

McDaniel Senior Memories...

"We will never forget the good times on the hill"

Freshman year, a bunch of my girlfriends and I had a tradition of going out once every month on a Friday night; we called it our "Girls' Night." We'd do anything from going out to dinner, to watching a movie in someone's dorm, or even going bowling. On this particular night, it was extremely hot in Whitford (per usual), so we decided to go outside. Only it was raining quite heavily. We all got soaked before heading back inside where the eight of us managed to finish half a gallon of chocolate ice cream in under a half hour!

Also, sophomore year in my Biology of Aging class, Dr. Mitschler brought in a nineteen hour-old lamb, which the whole class named "Oreo." She was the sweetest thing, and when I held her, she sweetly licked my face; so adorable. Unfortunately for another classmate, though, Oreo felt the need to relieve herself on his arm!

-Kathleen Levendusky

Last semester, it was dark out and my apartment mate Bryan and I decided we wanted to pull a prank on our other friends and apartment mates who were about to come home from the game room. We turned off all the lights in the apartment and turned off the switches in the circuit breaker of our apartment so that they couldn't turn any lights on when they came. Then, we hid ourselves in one of the bedrooms, so we could jump out and scare them when they walked in. When they walked in the apartment, they were all wondering why the lights wouldn't turn on, checking all of the switches in the apartment. Then, we could hear them starting to get scared and worried. Just as one of our friends, Kristin, began to walk in her room, Bryan and I popped out, she screamed, making everyone else scream. The best part was that right before we popped out, our other apartment mate, Kim M., was on the phone with campus safety and only got out a huge blood-curdling scream before hanging up immediately. It was quite a successful prank, and we made sure Kim called campo back to let them know everything was ok.

-Cindy Sordo

I remember one afternoon my freshman year, I was in my dorm room and my friend, Annie O'Grady texted me. She said she was coming back to Whitford from the gym and wanted to ask me a very important question. I was nervous about what the question was and when she finally got to my room, she said down on my bed and told me that she and her roommate were not going to live together next year. Annie looked at me seriously and said, "Will you be my roommate?" Then she made a little puppy face. I said "yes!" and it's the best roommate experience I've ever had. We lived together in ANW our sophomore year on the Phi Mu floor. We lived in the McDaniel House with the Outdoors Club our junior year and finally, together in the same room in North Village our senior year. She's the best roommate ever and I love her so much! Roooooooooooms!

On St. Patrick's Day during spring break of 2011, two cruise ships filled with McDaniel seniors and juniors met at Senor Frogs in Nassau, Bahamas. Most of us got on the stage and chanted "McDaniel! -Alison Rose

"I will cherish my memories of creating the Canine Companions for Independence Puppy Club and raising two service dogs on McDaniel campus. Who would think that the assertive little Kaya would graduate to become a fully trained hearing dog? Not to mention how much Whit made an impression on the McDaniel campus. So many students, faculty and staff were touched by his wonderful personality. I came to McDaniel thinking 'I can make this school whatever I want it to be, and I want to continue to raise service dogs.' So that's what I did."

-Abigail Vickers

Among the many memories shared at McDaniel, some of the most special memories included homecoming, going on a cruise to Florida and the Bahamas spring break of my senior year, and the 100 days until graduation event.

SENIOR CLASS OF 2011

Remembering Thomas Rouleau

10/16/89 - 2/6/09

Tom Rouleau was my best friend, my boyfriend, and a role model. Not a day goes by that I don't think about him, how much I miss him, and where he would be if he were here today. He should be walking across the stage with us this year, and as a senior, his absence hangs over my head every day. There will never be another Tom Rouleau or anyone like him. Every single day we miss his laugh, his jokes, his silly accents, and the way he could light up any room with his non-stop sarcasm that no one else can manage to capture. I listen to the music he loved every day and wish he were singing along with me. I am so thankful to have gotten to know him as well as I did, and I know his memory will carry on with every single person whose life he touched. We miss you more than anything Tom, and you deserve to be here with us. <3

Nina Minadakis

Tom,

It seems like only last year you and I were hanging out in the Whiteford lounge or doing a late night walk to Denny's or getting into some other crazy shenanigan on campus. We had some real fun times together. Some of my favorite college memories include you. You were so fun, so energetic, so original. You inspired me more than any other person I had ever met or will ever meet. You were also without a doubt the coolest guy to ever walk on this planet... and the fact that you considered me one of your friends is one of the biggest honors I've ever had. I love you, and not a day goes by where I don't think about how much I miss you. Thank you, Tom, for being awesome.

-Annie O'Grady

Tom, you were one of the first friends I ever had in college, and that is something you never forget. You definitely made adjusting to a new stage in my life all the easier and more exciting. We had some of the most awesome and memorable adventures, conversations, and experiences, and I am so grateful I got to share them with you. I miss you dearly and wish I could've ended my college career with you.

Love you always,
Cindy Sordo

What can I say that can possibly describe Tom Rouleau? The most hilarious, scariest, kindest, and wildest person I've ever met and I will love him forever. He is no one's Beast of Burden.

