times in the apartment and goofing off will be the times I never forget. Though my all-time favorite memory has to be when my best friend came out of the bathroom and told me she found a jimmie in her pants after ice-cream night in GLAR. I never laughed so hard in my life!

Mary Grace Gozalez: Winning ECACs at home for lacrosse freshman year and all the awesome times with my teammates especially the trips to Costa Rica and Disney World to celebrate my senior season.

Lisa Katchan: My favorite memory from McDaniel is eating dinner in glar with the cross country and track teams after practice every day.

Ryan Graves: my favorite memory was Saturday home baseball games when all the fans would come out lay on the side of the field and support all the players of the green terror.

Jessie Dunn: Even though we all got a little stir crazy, I loved snowmaggdon and sledding down the golf course!

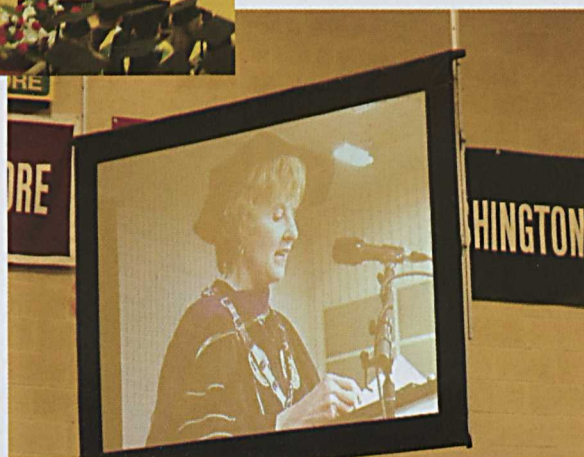

Kristen McGeeney: My two favorite memories are climbing the great wall of China and hiking up to the beautiful castles in Germany during jan term.

Emily Hajjar: My favorite memory from McDaniel was having girl nights with Roxy, Sepo, Jodi and Casey in the ANW suite. We would plan to get homework done but end up talking and laughing for hours.

Gordon Webb: My favorite memory happened in 2007. It was freshman year, and my girlfriend was out for the day with her roommate. I was having some problems with my hamstring at the time, so much that I had to stretch like 5 times a day just so I could walk. This day also happened to be April 1st, so I thought of something... I sent my girlfriend one text that went something like this: "My doctor thinks I tore my hamstring so I am going to the ER now. I can't walk. I have to turn off my phone now but I'll call you when I can xoxo." and then I turned my phone off. At this point I was in the Library, and my girlfriend was on her way back to campus with her roommate. She was worried sick (I felt bad). She tried calling and texting me but it wasn't going through. She didn't know how to contact my parents at the time, and she wasn't sure where I was. She went to Campus Safety and asked if they knew anything, but of course they didn't. She called the local hospital. She gave the hospital my name, and they said it back to her on the phone, to confirm my last name. My girlfriend said "yes, that's the name!" (thinking I was there), but they said "no, no one by that name here". Hours passed and she looked everywhere she could think of for me on campus, thinking it could have been a joke. When she finally found me, her face was priceless: pissed off, relieved, excited, and sad, all in one. It was the best prank I ever did to anyone, and I will never forget it. Sorry baby!

Bahamas

The lionfish and fire coral - what a lovely sight. Don't get too close because you will regret it! The students were warned about these two dangers before they even got on the plane. **DO NOT TOUCH!** Most students did not have a problem with obeying that rule. Despite the threat of danger, students had an amazing experience snorkeling at numerous spots throughout the Bahamas. After long days of swimming at various reefs, students always found time to have fun doing flips off boats or to relax in the crystal blue water while soaking up the sun.

Closing Remarks

Congratulations...WE DID IT! It feels like yesterday that we were all in Little Baker discussing our summer reading book and meeting with our Peer Mentors. These four years went by so fast and I wish everyone the best of luck. I hope this book helps you all to remember the great times that happened on the Hill. I want to thank all the staff members for helping create this book. Lauren, Luke, Rebekah and Heather have worked very hard in order to recreate the special memories we have all shared together. We could not have done it without our yearbook advisor Nicole Robbins, thank you for all your dedication and hard work. I will miss being the McDaniel Pathways editor but I know the club is in good hands.

Good luck and farewell Seniors of 2010. I hope you all can look through this book years from now and remember the great times we all had at McDaniel College.

The Power of Attitude

Our lives are not determined by what happens to us, but rather how we react to what happens; not by what life brings to us, but by the attitude we bring to life. A positive attitude causes a chain reaction of positive thoughts, events, and outcomes. It is a catalyst... a spark that creates extraordinary results. -Author unknown

Farewell, President Coley!

"It has been my great fortune to spend almost all of my working life on this [McDaniel] college campus, a place I love and believe in with unreasonable passion."

Joan Develin
Coley

Joan Develin Coley served 10 years at the helm of the 141-year-old liberal arts college. She took office on October 20, 2000, as the eighth president and holds the distinction of being the college's first female president and first to be promoted from the faculty ranks.

"Dr. Coley is a transformational leader who shaped McDaniel into the great institution that it is today. For nearly four decades, she acted as a friend and mentor to faculty, staff, and, most importantly students. Her strong leadership, steadfast commitment, and contributions to McDaniel will never be forgotten. She will be greatly missed!"