Erin Elizabeth McDonnell

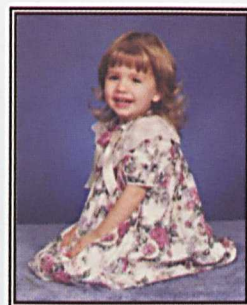

Words cannot express how proud we are of you & everything that you have accomplished. Experience is defined as knowledge or wisdom gained from what one has observed, encountered or undergone. You ARE experience. You have observed, encountered and undergone LIFE and done it with grace and style. You are a beautiful woman, both inside and out. A "true" daughter, granddaughter, sister & friend, you never let anyone down. Your independence inspires us. Never afraid to take a risk, you hit the ground running & never stop. You have succeeded at everything you have ever

attempted. Whether its teaching, traveling, or lacrosse....you have mastered it all and loved every minute of the journey. The future awaits you, Erin. Savor every moment!

Like EZ (#13) always says "GO BIG OR GO HOME"! We Love You.

Mom, Dad, Katie, Michaela, and Ryan

Kathleen Levendusky

It was in the month of May
When you joined us on a Saturday
In a hospital located in a town
Where a college could be found
You often passed thru the county seat
En route to Taneytown and grandparents to meet
You saw the chapel with the great big white spire
Would you go to school there, your mother did inquire
You went to a clarinet summer camp there for a week
In order to gain the insight that musicians often seek
Would this sneak peek serve as a preview
For the school on the hill with a magnificent view
So you decided to take a tour there one November
It would be a visit that you'd quite remember
For you decided to go there to college
In order to acquire additional knowledge
Your mother was quite ecstatic and tickled pink
For it was the same school that made her think
Back then it was known as WMC
Today it's McDaniel with a capital D
It's hard to believe that four years have gone by
Your time at college has really seemed to fly
Let's hope that you learned much in these years
Both through the laughter as well as the tears
Hope that you remember all the good days
And that all school knowledge with you stays
For life often turns in mysterious ways
With decisions that require yeas or nays
You have experienced ups and downs
As well as Kathleen smiles and frowns
Thru all this you have remained steady
After graduation, you'll be more than ready
There's only one thing in life that I rue
That your mother can't share this day with you
Thanks to her your life is off to a good start
And you'll always feel her presence in your heart
Once again it is the month of May
And you join the alums on a Saturday
Congratulations Kathleen on being a college grad
There is no prouder person than your dear old Dad

Dear Darryl,

Words cannot begin to express how proud we are of the man that you have become. Your accomplishments continue to amaze us. We look forward to your future and know that you will continue to make us proud. Believe in yourself and you will achieve everything you set your sights on.

All our love, Mom, Dad and Emelie

Dear Kelly,

It has been quite a journey! We are so proud of all you have accomplished! Let your light shine Sunshine..... we love you. CONGRATULATIONS!

Top Siders

From popped collars to Top Siders, prep style endures. *True Prep* shows a new generation how it's done and what it means.

Sequins

Shiny, sparkly sequins become a major fashion trend when Zoe Kravitz and runway models are spotted wearing them on hats, dresses and tops.

Hats

Self-expression is always in fashion and the right hat makes it easy to add panache (and hide a bad hair day). All you need is a cute fedora or a jaunty newsboy cap.

Military Jacket

There's nothing olive drab about this trend. Military jackets are snappy, sleek and chic — a far cry from the oversized Army surplus look of yesteryear.

Energy Drinks

Energy drinks are the beverage of choice among sleep-deprived students, despite concerns that they contain unhealthy levels of sugar and caffeine.

Pillow Pets

Now it's a stuffed animal. And now it's a pillow. Puffy, popular PillowPets™ may be the snuggliest, softest trend of the year.

Dentists report that more and more teens are asking about teeth bleaching procedures, especially for photo-op occasions like proms or sweet sixteen parties.

Flip Flops

Parents and foot doctors hate them but the flip-flop fad is a year-round phenomenon for guys and girls alike (except during snowstorms).

Dr. Dre's Monster Beats are state-of-the-art headphones that make a strong, street-smart fashion statement. They look cool. And they sound even cooler.

The mountaineer look comes to the metropolis, as high-performance outdoor apparel makes a comfortable, cold-weather fashion statement.

Girls Outfit

Big Scarves

Long, flowing scarves become a year-round trend. This must-have accessory is the easiest way to add color and interest to casual outfits.

Monkey Slippers

It's a toy. It's a slipper. It's a fun fashion trend. Sock monkey slippers are popular in college dorms and at slumber parties.

Long Necklaces

Long, statement necklaces are trend-right. Gossip girls look luxe with Tiffany-style trinkets. Layered, chunky, vintage baubles create an alt-rock, art school vibe.

Over the Knee Boots

Boots go to great lengths. Over-the-knee styles are seen everywhere from runways to red carpets. Trendsetters wear them with short skirts or slim leggings.
